The Light of the Self Kenneth Rose Ph. D., 2019-01-21 The Bhagavad Gita or the Bible? Krishna or Jesus? One way or many ways? These questions led Kenneth Rose on a journey of spiritual discovery to the Hare Krishna movement, a fundamentalist Bible college, a Trappist monastery, Harvard's Center for the Study of World Religions, and India, where he had an audience with the Dalai Lama, a personal encounter with Papaji, and encountered the living presence of Sri Ramana Maharshi in his ashram in the shadow of the sacred mountain known as Arunachala. At each stop on this journey, he gained new insights into the spiritual life, but the radical differences between these spiritual traditions raised the question of which--if any--of these paths is ultimate. This question has never been more relevant than now because yogis and meditators often encounter evangelical and nondenominational Christians who claim to have the only true spirituality. Because some Christians feel uneasy or disloyal to Jesus and God when they practice yoga and meditation, they may stop practicing while others try to Christianize these practices. Still others blend traditions but feel uncertain about whether they really fit together. As a spiritual practitioner who has moved between the usually separate worlds of evangelical Christianity and Hindu and Buddhist spiritualities, Kenneth Rose tells in *The Light of the Self: A Memoir of a Spiritual Awakening* how the wisdom of teachers as diverse as Thomas Merton, Alan Watts, the Buddha, Joseph Campbell, Meister Eckhart, Dionysius the Areopagite, John of the Cross, Sri Ramana Maharshi, Patanjali, D. T. Suzuki, Osho, and Gopi Krishna pointed out the steps that led him from exclusivistic religion to the practice of nondual teachings in Hinduism, Buddhism, and mystical Christianity. In a book that is both a compelling spiritual memoir playing out on three continents and a skillful guide to mind-altering mystical teachings in Hinduism, Buddhism, and mystical Christianity, Kenneth Rose traces his personal spiritual pilgrimage and shares the teachings that transformed his life--and that can transform yours as well. Kenneth Rose, Ph.D., has been a professor of philosophy and religion for nearly three decades. His degrees include an M.Div. from Harvard Divinity School and an M.A. and Ph.D. in the Study of Religion from Harvard University. His books include *Yoga, Meditation, and Mysticism: Contemplative Universals* (Bloomsbury Academic) and *Meditative Landmarks and Pluralism: The Future of Religion* (Bloomsbury Academic). <https://anahatarose.com/kenrose108@gmail.comamazon.com/author/kennethrose>

The Unbound Soul Richard L Haight, 2019-02-18 This is a must-read for anyone searching to explore spirituality, purpose, and unbound freedom.—Greg Giesen, Award-winning author of *Monday at 3* and *Creating Authenticity* Best seller in multiple spirituality, meditation, self-help categories, this fresh, highly acclaimed spiritual guide tells of one man's struggle to free his soul while guiding the reader to their own inner freedom. I can't remember a more transformative book. The *Unbound Soul* is a memoir that tells the true story of a young boy, who in the midst of a vision, dedicates his life to spiritual awakening. As he matures, this promise leads him across the globe, gathering ancient knowledge and mastering martial, healing, and meditation arts. Along the way, subsequent visions reveal the rapidly approaching collapse that will shake our societies, our economic system, and the earth's ecology to the very core. Tormented by visions of coming worldwide calamity, Haight presses ever onward in his search and eventually realizes the elusive truth hinted at in his childhood vision. But *The Unbound Soul* is so much more than a memoir. It is a powerful guide that reveals the profoundly simple yet elusive truth that illuminates your life and provides a set of powerful awareness tools to assist you on your personal path. The *Unbound Soul* is really about you and your path toward practical realization in everyday life. Through this work, among other things, you will: - Receive new tools of awakening that blend seamlessly into your daily life. — This book is worth getting just for this, but it's a whole lot more.- Learn how the senses, thought, emotion, and memory have imprisoned you, and discover the key to unlocking that prison. — ...one of the most profound books I've read in the search for answers to Love, Life, and Living - Discover the nature of the mind, consciousness, the spirit and the soul, and how they interweave to limit or unleash the possibilities of your daily experience. — You will look at the world a little bit differently after reading it.- Turn your daily life into a vibrant journey of awakening. — No gimmicks. No special pictures or runes. JUST YOU. Any reader who likes to contemplate and seek the ultimate truth will not turn away from this book once he or she picks it up This book, in my humble opinion, is the best literary tool for all human souls seeking their inner path to 'Spiritual Unfoldment.' If you feel any drawing to read this book, know that it has the potential to transform your life. Read *The Unbound Soul* to begin unbinding your inner-being today.

