

Santuario Di Nostra Signora Di Montenero

Piero Pasini, Denis Falconieri

Istoria della miracolosa immagine di Nostra Signora di Montenero descritta sopra le più sincere notizie per cura di Don Giorgio Oberhausen, prete della Congregazione de' Chierici Regolari Giorgio Oberhausen, 1865

Istoria della miracolosa immagine di Nostra Signora di Montenero Giorgio Oberhausen (C.R.), 1745

Istoria della miracolosa immagine di Nostra Signora di Montenero dsscritta sopra le più sincere notizie esattamente e sinceramente raccolte da G. Oberhausen Giorgio OBERHAUSEN, 1745

Italy - Liguria Rosie Whitehouse, 2024-07-19 This new, thoroughly updated fourth edition of Bradt's award-winning guide to Liguria is the essential companion to getting the most out of a visit to this beguiling Italian region. Author Rosie Whitehouse has spent over thirty years exploring Liguria. In her wide-ranging guide, she introduces you to not just the glitz of the Riviera but also to the charm of the little-known, wild hinterland and mountain valleys, including in-depth coverage of local gastronomic delights - a key element of any Ligurian visit. Liguria is a rugged region of dizzy passes and breathtaking views, where mountains plunge into the sparkling blue waters of the Mediterranean. The coastal strip includes the world-famous Italian Riviera, the great port city of Genoa, the resort of Portofino, the charming Cinque Terre, and more Blue Flag beaches than any other Italian region. In the hinterland there are many beautiful villages and mountain walks that have yet to be discovered by tourists - perfect for adventurous travellers who want a taste of the real Italy. This fourth edition covers new, high-class hotels and Michelin-starred restaurants that reflect Liguria's rising status as a luxury destination - but, blessedly, one that doesn't always come with an expensive price tag. Also new in this edition is up-to-date advice on car parking (which can be tricky in parts of Liguria) and information on Genoa's new Museum of Emigration. With its mild climate, Liguria is a fabulous year-round destination with a strong regional identity of its own. Whether you're a gourmet traveller in search of pesto, trofie and freshly baked focaccia, a history buff on the hunt for Roman remains, a culture addict dazzled by Genoa's glittering palazzi and top-class museums, a hiker seeking a mountain escape, or a family heading for a well-earned beach-based break, Bradt's Liguria is the ideal guide for travellers of all ages and all budgets.

Spectacular Miracles Jane Garnett, Gervase Rosser, 2013-06-15 Winner of the ACE / Mercers' Book Award 2014

Spectacular Miracles confronts an enduring Western belief in the supernatural power of images: that a statue or painting of the Madonna can fly through the air, speak, weep, or produce miraculous cures. Although contrary to widely held

assumptions, the cults of particular paintings and statues held to be miraculous have persisted beyond the middle ages into the present, even in a modern European city such as Genoa, the primary focus of this book. Drawing upon rich documentation from northwest Italy and elsewhere, *Spectacular Miracles* shows how these images “work” in a range of historical contexts. Jane Garnett and Gervase Rosser vividly evoke ritual animation of the image and the phenomenology of the beholder’s experience. These images, they demonstrate, have the subversive potential of the miraculous image to bypass clerical and secular authority, a power enhanced by reproducibility—devotion is hard to control when a copy of a venerated image is held to carry the same supernatural potential as the original, even when in a digital form mediated by the Internet. Engaging with the history, anthropology, and visual culture of images and religion, *Spectacular Miracles* is a convincing study of the continuing power of faith and art.

Christian Pilgrimage in Modern Western Europe Mary Lee Nolan, Sidney Nolan, 2018-06-15 Christian Pilgrimage in Modern Western Europe is a commanding exploration of the importance of religious shrines in modern Roman Catholicism. By analyzing more than 6,000 active shrines and contemporary patterns of pilgrimage to them, the authors establish the cultural significance of a religious tradition that today touches the lives of millions of people. Roman Catholic pilgrimage sites in Western Europe range from obscure chapels and holy wells that draw visitors only from their immediate vicinity to the world-famous, often-thronged shrines at Rome, Lourdes, and Fatima. These shrines generate at least 70 million religiously motivated visits each year, with total annual visitation exceeding 100 million. Substantial numbers of pilgrims at major shrines come from the Americas and other areas outside Western Europe. Mary Lee Nolan and Sidney Nolan describe and interpret the dimensions of Western European pilgrimage in time and space, a cultural-geographic approach that reveals regional variations in types of shrines and pilgrimages in the sixteen countries of Western Europe. They examine numerous legends and historical accounts associated with cult images and shrines, showing how these reflect ideas about humanity, divinity, and environment. The Nolans demonstrate that the dynamic fluctuations in Christian pilgrimage activities over the past 2,000 years reflect socioeconomic changes and technological transformations as well as shifting intellectual orientations. Increases and decreases in the number of shrines established coincide with major turning points in European history, for pilgrimage, no less than wars, revolutions, and the advent of urban-industrial society, is an integral part of that history. Pilgrimage traditions have been influenced by -- and have influenced -- science, literature, philosophy, and the arts. *Christian Pilgrimage in Modern Western Europe* is based on ten years of research. The Nolans collected information on 6,150 shrines from published material, correspondence with bishops and shrine administrators, and interviews. They visited 852 Western European shrines in person. Their book will be of interest to many general readers and of special value to historians, cultural geographers, students of comparative religion, anthropologists, social psychologists, and shrine administrators.

Cinque Terre Pocket Piero Pasini, Denis Falconieri, 2024-05-24T00:00:00+02:00 Una terra promessa fatta di pittoreschi

borghi sul mare e silenziosi sentieri, di albe e tramonti struggenti. Dritti al cuore delle Cinque Terre: le esperienze da non perdere, alla scoperta dei borghi, itinerari a piedi e giorno per giorno, il meglio di ogni zona, ristoranti, shopping, locali e architettura.
