

Heat In The Hamptons Novel

Celia Jerome

It's Hot in the Hamptons Holly Peterson, 2019-05-21 From the author of the summer hit *It Happens in The Hamptons* comes an unforgettable new novel about the women who live and love in the Hamptons. In the Hamptons, no rules apply, especially in matters of money—and the heart... Raised in East Hampton, Caroline never thought she'd be one of the "city people" who spent summers and weekends at the beach. But, once her husband's business takes off, a job stint transplants the couple permanently into Manhattan life—where the phrase When you marry for money, you work for it every day, reflects her neighbors' lives. And where entitled husbands, like hers, embark on affair after affair with little consequence. Time for the wives to get even. When Caroline's friend Annabelle suggests they experiment as their wayward mates have, Caroline resists at first. That is, until a scroll through an iPad makes her reconsider...and a pact between two friends is made. The agreement quickly turns serious when Caroline begins to confront the man her husband has become, or perhaps always has been. Will a summer affair give Caroline clarity or make her lose hold on the reins of her life? And, when an old lover returns, is she ready to risk all for a chance at happiness...

Hotter in the Hamptons Tinx, 2025-05-06 Tinx brings us her fiction debut packed with glamorous escapism, scandal, and sexual tension. *Hotter in the Hamptons* is the romance for a new generation. - Chelsea Handler Travel to the heart of the Hamptons in an irresistible summer fling from New York Times bestselling author Tinx! As New York City's fashion it-girl, Lola has been living her dream. But when her career comes to a screeching halt after a very public snafu, everything Lola has worked for - her loyal following, her designer closet, her perfect boyfriend - starts to go up in flames. And when notorious culture critic Aly Ray Carter lights the final match by writing a scathing exposé, it feels as if Lola has lost it all. When Lola flees to the Hamptons to escape her mistakes, she expects to spend her summer drinking Minuty by the pool while carefully rebuilding both her confidence and her brand. Instead, she looks over the trimmed hedges to see none other than her rival and newest neighbor: Aly Ray Carter. As summer blazes on, Lola is swept into an intoxicating situation with the woman who ruined her life, marred by chaos and confusion as she tries to pinpoint why Aly has her so captivated. She thought the Hamptons would be the perfect place to outrun her mess, but quickly realizes there's no place to run.

The Perfect Manhattan Leanne Shear, Tracey Toomey, 2006-05-23 The authors blend blistering social satire--shaken, not stirred--with a healthy dose of romance, comedy, and scandal, resulting in a fast-paced, enormously entertaining look at life

on the chichi side of the tracks.

Crazy Hot Melissa de la Cruz,2012-12-11 It's been a year since the hottest au pairs ever saw the Hamptons, and they're certainly older -- though not necessarily wiser. Or drama-free. Eliza, Jacqui, and Mara thought they'd be spending the summer apart, but when Eliza's new stepmother finds herself in need of some nannying help around the megamansion with the step-monsters, Eliza makes a call...and Jacqui and Mara wind up with two first-class tickets to the Hamptons. After ruling her first year at Parsons, Eliza, the up-and-coming starlet-turned-designer, is opening her own boutique on super posh Main Street. But it's not just Eliza's career that's on the fast track -- her relationship with Jeremy is too. Too bad he's moving too fast for Eliza to keep up. Brazilian beauty Jacqui is trying to be a good, responsible au pair. But it's tough when there's a hot British photographer following you around, telling you to quit your job and become an international supermodel. All she wants is to make enough money to pay for NYU...so what happens when she gets a much bigger offer? After getting fired from her travel-writing job and dumped at the airport by her journalist boyfriend, Mara settles for a summer chasing toddlers once again. There's one benefit to nannying: She'll have plenty of material for the novel she's writing about being an au pair - - and an It Girl -- in the Hamptons. Nothing's going to distract her from the task at hand...except perhaps her old flame, Ryan Perry. Can our three favorite Hamptons girls survive the craziest, hottest summer yet?

Hamptons Bohemia Helen Harrison,Constance Ayers Denne,2002-04 Richly illustrated with archival photos and reproductions of the artists' work, Hamptons Bohemia chronicles the evolution of a community and the colorful characters who have inhabited it, from Winslow Homer to George Plimpton. 176 full-color and halftone images.

