

El Tiempo En Barranda Caravaca De La Cruz

Carlos Blanco Fadol

Arte y Cemento, 2005-02-15 La revista decana de la prensa profesional de la construcción, líder del sector. Proporciona a los profesionales y empresas el conocimiento necesario para el desarrollo de sus proyectos y obras, tanto en su aspecto de edificación residencial, como en el industrial y comercial. Está dirigida a fabricantes y prescriptores; como arquitectos, aparejadores, instaladores, técnicos.

La sonrisa oculta de la música Carlos Blanco Fadol, 2021-06-01 Un insólito relato de la vida real de un niño huérfano que, al alcanzar la mayoría de edad, partió de Uruguay para recorrer mundo, llevando como equipaje una guitarra unida a un corazón melancólico y épico. Su periplo, que recuerda en ciertos pasajes a las desventuras del Quijote, está cargado de ingenio, humor, reflexiones, invenciones, aventuras, poesías, investigaciones musicales inéditas y un relato cinematográfico que abarca, desde una vida de nómada cantando en autobuses y durmiendo en bancos de las plazas, hasta ser huésped distinguido de la realeza europea. Aquel joven vagabundo reunió, con los años, una de las mayores colecciones de instrumentos musicales étnicos del planeta, creó tres museos de música y obtuvo dos candidaturas a los Premios Príncipe de Asturias.\r

El bargueño de la cruz Francisco Méndez García, 2005

Memorias para la historia de la ciudad de Caravaca (y del aparecimiento de la sma. cruz) Agustín Marín de Espinosa, 1856

De íberos a romanos Leticia López-Mondéjar, 2019 El presente trabajo aborda el amplio periodo que abarca desde finales de la Edad del Hierro hasta los primeros siglos del Imperio romano en el Sureste de la Península Ibérica (IV a.C.-III d.C.) En él se analizan, desde una perspectiva global e integradora, las dinámicas y transformaciones que experimenta el paisaje de dichas centurias atendiendo a aspectos como los patrones de asentamiento, la economía y la organización sociopolítica. A través de todo ello se pretende ofrecer una perspectiva de estudio novedosa frente a perspectivas tradicionales en este ámbito peninsular únicamente centradas en el estudio aislado de los principales yacimientos y su cultura material. El volumen aborda así, por primera vez, un análisis diacrónico y comparativo de estos territorios, ofreciendo una nueva imagen de los mismos a lo largo de las centurias analizadas e insertándolos, además, en el contexto más amplio del ámbito sur peninsular. The book analyses, from a global and comprehensive perspective, the period between the end of

the Iron Age and the first centuries of the Roman Imperial period in the Southeast of the Iberian Peninsula (4th century BC-3rd century AD). It aims to provide a broader analysis from a different and innovative perspective, which goes beyond the traditional isolated study of the main regional sites and their archaeological record. Thus, it focuses on the dynamics and transformations operating in the landscape, the settlement patterns, the economy and the socio-political organisation of these territories, providing the first diachronic and comparative analysis of these centuries. As a result, the volume offers a new long-term picture of these Iberian territories, providing a view of their evolution and inserting them into the context of the southern peninsular area.
