House of Shadows Darcy Coates,2015-10-15 Sophie's world is shattered when disaster bankrupts her family. She's still reeling when she's offered an unexpected solution: Mr. Argenton, a wealthy stranger, has asked for her hand in marriage. Marrying Mr. Argenton will save her family, but it condemns Sophie to a life in Northwood, a vast and unnaturally dark mansion situated hours from civilization. Still, she has no choice but accept the offer and hope the darkness won't swallow her whole. It's a struggle to adjust to her new position as mistress over the desolate house. Mr. Argenton's relatives are cold, and Mr. Argenton himself is keeping secrets. Even worse, the house is more than it seems. Doors slam. Inhuman figures slink through the surrounding forest. A piano plays itself in the middle of the night. Blood drips a macabre warning down the walls. Day by day, Sophie is inevitably pulled towards the terrifying truth at the heart of this gothic mystery: Northwood's ancient halls are haunted, and the man she married—the man she's coming to love—is hiding an unforgiveable truth about his ancestral home...and the spirits that now haunt them both.

House of Secrets Darcy Coates,2016-05-12 Sophie and Joseph Argenton have survived the impossible... for now. But their escape from Northwood is short-lived. The sinister shadow that haunted their ancestral home survived, and has attached itself to Joseph's young cousin. Desperate, they travel to meet her father at Kensington, a long-abandoned mansion overlooking a dead town. The house offers a small hope: its original owner had dedicated her life to researching the monster that now possesses Elise. There's a chance that here they will find a way to kill the creature without harming the girl. But Kensington has its own dangers, and once it has Sophie and Joseph within its grasp, it may never let them leave. Trapped inside the ancient building's collapsing walls, Sophie and Joseph are forced to confront the horrors that hide within. Shrouded figures stalk them from the shadows. Whispers echo through the night. Unmarked graves dot the property. And the dead are not as restful as they seem...

The Haunting of Gillespie House Darcy Coates,2015-08-15 Elle is thrilled to spend a month minding the beautiful Gillespie property. Over an hour's drive from the nearest town, the aging mansion is ideal for someone seeking solitude. But as she explores her new home, Elle makes a startling discovery: there's a graveyard nestled deep in the woods, containing a generation of the house's residents...all who died the same year. Then things start to go very wrong, very quickly. There are skittering noises inside the walls...slamming doors...whispers in the night...a locked room...and a horrifying mystery that

wants to be solved. As she investigates further, Elle begins to unravel the property's dark and dangerous history. At its center is Jonathan Gillespie, a tyrannical cult leader and the house's original owner. And as Elle soon learns... Just because he's dead, doesn't mean he's gone.

The Vengeful Dead Darcy Coates, 2025-02-18 How far will she go to save the damned? Keira is caught in a deadly battle. Her ability to help ghosts move on from the mortal world has made her a threat to Artec, a powerful corporation intent on trapping the tortured dead for profit. They've been tracking her for years and now, finally, there's nowhere left for her to run. Artec fears Keira and everything she's capable of. They will stop at nothing to eliminate her—including sending armed men after everyone she holds dear. Desperate and quickly running out of time, Keira races to hone her abilities as she searches for a way to destroy the twisted organization for good. But at least now she's no longer alone. Her friends have offered to follow wherever she leads, even if that means a direct strike deep into the heart of Artec's central base...and to the certain death waiting for them there.

The Haunting of Ashburn House Darcy Coates, 2016-07-20 Everyone knows about Ashburn House. They whisper its old owner went mad, and restless ghosts still walk the halls. They say it's the dwelling place of something cruel and sinister. But when Adrienne—desperate and in need of a place to stay—inherits the crumbling old mansion, she only sees it as a lifeline... until darkness falls. Strange messages are etched into the walls. Furniture moves when she leaves the room. There's something here—something powerful, angry, and hell-bent on shaking things up. Worse, a grave hidden in the depths of the forest hints at a terrible, unforgivable secret. Eventually Adrienne can't ignore that a twisted thing lives in the house, its hungry eyes ever-watchful. Chasing the threads of a decades-old mystery, it isn't long before she realizes she's become prey to something deeply unnatural and intensely resentful. She has no idea how to escape. She has no idea how to survive. Only one thing is certain: Ashburn's dead are not at rest.