Sand Witches in the Hamptons Celia Jerome,2012-10-02 The fifth and final novel in the Willow Tate urban fantasy series. As if Willow didn't have enough problems coping with the Otherworlders, now she has a stalker, her doom-seer father has a secret, and Paumanok Harbor has Otherworld sand-stealers. Original.

The Hamptons Leonard Harris,1981 The games the very famous play turn into a uniquely ingenious hunt for a murderer--the clue to whose identity probably lies in author Bea Fletcher's manuscript.

The House That Ate the Hamptons James Brady,2000-06-15 As another glorious season begins in the Hamptons, two perils menace a gracious old resort's elegant ambiance and its cast of rich and famous: Congressman Buzzy Portofino and the ongoing construction of an enormous private home. Martin's Press.

Night Mares in the Hamptons Celia Jerome,2011-05-03 Graphic novelist Willow Tate is a Visualizer, able to draw images of beings from the realm of Faerie, bringing them from their world to ours in the process. After a ten-foot-tall red troll follows her from Manhattan to Paumanok Harbor in the Hamptons, Willow realizes that many of her relatives and their neighbors possess psychic talents-truth- knowing, scrying, weaving wishes, picking lucky numbers, and more. So when magic and mayhem return to Paumanok Harbor, and Willow is called upon to rescue the town, she enlists the local talent. Three

magical mares are searching the Long Island village for a missing colt, and their distress is causing sleeping nights, bad tempers, and dangerous brawls among the gifted but peculiar residents. Though the Department of Unexplained Events sends Willow a world-famous horse whisperer, Texan Ty Farraday seems more interested in whispering in her ear than in rescuing the kidnapped colt whose terror only Willy can feel. Even with help, she still has to struggle with snakes, drug dealers, tourists, hidden caves, a mad scientist-and the almost overwhelming distraction of that sexy cowboy...

Summer Skate Sean Avery, Leslie Cohen, 2025-09-09 A novelist with a rebellious streak and a bad habit of turning men into material. A hockey player with a dark past . . . and a shot at stardom that he just might blow. A summer vacation that heats up with a forbidden attraction strong enough to burn their neighboring Hamptons houses to the ground. Summer has begun on the East End of Long Island and bestselling author Jessica Riley finds herself unable to deliver on her highly anticipated second book. Her children are demanding. Her husband is preoccupied. With a deadline looming, she fakes a mental breakdown to get away . . . only to find that the house next door is filled with rowdy hockey players. One of those players is Carter Hughes, a soon-to-be rookie on the New York Rangers, and in Carter and his friends, Jessica discovers a treasure trove of material for her next book. But she quickly finds herself in over her head, as her connection with Carter spirals out of control and his behavior becomes more erratic. Meanwhile, as Carter mixes with the power scene in the Hamptons, one false move could turn what was supposed to be a summer of training and good times into a game he can't afford to play. Sexy and addictive, *Summer Skate* is the sun on your skin in a string bikini. It's the sound of skates cutting across the ice of a hockey rink, chasing victory. It's an answer to the question: How bad do you want it?

Television and Serial Adaptation Shannon Wells-Lassagne, 2017-01-20 As American television continues to garner considerable esteem, rivalling the seventh art in its cinematic aesthetics and the complexity of its narratives, one aspect of its development has been relatively unexamined. While film has long acknowledged its tendency to adapt, an ability that contributed to its status as narrative art (capable of translating canonical texts onto the screen), television adaptations have seemingly been relegated to the miniseries or classic serial. From remakes and reboots to transmedia storytelling, loose adaptations or adaptations which last but a single episode, the recycling of pre-existing narrative is a practice that is just as common in television as in film, and this text seeks to rectify that oversight, examining series from *M*A*S*H* to *Game of Thrones*, *Pride and Prejudice* to *Castle*.

Inventing Memory Erica Jong, 2007-08-02 First published in 1997, *Inventing Memory* is about four generations of remarkable women from a Jewish-American family-their triumphs, tragedies, scandals, and love affairs-as related by Sara Solomon, the youngest of these women. While trying to chronicle their history, the story becomes essentially hers, as she comes to understand the nature of memory, the way all of us both invent and assimilate our ancestors. In learning about the women in her family, Sara discovers how to create her own future.

