Road to Adelphi Donna Harris,2002 The Wolfe family had a penchant for tragedy. They tried to live about the fray, and

the evil devices of those that surrounded them, but in so doing, they found their lives so bugged down in the very mush, they tried so hard to avoid. Those that were supposed to protect, and guide them, were the ones scheming and undermining their efforts. Thus they were forced to view the world, from an angle of distrust, dismay, and disgust. On the other hand, a message of hope and triumph is also conveyed, in this grueling tale of woe, madness, and corruption. It is however consoling to know, that good always triumphs over evil.

Soft Wild Ache (Crown Creek) Theresa Leigh, Meet the Kings. They'll warm your heart... then get it racing. Fall in love with the wild, passionate, scandalous men, and the strong, confident women of this big family as they find lasting love in the quaint small town of Crown Creek. Each book is connected or can be read as a standalone. I grew up a sheltered, good girl. I knew the outside world was wrong. Living on the compound, I was hidden away from the rest of the town. And away from the temptations of books, music and men. Especially men like Beau King. He's famous. A rockstar. One of the wild, scandalous King Brothers that put our small town on the map. Hidden behind the walls of the compound, I heard whispers of what he was... Everything I'd been warned about. Hazel eyes. Tempting voice. And a body made for sin. I was supposed to stay away. So I ran. But he chased me. I fell. And he caught me. And then we kissed... Heaven help me. I want his mouth on mine, and his hands in forbidden places. I want to confess the wild ache in my heart to him. But even after I leave the cult behind, I still can't escape. I've cast off its chains, but I am not free. I want a forever with Beau, but my family is in danger. I know my place. I know if I don't return, I'll never be forgiven. But if falling from grace means I'll land in Beau's arms, then it might just be worth it. CROWN CREEK is one big series about one special small town, following the lives and loves of interconnected families and friends. The same characters show up in multiple books and each book can be read as a standalone. Or they can be read in the following order for one long series. THE KINGS: Sweet Crazy Song - Jonah's story (FREE) Lost Perfect Kiss - Gabe's story Soft Wild Ache - Beau's story His Secret Heart - Finn's story CROWN CREEK STANDALONES: Last Good Man - Willa and Cooper's story

Scaffold Parenting Harold S. Koplewicz, MD,2021-02-02 Prevent and counteract the general anxiety and emotional fragility prevalent in children and teenagers today—a new parenting philosophy and strategies that give children the tools to flourish on their own (previously published as *The Scaffold Effect*). “A master synthesizer of attachment science, medical practice, and his own experience as a father, Harold Koplewicz capably and compassionately leads us through the art of scaffolding, from early childhood through the important adolescent period.”—Daniel J. Siegel, MD, author of *The Whole Brain Child* Just as sturdy scaffolding is necessary when erecting a building and will come down when the structure grows stable, good parenting provides children with steady and warm emotional nourishment on the path toward independence. Never-ending parental problem-solving and involvement can have the opposite effect, enabling fragility and anxiety over time. In *Scaffold Parenting*, world-renowned child psychiatrist Harold Koplewicz introduces the powerful and clinically tested idea that this deliberate build-up and then gradual loosening of parental support is the single most effective way to encourage kids to climb higher, try new things, grow from mistakes, and develop character and strength. Explaining the building blocks of an effective scaffold from infancy through young adulthood, he expertly guides parents through the strategies for raising empowered, capable people, including:

- Lay a solid foundation: The parent-child relationship needs to be made from the concrete mixture of emotional availability, positive reinforcement, clear messaging, and consistent rules. From this supportive base, you will forge a bond that will survive adolescence and grow stronger into adulthood.
- Empower growth: Skyscraper or sprawling ranch—the style of your child’s construction is not up to you! Scaffold parenting validates and accommodates the shape the child is growing into. Any effort to block or control growth will actually stunt it.
- Stay on their level: Imagine being on the ground floor of a house and trying to talk to someone on the roof. The person on the roof will have to “talk down” to you or yell. If your child’s building and your scaffold are on the same level, you can speak directly, look each other in the eye, and keep the lines of communication open. Drawing on Dr. Koplewicz’s decades of clinical and personal experience, *Scaffold Parenting* is a compassionate, street-smart, and essential guide for the ages. All of the author’s proceeds from the sale of this book will be donated to the Child Mind Institute.