The Haunting of Blackwood House Darcy Coates, 2015-12-20 As the daughter of spiritualists, Mara's childhood was filled with séances and scam mediums. Now she's ready to start over with her fiancé, Neil, far away from the superstitions she's learned to loathe...but her past isn't willing to let her go so easily. And neither is Blackwood House. When Mara and Neil purchased the derelict property, they were warned that ever since the murder of its original owner, things have changed. Strange shadows stalk the halls. Doors creak open by themselves. Voices whisper in the night. And watchful eyes follow her every move. But Mara's convinced she can't possibly be in danger. She doesn't believe in ghost stories, and she didn't buy a haunted house—it's just not possible. Because ghosts aren't real... are they?

The Haunting of Rookward House Darcy Coates, 2017-09-22 When Guy finds the deed to a house in his mother's attic, it seems like an incredible stroke of luck. Sure, it hasn't been inhabited in years and vines strangle the age-stained walls, but Guy's convinced he can clean the building up and sell it. He'd be crazy to turn down free money. Right? Rookward House may

be hours away from its nearest neighbor, but he can't escape the feeling that he's being watched. Still, he doesn't believe in ghost stories and decides to camp in the crumbling old mansion while he does repairs. Surely nothing too bad can happen in the space of a week. But there's a reason no one lives in the haunting house, with its twisting shadows and whispering walls. The dilapidated rooms aren't as empty as they seem. Forty years ago, a deranged woman tormented the family that made Rookward its home. Now her ghost clings to the building like rot. She's bitter, obsessive, and fiercely jealous... and once Guy has moved into her house, she has no intention of letting him go.

The Folcroft Ghosts Darcy Coates,

The House Next Door Darcy Coates, 2017-03-15 Josephine began to suspect something was wrong with the crumbling gothic monstrosity next door when its family fled in the middle of the night, the children screaming, the mother crying. They never came back. No family stays at Marwick House for long. No life lingers beyond its blackened windows. No voices drift from its ancient halls. Once, Josephine swore she saw a woman's silhouette pacing through the upstairs room... but that's impossible. No one had been there in a long, long time. But now someone new has moved next door, and Marwick House is slowly waking up. Torn between staying away and warning the new tenant, Josephine only knows that if she isn't careful, she may be its next victim...

Their family thrives. People whisper that the curse has awakened once more. The sprawling old house has long been perched on top of a hill overlooking the nearby town, jealously guarding the estate's secrets. It's been more than a decade since Margot Hull last saw her childhood home. She was young

enough when she was sent away that she barely remembers its dark passageways and secret corners. But now she's returned to bury her parents and reconnect with the winery that is her family's legacy—and the bloody truth of exactly what lies buried beneath the crumbling estate. Alone in the sprawling, dilapidated building, Margot is forced to come face to face with the horrors of the past—and realize that she may be the next victim of a house that never rests...

Craven Manor Darcy Coates,2017-12-11 Daniel is desperate for a fresh start. So when a mysterious figure slides a note under his door offering the position of groundskeeper at an ancient estate, he leaps at the chance, even though it seems too good to be true. Alarm bells start ringing when he arrives at Craven Manor. The abandoned mansion is straight out of those old gothic mysteries: the front door hangs open, and leaves and cobwebs coat the marble foyer. It's clear no one has lived here in a long time... but he has nowhere else to go. Against his better judgment, he moves into the groundskeeper's cottage tucked away behind the old family crypt. But when a candle flickers to life in the abandoned tower window, Daniel realizes he isn't alone after all. The Haunting of Leigh Harker Darcy Coates,2021-09-07 Leigh Harker's quiet suburban home was her sanctuary for more than a decade, until things abruptly changed. Curtains open by themselves. Radios turn off and on. And a dark figure looms in the shadows of her bedroom door at night, watching her, waiting for her to finally let down her guard enough to fall asleep. Pushed to her limits but unwilling to abandon her home, Leigh struggles to find answers. But each step forces her towards something more terrifying than she ever imagined. A poisonous shadow seeps from the locked door beneath the stairs. The handle rattles through the night and fingernails scratch at the wood. Her home harbours dangerous secrets, and now that Leigh is trapped within its walls, she fears she may never escape.

