Caroline Peckham,Susanne Valenti

The Restless Stars Caroline Peckham,Susanne Valenti,2025-06-30 Orphans. Changelings. Princesses. Queens. We are all and nothing now, our fate weighed on the scales of the stars and counterbalanced by the forces that oppose us. The shadow of the false king spreads as thick as oil across the kingdom we were born to rule, and none remain untouched by its darkness. Our crowns lay within reach if only we can claim them. All souls are at risk now and when the final battle dawns, a new regime will rise. The time for the true reckoning is upon us and we have proven ourselves as savage as our father, as brutal as our mother, and as wild as the Elements which roar through our veins. We can only hope it is enough. When the last sword strikes the final death in this game of fate and fortune, only one side will be victorious. The Starfall Legion charges at first light. And our destiny rides upon our shoulders as we rush into the end. All hail the True Queens. May our rule last longer than this night. ***This is a dark fantasy romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride***

Beyond The Veil Caroline Peckham,Susanne Valenti,2025-06-30 The stars called us. The Veil closed at our backs. And now death holds us in its clutches. We were torn from life before our time, a Savage King, his queen, a betrayed son, a wronged brother, a scorned wife and so many more. We watch those we left behind as they struggle against the grip of the stars, the answers to so many of their questions within our grasp and yet out of their reach. But what if we could find a way to answer their pleas? What if we could find a way to help them from this side of the divide? And what price would such a thing come at? ***This is a bridging book which takes place beyond The Veil (in the land of the dead) during the events of book 8 in the Zodiac Academy series. It should be read after book 8 to avoid spoilers for that book and holds the answer to what takes place for the characters who are held within the clutches of death by this point in the story, as well as vital clues to the conclusion of this epic series***

The Sorrow and Starlight Caroline Peckham,Susanne Valenti,2025-06-30 All stars must fall. Bloody, lost, broken. We live to fight another day. But with so much stolen from us, can the fates ever twist in our favour again? My sister and I have been torn apart by shadows and despair, and now we each stand alone. Our sorrow is spun like a web, trapping us tight, and I fear

our enemies will soon come to feast upon our souls. But if I have my way, the merciless sky will have dealt us its final fortune. It's time for us to take back the power that's been ripped from our grasp and turn the tide of this war. All stars must fall, and all Phoenixes must rise. Long live the Savage Queens. ***This is a dark, bully romance – don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride***

The Ruthless Fae Caroline Peckham, Susanne Valenti, 2025-06-28 They tried to break us. They almost did. But we're not going anywhere. The Celestial Heirs think the stars are on their side. But they don't know what's coming. We have to be smart. Fighting them one on one isn't an option so we need to be cunning. Remaining under the radar won't be easy, but if we pull it off, they'll never suspect our involvement when their lives start falling apart. Besides, they've already taken us to the brink of hell, what more can they really do?

The Fated Throne Caroline Peckham, Susanne Valenti, 2025-06-29 Fate has torn us apart. Without my sister, the world seems darker than ever before and the shadows loom thicker, rising up to answer the call of the Shadow Princess and changing the face of Solaria for good. Now Lionel Acrux has the strength to make a move for the throne, I'm not sure how much time we have left to stop him. Our only hope is to find the Imperial Star before he does. We made the sacrifice the stars called for and we're paying the price for that decision so it can't be for nothing. But with the stars turning against us at every move, and the last light in the world seeming to fade, I'm afraid we're almost out of time. Hope is a dangerous thing. It's the key to us fighting on. But it could be what destroys us in the end. One thing is for certain, I won't stop until I have been reunited with my other half and together we will fight to take our crowns. A war is coming. The throne is calling for a new monarch. And someone must answer its call.

Echo Fort Caroline Peckham, Susanne Valenti, 2025-06-17 From the Amazon.com and Wall Street Journal #1 bestselling authors of the Zodiac Academy series Caroline Peckham & Susanne Valenti. The sky is burning. The Reapers are keeping secrets. Vampires roam the wastes. And I'm headed down a path of destruction which can only end in death. I'm a soul cast adrift on a tide of grief and lies. A clock ticking down the moments to my inevitable destruction, and all I can do is race towards it. The nations are caught in this endless battle for supremacy and it's hard to see myself as anything other than a pawn in the twisted games I'm helpless to control. The Waning Lands are screaming, soaked in blood for so long that even the rivers run red with it. But those screams are whispering riddles that only some of us can hear, begging us to see the signs and listen to the meaning beneath the words we chant so obediently. What if there is something more to this war? What if winning isn't what actually matters? What if our magic isn't the thing that truly divides us? My heart is hardened to the

wants of the world and all who occupy it, yet still I hear them call my name. Perhaps it's time I started listening and found out why the stars have set us this fate. Or if not the stars, then who? Something is rotting at the heart of our lands. So now I have a choice to make. Will I seek out the decay and work to destroy it? Or will I join it in its destruction of this world in vengeance for all the suffering it has offered me? I'm starting to want things I shouldn't want. Desire a man I should hate. Care for a warrior I should only wish to harm. The point is, I'm beginning to feel like more than just another pawn in this endless game. But if I want to be the one who rolls the dice then I'm going to have to pay the price of playing for real. I only wanted to claim revenge for what I'd lost. Maybe Destiny isn't done with me yet. ***This is an enemies to lovers romantasy series set in the same world as Zodiac Academy, but it's a dark and villainous tale of its own. You haven't met tainted souls like these before or enemies that hate each other as deeply as these characters do. Book 2 in the series will leave you cursing the stars and perhaps the authors too. You'll be left hoarse from screaming profanities and desperate for more of the morally grey Fae who lurk between the pages despite all they've done to your poor heart...***