The New York Times Book Review ,1988

On the Tobacco Coast Christopher Tilghman,2024-04-16 The culmination of Christopher Tilghman's great Chesapeake saga, a story spanning four centuries of an American family. It is the Fourth of July 2019, and the Mason family is gathering at their historic Chesapeake farm, Mason's Retreat. It isn't everyone's favorite party, but Harry Mason has once again goaded his wife, Kate, and their children into hosting a celebratory dinner. Their oldest, Rosalie, is having trouble with her marriage; the youngest, Ethan, is in the throes of a fitful first relationship. In between, Eleanor despairs over her stalled novel, a fictionalized memoir of the wife of the first Mason settler, who landed there in 1659. Kate, recovering from a second round of chemotherapy, is at the center of this ritual of remembrance. Tart and candid, she asks her husband, "What crime against humanity did your family not commit on that land?" And so it is more or less inevitable that when the clan, joined by a cast of neighbors and French cousins, sits down for dinner, the question of how they should think and feel about their past comes to the fore. Told with irony and deep insight, *On the Tobacco Coast* is Christopher Tilghman's concluding meditation on the themes of his novels about this ancestral monument: pride and shame in its long history, the persistence of family stories, race and privilege, the enigmas and customs of regions. It reflects on the state of America today, with its battles over its own history and efforts to reckon with the wrongs of the past while looking forward to an uncertain, more just future.

Steven Spielberg Molly Haskell,2017-01-03 A film-centric portrait of the extraordinarily gifted movie director whose decades-long influence on American popular culture is unprecedented Everything about me is in my films, Steven Spielberg has said. Taking this as a key to understanding the hugely successful moviemaker, Molly Haskell explores the full range of Spielberg's works for the light they shine upon the man himself. Through such powerhouse hits as *Close Encounters of the Third Kind*, *E.T.*, *Jurassic Park*, and *Indiana Jones*, to lesser-known masterworks like *A.I.* and *Empire of the Sun*, to the haunting *Schindler's List*, Haskell shows how Spielberg's uniquely evocative filmmaking and story-telling reveal the many ways in which his life, work, and times are entwined. Organizing chapters around specific films, the distinguished critic discusses how Spielberg's childhood in non-Jewish suburbs, his parents' traumatic divorce, his return to Judaism upon his son's birth, and other events echo in his work. She offers a brilliant portrait of the extraordinary director a fearful boy living through his imagination who grew into a man whose openness, generosity of spirit, and creativity have enchanted audiences for more than 40 years.

Tides of the Heart Jean Stone,2011-02-16 Some promises can never be forgotten.... The author of the bestselling *Birthday Girls* and *Places by the Sea*, Jean Stone is a gifted storyteller in the tradition of Barbara Delinsky. In this deeply enthralling novel of friendship and family, a woman must face the secrets of the past before she can confront the future.... I am your baby--the one you gave up. Isn't it time we met? The unsigned letter, postmarked Martha's Vineyard, arrives like a thunderbolt out of the blue, instantly sweeping Jessica Bates back thirty years. It was 1968 when young Jess went to

Larchwood Hall, a home for unwed mothers, and gave up her beautiful baby girl for adoption. Jess's past still haunts her--especially since she learned that her daughter died in a tragic childhood accident. But now the letter has raised the fragile hope that there was a terrible mix-up, that Jess's daughter is still alive somewhere. Hoping for answers, Jess makes a determined pilgrimage out to the Vineyard, out to those who know the truth about what really happened to her daughter. There, surrounded by sand and sea and memories of lost love, she must make a choice that will change the course of her life forever....