The Carrow Haunt Darcy Coates,2020-03-03 Remy is a tour guide for the notoriously haunted Carrow House. The old place is a haunt for the superstitious, but Remy hasn't seen any proof of the paranormal yet. So when she's asked to host guests for a week-long stay in order to research Carrow's phenomena, she hopes to finally experience some of the sightings that made the house famous. At first, it's everything they hoped for. Then a storm moves in, cutting off their contact with the outside world, and things quickly take a sinister turn. Doors open on their own. Séances go disastrously wrong. Their spirit medium wanders through the house at night, seemingly in a trance. But it isn't until one of the guests dies under strange circumstances that Remy is forced to consider the possibility that the ghost of the house's original owner—a twisted serial killer—still walks the halls. And by then it's too late to escape...

Quarter to Midnight Darcy Coates,

Secrets in the Dark Darcy Coates, 2020-04-07 Nowhere is safe. Clare and Dorran scramble to secure their temporary sanctuary from the hungry things outside. The hollow ones, ravenous beings unaffected by the violent winter storms, patiently lie in wait. It's not a matter of if Clare and Dorran are attacked, but when. And Clare knows she'll have to venture out into the night soon... Somewhere far away, Clare's sister Beth is trapped, with only hours to live. Hundreds of miles separate the sisters and the land between them is infested with monstrosities. There's a bitter deadline to this rescue mission, but Clare won't lose Beth without a fight. She knows she can't survive the trip by herself. But even with Dorran at her side, can she truly hope to face the ruthless predators and make it to her desperate sister before it's too late? They all may be lost to the dark winter.

Whispers in the Mist Darcy Coates, 2020-07-07 The mist is full of evil things—dark, twisted beings that think only of their own hunger—but Clare has clawed her way through. She and Dorran are alive against all odds, though relief is only temporary. Dorran is sick, and declining fast. The only way to save him lies in the mysterious Evandale Research Station, supposedly one of the few remaining places safe from the predators that lurk in the shadows. But the station is a three days' journey away, and it's unlikely their small group can endure that long out in the dark. Because the danger they're facing comes not only from the ravenous hollow ones... but from each other. This terrible new world has left scars, and the people left behind in it are nearly unrecognizable. As Clare fights to protect her ragtag family, she begins to realize a horrible truth: not everyone can be saved. And sometimes the worst monsters wear a human smile.

Voices in the Snow Darcy Coates, 2020-01-07 Clare remembers the cold. She remembers abandoned cars and children's toys littered across the road. She remembers dark shapes in the snow and a terror she can't explain. And then... nothing. When she wakes, aching and afraid in a stranger's gothic home, he tells her she was in an accident, a crash in the snow. He claims he saved her. Clare wants to leave, but a vicious snowstorm has blanketed the world in white, trapping them together, and there's nothing she can do but wait. At least the stranger seems kind... but Clare doesn't know if she can trust him. He promised they were alone here, but she sees and hears things that convince her something else is creeping about the surrounding woods, watching. Waiting. Between the claustrophobic storm and the inescapable sense of being hunted, Clare

is on edge... and increasingly certain of one thing: Her car crash wasn't an accident. Something is waiting for her to step outside the fragile safety of the house... something monstrous, something unfeeling. Something desperately hungry.
