

# Halloween 4 And 5 Dvd

## David Roche

**Welcome to Our Nightmares** Jason Norman, 2014-11-25 George Clooney, Leonardo DiCaprio, Amy Adams, Tom Hanks--many of today's most celebrated actors began their careers on the sets of horror movies. However, the majority of performers in even the most popular horror films remain relatively unknown. This engaging collection of profiles introduces many of the actors behind the heroes, heroines, monsters and villains who have terrified and fascinated moviegoers around the world. From Michelle Argiris, who embodied a possessed college student in *Devil Seed* (2012), to Ian Whyte, the 7 foot tall former basketball player who portrayed one of cinema's most iconic monsters in *Aliens vs. Predator* (2004), the profiles offer insight into how the actors prepared for and performed their roles. Longer essays explore the casts of renowned horror series, including *Saw*, *Halloween*, *Nightmare on Elm Street* and *Friday the 13th*, providing a window into the world of horror filmmaking.

*Focus On: 100 Most Popular United States National Film Registry Films* Wikipedia contributors,

Nightmare Factories Troy Rondinone, 2019-09-24 How the insane asylum came to exert such a powerful hold on the American imagination. Madhouse, funny farm, psychiatric hospital, loony bin, nuthouse, mental institution: no matter what you call it, the asylum has a powerful hold on the American imagination. Stark and foreboding, they symbolize mistreatment, fear, and imprisonment, standing as castles of despair and tyranny across the countryside. In the asylum of American fiction and film, treatments are torture, attendants are thugs, and psychiatrists are despots. In *Nightmare Factories*, Troy Rondinone offers the first history of mental hospitals in American popular culture. Beginning with Edgar Allan Poe's 1845 short story *The System of Dr. Tarr and Prof. Fether*, Rondinone surveys how American novelists, poets, memoirists, reporters, and filmmakers have portrayed the asylum and how those representations reflect larger social trends in the United States. Asylums, he argues, darkly reflect cultural anxieties and the shortcomings of democracy, as well as the ongoing mistreatment of people suffering from mental illness. *Nightmare Factories* traces the story of the asylum as the masses have witnessed it. Rondinone shows how works ranging from *Moby-Dick* and *Dracula* to *One Flew Over the Cuckoo's Nest*, *Halloween*, and *American Horror Story* have all conversed with the asylum. Drawing from fictional and real accounts, movies, personal interviews, and tours of mental hospitals both active and defunct, Rondinone uncovers a story at once familiar and bizarre, where reality meets fantasy in the foggy landscape of celluloid and pulp.

**The Encyclopedia of Sexism in American Films** Salvador Jiménez Murguía, Erica Joan Dymond, Kristina Fennelly, 2019-11-29 The treatment—and mistreatment—of women throughout history continues to be a necessary topic of discussion, in order for progress to be made and equality to be achieved. While current articles and books expose troubling truths of the gender divide, modern cinema continues to provide problematic depictions of such behavior—with a few heartening exceptions. The Encyclopedia of Sexism in American Films closely examines the many, pervasive forms of sexism in contemporary productions—from clueless comedies to superhero blockbusters. In more than 130 entries, this volume explores a number of cinematic grievances including: the objectification of women's bodies the limited character types available for female performersthe lack of sexual diversity on the screen the limited range of desirable traits for female performers the use of gratuitous sexthe narrow focus on heteronormative depictions of courtship and romance The films discussed here include *As Good as It Gets* (1999), *Beauty and The Beast* (2017), *The Devil Wears Prada* (2006), *Do the Right Thing* (1989), *Easy A* (2010), *The Forty-Year-Old Virgin* (2005), *Hidden Figures* (2016), *Lost in Translation* (2003), *Mulholland Drive* (2001), *Showgirls* (1995), *The Silence of the Lambs* (1991), *Star Wars* (1977), *Thelma & Louise* (1991), *Tootsie* (1982), *The Witches of Eastwick* (1987), and *9 to 5* (1980). By digging deeply into more insidious forms of sexual/gender discrimination, this book illuminates one more aspect of women's lives that deserves to be understood. Offering insights and analysis from more than fifty contributors, The Encyclopedia of Sexism in American Films will appeal to scholars of cinema, gender studies, women's studies, and cultural history.

