But Dane has other ideas. When Elliott reveals the embarrassing reason behind their failed night together, Dane is undeterred. Now he knows what went wrong two years ago, he's determined to make it work this time around. But Elliott isn't convinced. After their bumpy start transitions into a genuine friendship, will the two give each other one more shot or will what they have be over before it's really even begun?

When Amber Wyatt gets the opportunity to project manage a lucrative contract with The August Room, an exclusive and glamorous private members' club, she can't wait to get started. That is until she meets handsome managing director. Finn Hawthorne seemingly has no respect for her work, continuously undermines her and, worst of all, has the uncanny ability to charm everyone else he meets. But launching The August Room is Finn's baby and he needs it to go well. With whispers of nepotism he needs to prove himself. Which explains why he can't stand Amber. Not only is she charging him a small fortune, she keeps dismissing his ideas and, worst of all, she's drop-dead gorgeous and seemingly immune to his charms. Forced to work together to meet the tight launch day deadline, sparks begin to fly, and the fine line

between business and pleasure starts to blur. What was supposed to be a career-defining project leaves them both wanting more, but will they take it, or will this one last job destroy everything they've built?