Journey Into Now: Clear Guidance on the Path of Spiritual Awakening Leonard Jacobson, 2010-09

Foundations of a Global Spiritual Awakening Edgar John Burns, 2003-06-27 Blood. Thick, red, still. I shivered in spite

of the comfortable temperature in the room. Staring fixedly at the ooze, I watched the edges curl inward as if it were trying to remove itself from the white linoleum, embarrassed by its own unseemly appearance. Except for the blood, all was normal in the primate biology lab of Loma University. Situated in upscale San Larimor, the campus's property nestles in the rolling hills just northwest of Los Angeles renowned for stately Mediterranean style mansions and frequent celebrity sightings. San Larimor Police Detective, Cate Blaine becomes embroiled in a puzzle of blood, a missing security guard and a deadly chase against time. While searching for the answers to the case, Cate is searching for clues to solving her own inner battle dealing with the senseless loss of her son and husband. As she moves between the real world of crime and the inner chaos of her emotions, she is in jeopardy of loosing her job and her sanity. Thrown into an unwelcome partnership with LU's Private Security chief, Sloane Stevens, Cate fights the impulse to keep case details from the blue-eyed, ex-cop, when . . . The flashlight reflecting off the industrial plastic, made Stan's face and body just visible. Blank eyes stared back at us, a silent scream contorting his features. Sloane's involvement proves almost too much, as Cate races against time . . . murders and the possibility of her safety.

The Leap Steve Taylor, 2017-03-07 It is comonly thought that enlightenment is unattainable for ordinary people living in modern Western society and is reserved for monks or gurus leading a spiritually dedicated life in remote locations. After researching mystical experiences and interviewing people who claim to have had them, psychologist Steve Taylor found that normal modern-day people from different faiths and walks of life have also reached modes of higher consciousness. In fact, these experiences are more common than we realize. Drawing on his knowledge of different religious traditions, Taylor set out to find the common features of these awakened states and how the rest of us might also achieve wakefulness. In this book, Taylor uncovers: • The different types of wakefulness: natural, gradual and sudden • The difference between fraudulent spiritual teachers and the genuinely awakened • The sometimes disorienting effects of spiritual awakenings on those who undergo them • How different theories of consciousness explain (or try to debunk) mystical experiences Above all, Taylor reminds us that we don't have to join an ashram in a distant country to attain enlightenment, but that we can find it where we are right now.

The Power of Now Eckhart Tolle, 1997-01-01 To make the journey into The Power of Now we will need to leave our analytical mind and its false created self, the ego, behind. From the beginning of the first chapter we move rapidly into a significantly higher altitude where one breathes a lighter air, the air of the spiritual. Although the journey is challenging, Eckhart Tolle offers simple language and a question and answer format to guide us. The words themselves are the signposts. The book is a guide to spiritual awakening from a man who has emerged as one of this generation's clearest, most inspiring teachers. Eckhart Tolle is not aligned with any particular religion but does what all the great masters have done: shows that the way, the truth, and the light already exist within each of us.

The reality is most of us have faced challenges, obstacles, feelings of abandonment, guilt, shame, resentment, anger, and feelings of not being enough. Know that pain is inevitable but suffering through life is optional. We hope these stories will free your heart, mind, body and soul. The brave men and women (guest authors) who have chosen to share their life experiences have stepped forward to liberate those that suffer in silence. We have been taught pain is bad, but the truth is God, and the universe, is giving you this pain for you to grow stronger. We suggest that you not ask God for life to become easier, instead ask God and the universe for you to get stronger. Featuring our guest authors and contributors: 1: Resilience Roberto Guzman 2: My American Dream Dave Pena 3: Inner Knowing Kristyna Wavrova 4: It Is What It Is Robert Aguilar 5: Rising To Elevate Paul Fisher 6: Being In His Presence Jorge Pantaleon 7: Remove Restore Revitalize Maureen Joy 8: When Everything Crashes Gerardo Tafolla 9: Cemetery of Dreams Miguel Sanchez 10: Evolve Into The Man John McNamara 11: Connecting The Dots Joe Schirmer Our intention is that the stories that have been shared with you in this book, bring you comfort and help you to realize, you are not alone. As you become more and more awakened, living more of your truth each and every day, know that your story matters. You have a gift to share with the world. You were chosen at birth out of the 97 million others. Know that when you share your story, not only are you going to be liberated, you're going to give others the permission to let go and be liberated. For me that is the ultimate gift in life. Lastly, our final intention for you is to take away at least one lesson from the stories you have just read and share that lesson with one person. Thank you! And when it's all said and done, together we will Rise as One. We love, honor and appreciate you for investing your time reading this empowering book! We invite you to visit us at www.riseasonebooks.com to look at our other books and to inquire about sharing your story, in one of our upcoming books. Tell your story and liberate your soul!