**At the Edge of Existence** Brandon West, 2021-12-03 Few scary stories begin with a disclaimer that they are fictional. Instead, they claim to be true even when they are not. Such stories blur the line between fiction and reality, pushing audiences to consider where fiction ends and reality begins. These kinds of horror stories comprise the understudied subgenre of liminal horror. As the first book on this subject, this volume surveys a variety of liminal horror films. It discusses the different variations within liminal horror's sub-genres and considers why horror films are obsessed with the natures of, and borders between, fiction and reality. After first laying out the basic traits of the horror genre in the context of liminality, this book then dives into film more specifically and how the medium is uniquely situated to explore the movement between the fictional and the real. Through lenses such as dreaming, memory, and perception, the following chapters explore the role liminal horror plays in the the human psyche's subconscious/unconscious, and the various functions of the human mind in perceiving, or misperceiving, reality.

**The DVD-laser Disc Newsletter** , 2001

**America's Film Legacy** Daniel Eagan, 2009-11-26 America's Film Legacy is a guide to the most significant films ever made in the United States. Unlike opinionated Top 100 and arbitrary Best of lists, these are the real thing: groundbreaking films that make up the backbone of American cinema. Some are well-known, such as *Citizen Kane*, *The Jazz Singer*, *All Quiet*

on the Western Front, The Birth of a Nation, and Boyz n the Hood. Others are more obscure, such as Blacksmith Scene, The Blue Bird, The Docks of New York, Star Theatre, and A Bronx Morning. Daniel Eagan's beautifully written and authoritative book is for anyone who loves American movies and who wants to learn more about them.

**Billboard** ,2004-10-09 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Slasher Movies** Mark Whitehead,2000 Packed with facts and opinions, crammed with information and including an introductory essay and in-depth discussion of all the major films, this pocket guide to the world of 'slasher movies' is an essential guide for anyone interested in this most disturbing of film genres. Includes a discussion of all the major films and a checklist of stars who got their big break being slashed!

**Billboard** ,2003-10-25 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Billboard** ,2002-08-17 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**I Spit On Your Celluloid** Heidi Honeycutt,2024-08-08 Slumber Party Massacre. Pet Sematary. Near Dark. American Psycho... These horror movies have heavily contributed to pop culture and are loved by horror fans everywhere. But so many others have been forgotten by history. From the first silent reels to modern independent films, in this book you'll discover the creepy, horrible, grotesque, beautiful, wrong, good, and fantastic — and the one thing they share in common. This is the true history of women directing horror movies. Having conducted hundreds of interviews and watched thousands of horror films, Heidi Honeycutt defines the political and cultural forces that shape the way modern horror movies are made by women. The women's rights and civil rights movements, new distribution technology, digital cameras, the destruction of the classic studio system, and the abandonment of the Hays code have significantly impacted women directors and their movies. So, too, social media, modern ideas of gender and racial equality, LGBTQ acceptance, and a new generation of provocative, daring films that take shocking risks in the genre. Includes short films, anthologies, documentaries, animated horror, horror pornography, pink films, and experimental horror. I Spit on Your Celluloid is a first-of-its-kind celebration, study, and “a book that needed to be written” (says cult filmmaker Stephanie Rothman). You will never look at horror movies the same way again!

**Make a Fortune Selling DVD's on the Internet** Ron T. Throgmartin,Michael S Toney Mba,2009-08-04 Learning how to sell DVDs on the Internet could not have come at a better time, given the current economic climate, the rising

unemployment rate, and the brooding recession. Selling DVDs on the Internet is an ideal alternative for easily bringing in extra income to catch up on bills, pay down credit cards, buy holiday gifts, or simply put food on the table - it is about surviving and being prosperous during this very difficult economy. The purpose of this book is to provide easy to follow, step-by-step instructions on how to enter the Internet DVD retail business, avoid the pitfalls and costly mistakes, and create sustainable long-term income. This book is based on the real world personal experiences of the authors in successfully operating two Internet DVD retail businesses, competing in the vast and chaotic new and used DVD retail market, and generating sustainable income, despite the bad economy.

Billboard ,2004-10-23 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Making and Remaking Horror in the 1970s and 2000s** David Roche,2014-02-06 An expansive treatment of the meanings and qualities of original and remade American horror movies

*Billboard* ,2003-11-22 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