Warrior Fae Caroline Peckham,Susanne Valenti,2025-07-01 I've been thrown into the den of a monster. I once thought one of my ruthless boys could be the killer I'm hunting. They're all dark, deadly and more than capable of brutality. But now I'm held by the King I've been stalking in the shadows and when I unmask him, he'll realise he made a huge mistake in taking my brother from this world. My Kings are coming for me, I know that in my soul. They're on their way to rip me from my enemy's arms and tear him apart for me. My heart beats to the sound of their names. But I won't wait around to be rescued. Everything has led me to this moment and I'm ready to destroy the Fae who stole my brother from me. Secrets will be uncovered. Destiny will be decided. Death will deliver us all in the end. No one will escape the conclusion of this story without blood on their hands. I guess it's a good thing I'm a Vampire then, because I just so happen to have a taste for blood.

Broken Fae Caroline Peckham,Susanne Valenti,2025-07-01 The stars have torn us apart. Just as we were finding a way to get past our difficulties, my kings and I have been shattered by a twist of fate. And while we're left reeling from the wheel of destiny, our enemies are only growing more powerful. Felix Oscuro is haunting Alestria with his bloodthirsty need to steal the power of the clan he was never destined to rule over, and the illusive King is growing closer to taking control of the entire city. With challenges around every corner, and the mysteries behind my brother's death slowly starting to unravel, I don't know if I'll be able to overcome the will of the stars before it's too late...

Savage Fae Caroline Peckham,Susanne Valenti,2025-07-01 There's more to my brother's murder than I realised...Shadows in the halls, mysteries lurking around every corner. Whoever killed him is covering their tracks well. And now I'm walking a dangerous line between getting close to the four kings for information and wanting to crawl deeper under their skin for my own desires. I can't trust anyone. I can't let my guard down. And I must keep the urges of my body separate from my heart. But I'm starting to break all of my own rules. I just hope I'm not falling for my brother's killer.

The Reckoning Caroline Peckham,Susanne Valenti,2025-06-29 Hell Week has begun. Senior students have been tasked with making the freshmen's lives pure torture as we prepare to face The Reckoning - the assessment that will decide whether we stay at Zodiac Academy or lose our places here forever. With the Lunar Eclipse on the horizon, my sister and I have more to worry about than just passing our exams. A dark plot is unfolding and the shadows are drawing closer. It looks like our enemies could be more powerful than we ever realised. Damn, who would have thought being a princess would be this hard?

Dark Fae Caroline Peckham,Susanne Valenti,2025-07-01 What do a heartless Dragon Shifter, a cold-blooded Basilisk, an arrogant Lion Shifter and a brooding, tattooed Harpy have in common...?Me. Elise Callisto. Vampire. Angel of vengeance. And a girl on a mission to destroy one of them for murdering my brother. I just don't know which one did it yet. When I interrogated/accidentally killed a Werewolf who was high on a new and dangerous drug called Killblaze, his final words painted a dark reality for me. The King of Aurora Academy killed my brother. The trouble is, there's four kings at the academy and each of them have motive and bloodthirsty natures. Aurora Academy isn't a place for the faint of heart. To put it lightly, my town is the cesspit of Solaria where the most cutthroat Fae in the kingdom reside. The school itself is divided by the two gangs who run this city. The Lunar Brotherhood and the Oscura Clan. And guess what? Two of the kings run the gangs at the academy, their hatred for each other so fierce I hear a day doesn't go by without blood being spilled in the halls. I might be a petite, lilac-haired girl who looks like I couldn't hurt a fly, but they haven't been introduced to my fangs yet. And they don't know why I'm really here. Or that I'll do whatever it takes to bring down the Fae who took my flesh and blood from me. I don't believe in fate, but I do know this... the King who killed my brother is a dead man walking. And I'm prepared to sacrifice my heart, body and soul to ensure I get my revenge. This is a gritty, college age, steamy series set in a world where Fae fight to take whatever they want. The heroin will end up with multiple love interests so you never have to pick a favourite alphahole. You can expect dark and hot romance, and a twisted murder mystery which will leave your head spinning and your heart racing. - this series is set in the same world as Zodiac Academy but is its own story and can be read independently.