Summer Fridays Suzanne Rindell, 2024-05-28 You've Got Mail for a new generation, set in the days of AOL and instant messenger banter, about a freshly engaged editorial assistant who winds up spending her summer Fridays with the person she least expects Summer 1999: Twentysomething Sawyer is striving to make it in New York. Between her assistant job in publishing, her secret dreams of becoming a writer, and her upcoming wedding to her college boyfriend, her life is plate full. Only one problem: She is facing an incredibly lonely summer as her fiancé has been spending longer and longer hours at work . . . with an all-too-close female colleague, Kendra. When Kendra's boyfriend, Nick, invites Sawyer to meet up and compare notes about their suspicions, the meeting goes awry. She finds Nick cocky and cynical, and he finds her stuck in her own head. But then Nick seeks out Sawyer online to apologize, and a friendship develops. Soon, Sawyer's lonely summer takes an unexpected turn. She and Nick begin an unofficial ritual—exploring New York City together every summer Friday. From hot dogs on the Staten Island Ferry and Sea Breezes in a muggy East Village bar to swimming at Coney Island, Sawyer feels seen by Nick in a way that surprises her. He pushes her to be braver. To ask for what she wants. Meanwhile, Sawyer draws Nick out of his hard shell, revealing a surprisingly vulnerable side. They both begin living for their Friday afternoons together. But what happens when the summer is over? Summer Fridays is a witty and emotional love letter to New York City that also captures the feeling of being young and starting out, uncertain what to do on your summer Friday. It's also perfect for readers who remember when “going online” meant tying up the phone line, and the timeless thrill of seeing a certain someone's name in your inbox.

The Snowbirds Christina Clancy, 2025-02-04 INSTANT NATIONAL BESTSELLER! | A riveting exploration of midlife yearning. —People The Last Thing He Told Me meets Fleishman Is in Trouble in this page-turning story of a couple who flee winter in the Midwest for Palm Springs, where they find their relationship at a crossroads. Kim and Grant are at a turning point. A couple for thirty years, their separate but together partnership is running up against the realities of late middle age: Grant's mother has died, the college where he taught philosophy was shuttered, and their twin girls are grown and gone. Escaping the bitter cold of a Midwestern winter for the hot desert sun of Palm Springs seems as good a solution as any to the more intractable problems they face. When they arrive at Le Desert, a quirky condo community where everyone knows everyone's business, Kim immediately embraces the opportunity to make new friends and explore a more adventurous side of

her personality. Meanwhile, Grant struggles to find his footing in this unfamiliar landscape, leaving Kim to wonder if their relationship can survive the snowbird season. But when Grant goes missing on a hike in the Palm Springs mountains, Kim is forced to consider two terrifying outcomes: either Grant is truly lost, or this time, he's really left her. Is it ever too late to become the person we wanted to be—and is there still time to change into someone better? The exhilarating, but often confusing transitions of midlife are pitched against the promise and glamour of Palm Springs in this tender, honest story of what it takes to commit to someone for a lifetime. With compassion and humor, Clancy explores the redemptive power of finding ourselves, and of being found.

Meant to Be Emily Giffin, 2022-05-31 NEW YORK TIMES BESTSELLER • He's American royalty. She comes from a troubled past. Is their love story meant to be? This "lively page-turner" (The New York Times) offers a nostalgic, hopelessly romantic escape—from the author of *Something Borrowed* and *The Lies That Bind*. "I'm a sucker for an iconic, against-all-odds love story, and *Meant to Be* truly delivers."—Tia Williams, author of *Seven Days in June* "A chic, history-inspired summer read [that] strikes a careful balance between simply retelling the true story of JFK Jr. and his wife, Carolyn Bessette, and crafting an entirely new one."—Bookreporter The Kingsley family is American royalty, beloved for their military heroics, political service, and unmatched elegance. In 1967, after Joseph S. Kingsley, Jr. is killed in a tragic accident, his charismatic son inherits the weight of that legacy. But Joe III is a free spirit—and a little bit reckless. Despite his best intentions, he has trouble meeting the expectations of a nation, as well as those of his exacting mother, Dottie. Meanwhile, no one ever expected anything of Cate Cooper. She, too, grew up fatherless—and after her mother marries an abusive man, she is forced to fend for herself. After being discovered by a model scout at age sixteen, Cate decides that her looks may be her only ticket out of the cycle of disappointment that her mother has always inhabited. Before too long, Cate's face is in magazines and on billboards. Yet she feels like a fraud, faking it in a world to which she's never truly belonged. When Joe and Cate unexpectedly cross paths one afternoon, their connection is instant and intense. But can their relationship survive the glare of the spotlight and the so-called Kingsley curse? In a beautifully written novel that captures a gilded moment in American history, Emily Giffin tells the story of two people searching for belonging and identity, as well as the answer to the question: Are certain love stories meant to be?

The Spectator, 1903 A weekly review of politics, literature, theology, and art.