Wake Up Now Stephan Bodian, 2010-04-24 Live a life of peace, love, and happiness through spiritual awakening In Wake Up Now, author Stephan Bodian--nationally recognized expert on meditation and spirituality and former editor-in-chief of Yoga Journal--reveals that spiritual awakening is not some faraway dream, or overly complicated to achieve, but an ever-present reality that is always available here and now. Based on his own experience and over 30 years of teaching the direct

approach to spiritual awakening, Bodian has broken down the awakening process into five overlapping, loosely sequential stages: seeking, awakening, deepening and clarifying, embodying, and living the awakened life. Wake Up Now guides you through every stage of the journey, from the process of seeking through the often prolonged and challenging process of integrating the awakening into everyday life. This book is one of the most concise guides to spiritual awakening I have read. Both profound and practical, it guides the reader through the intricacies of awakening as only someone who has walked the walk themselves can do. The clarity and compassion this book offers the sincere spiritual seeker is both rare and welcome. --
Adyashanti, renowned spiritual teacher and author of *The Impact of Awakening* and *Emptiness Dancing*
Topics include: Entering the Gateless Gate; Seeking without a Seeker; Freedom from the Known; The Practice of Presence; Who is Experiencing this Moment Right now; Spontaneous Awakening; In the Wake of Awakening; Embodying the Light; Freeing the Dark Inside the Light; The Awakened Life

Spiritual Awakening (The Easy Way) Tim van der Vliet, 2013-09-02 In *Spiritual Awakening: the easy way*, Tim van der Vliet demonstrates through five simple steps that we don't need to read libraries full of hefty tomes to become enlightened, or to wake up. Tim has the ability to get to the core of what's important, keep it simple and be funny when you least expect it; his words will inspire you and make you laugh at the same time. You can read them over and over again and find new perspectives through their transformative nature... or maybe because the words have changed you.

We will also discuss how your entire life changes during the process.

A Call to Spiritual Awakening Uchenna Mezue, 2017-01-31 To understand ourselves, and fulfill our roles on earth we need to look into the records of time for our origin and purpose. Not in history books but in life itself! Each individual human spirit carries within its personality, as a totality of its identity, all the experiences and the level of maturity it has achieved since its first incarnation in the Worlds of Matter. Although we do not often tap into these for our path in life, it is these unique experiences that make us who we are. The capacity to weigh every experience, written and unwritten exists within us

and we have only ourselves to blame if we fail to recognize the Truth in any given experience. This book discusses the path of development for the human spirit in the Material spheres and draws attention to the paths in the Will of God we must follow if we are to fulfill the purpose of our existence.

End Suffering With the Power of Spiritual Awakening Doug Remington D D, Remington D. D. Doug, 2005-08-29 This book is a free translation of an Eighth Century, Buddhist Classic, the BODDHISATTVA WAY OF LIFE by Santideva. Over the past 1,200 years, this book has probably sold more copies than any other Terevada Buddhist book, except the early Pali Cannons. This UNIVERSAL POWER OF SPIRITUAL AWAKENING is clearly defined by Santideva. It's common to all spirituality and philosophy, so it's not necessary to convert to Buddhism or any other religion. And it will not take you from 3 to five years to get well as your Western Psychologist may contend. You can end suffering now! Oddly the ancient, Greek philosopher, Aristotle wrote ETHICS about 2,500 years ago. Aristotle and Santideva are in perfect agreement: that is, true happiness comes only from Virtue. College professors are still arguing over how this could possibly be true. But with Santideva there's no argument. Suffering is scientifically ended by following the simple practice outlined in the book.