The Heartless Sky Caroline Peckham,Susanne Valenti,2025-06-30 The winds of fate are shifting. And it finally seems like they've been twisted in our favour. On the run and cast out from society, we've been forced to hide from the mad man who stole our throne. But as more secrets come to light and my sister and I work harder than ever before to reach our potential and claim our birth right, the end is finally drawing closer. There is no turning from this path now. The curse chases on our heels as time rushes by and the blood drenched destiny of the man I love looms ever closer just like the monster who stole our throne. We must prepare for the final battle, but three things are clear now. The cards have already been dealt. Blood will spill for a new future to rise. And the stars themselves can't help us. The fight for the throne is upon us. All hail the heartless sky.

The Cursed Fates Caroline Peckham,Susanne Valenti,2025-06-29 The stars have cursed us all. After the devastating

events at Zodiac Academy, we have to deal with this hollow reality we're faced with. Lionel seeks to destroy us, the Nymphs seek to destroy the entire Fae race, and between all of it, we have to try and survive each day and prove our worth in this forsaken place. I'm afraid of everything falling apart, but it looks like it already has. Death lurks around every corner, and it wants to claim me and my sister. But together, we will overcome the darkness that seeks to defeat us. Because we were forged in fire. And these flames will never die.

The Awakening Caroline Peckham,Susanne Valenti,2025-06-26 I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts? ***This is a enemies to lovers romantasy - don't go expecting a sweet school for magic with friends around every corner. Fae fight for everything they own and Zodiac Academy is a cutthroat school for students aged 18+ where only the strongest prevail. There's no Dumbledore here to save anyone's ass and Lionel Acrux will give Voldemort a run for his money in the evil dictator category. So hold onto your stardust (broomsticks not required) and get ready for a bumpy ride***

Vicious Fae Caroline Peckham,Susanne Valenti,2025-07-01 The King will fall. While I continue my hunt for the Fae who killed my brother, I have to try to keep my heart away from the vicious boys who could be responsible for his death. But as my investigation leads me down a dangerous road and answers seem closer than ever before, I'm whisked away to the elite school, Zodiac Academy, with the four Kings, and my heart becomes more vulnerable than ever. There are so many secrets left to uncover, and I sense something terrible is about to come to light. But I'm in so deep to this dangerous labyrinth, what if this road only ends in blood?

The Awakening As Told By The Boys Caroline Peckham,Susanne Valenti,2025-06-30 The Vega twins are alive. Those five words circle in my mind like an oncoming storm. They change everything about the future we thought had been set in

stone. They challenge everything we were raised to be and the stability of the entire kingdom. They're coming to our academy looking for the life that was stolen from them, but we can't let them take it back. So much hangs in the balance and we can't risk the arrival of two naïve princesses destroying everything we worked so hard for. I have trained in dark magic, overcome all challenges and stood in the shadow of Lionel Acrux for far too long already. I won't let them come between me and his downfall. Which means they have to go before they discover how powerful they truly are.

Never Keep Caroline Peckham, Susanne Valenti, 2024-09-24 From the Amazon.com and Wall Street Journal #1 bestselling authors of the Zodiac Academy series Caroline Peckham & Susanne Valenti. The dragons are lost. The elements are at war. Enlisting isn't optional. And I'm falling for a man who wants me dead. I'm a wielder of hearts and summoner of corruption. Heir to nothing and born to a fool in the wrong damn month. But I'm also one of only two Fae in this divided land of hellions who might be starting to see through the lies we've swallowed for so long. In the year we turn twenty-one, conscripts from across the warring nations of air, fire, earth and water are sent to Never Keep - the only place in our besieged continent where our magic can be Awakened. But something is wrong inside Never Keep. Something which might extend far beyond the reaches of this desolate fortress. Within the gothic walls of this frigid castle in the snow, we're left to hold our own against the brutal Fae from the opposing lands. The Reapers are merciless. The Royals are lying. The Werewolves run rampant and Vampires roam the wastelands in bloodthirsty covens. But even though death lurks in every shadow of the Keep, it's the least of my worries. I'm delving into secrets the stars don't want me uncovering, making alliances with Fae born to be my enemy, falling for a sinner while promising my heart to a different heathen and somewhere amid it all, I'm supposed to win a war. I thought the only thing I had to do was survive my magical instruction. Turns out, fate doesn't favour the wicked. ***This is an enemies to lovers romantasy series set in the same world as Zodiac Academy, but it's a dark and villainous tale of its own. You haven't met tainted souls like these before or enemies that hate each other as deeply as these characters do. Book 1 in the series will leave your heart raw and bloody. Shadow Princess Caroline Peckham,Susanne Valenti,2025-06-26 The shadows are in my blood. I can feel them crawling through me, slithering under my skin and taking me hostage. But the darkness within me isn't nearly as bad as the darkness that lives around me. The four Celestial Heirs will stop at nothing to destroy the lives of me and my sister. But they haven't figured out yet, that we're the strongest creatures they've ever known. And when that secret comes out, we need to be ready to face them as well as any other cruel Fae who rises against us. It's us or them. And it damn well won't be us.
