THE AMAZING ADVENTURES OF JIMMY JUMPFERJOY MARCUS BRUCE,2014-04 When I was in high school my parents used to go out to dinner leaving me with my two younger brothers. They would often say tell us a story. So began the tales of Jimmy Jumpferjoy. I would ask them what kind of adventures he would have and they would tell me, it was interactive fun for all of us. I took creative writing in high school and began to write down the stories. In college I took English Composition where I improved in my writing, and during a lonely year I spent on Martha's Vineyard without any friends, I began to step inside Jimmy Jumpferjoy's world. A two dimensional character became three dimensional. I hope you have as much fun reading these stories as I had writing them!!!!!!!!!!

Olivia's Mine Janine McCaw,2006-02 In 1915, young newlywed Olivia Fitzpatrick leaves her affluent Seattle family to join her husband Frank in the isolated and tight-knit seaside mining community of Britannia Beach, Canada. Olivia has always gone against the grain with her choices in life, but as she boards a vessel bound for a foreign country she has never visited, she knows her life is about to change forever. Frank and Olivia share a loving and intimate reunion after her ship docks in Britannia Beach, but before she has a chance to enjoy her new-found happiness, many of the town's friendly citizens and their children are killed in a horrific natural disaster. A tragic mudslide triggers a series of events that soon befall the young Olivia and the close community that she has joined. Among the members of that community whom she will encounter are the fiery redhead Lucy Bentall; ship captain Frenchie Cates; the always surprising Yada family; handsome Officer Wolanski; man-crazy Sarah Leiboldt; and the fearsome J. W. McMichael. In spite of catastrophes, flu epidemics, and the chaos of World War I, Olivia is determined to continue her life in Britannia Beach, but fate may have other plans.

Never Fear - The Tarot Heather Graham, Tim Waggoner, Michael A. Stackpole, Matthew Costello, C.L. Wilson, Tori Eldridge, Lisa Mannetti, Jaime Rush, Rebecca Paisley, Patrick Freivald, Edward DeAngelis, Richard Devin, Lance Taubold, Jeff DePew, Lee Lawless, Hal Bodner, Jennifer St. Giles, Lori Avocato, Michael M. Hughes, Tara Nina, C.M.C. Dobbs, Linda J. Parisi, Jason Pozzessere, Crystal Perkins, Aidan Russell, Mathew Kaufman, Jayne Belmont, Janice M. Jones, 2016-10-30 We asked twenty-six authors to write stories based on the Tarot, with the cards determining which stories the authors would write.

Over the course of several months we reached out to some of the best genre authors and proposed our idea. Once we had our authors, we took a tarot deck and a list of all twenty-six names. We would read the author's name, shuffle the deck, and draw a card. That tarot card and its traits were all the authors had to go on. The card was removed, the deck was reshuffled, and the next name was read off. This anthology contains twenty-six stories based on the twenty-two cards of the Major Arcana and the four cards of the Minor Arcana. Award-winning and New York Times bestselling authors combine their talents to deal out twenty-six dark tales influenced by the Tarot.

Gambler Billy Walters, 2023-08-22 NEW YORK TIMES BESTSELLER * "This book is going to become the sports gambling bible...The formula's in the book." —Pat McAfee "The greatest and most controversial sports gambler ever" (ESPN) Billy Walters shares his "rollicking and edgy life story" (The Wall Street Journal)—revealing the secrets to his fiercely protected betting system and breaking his silence about Phil Mickelson. Nobody controls the odds like Billy Walters. Widely regarded as "the Michael Jordan of sports betting," Walters is a living legend in Las Vegas and among sports bettors worldwide. With an unmatched winning streak of thirty-six consecutive years, Walters has become fabulously wealthy by placing hundreds of millions of dollars a year in gross wagers, including one Super Bowl bet of \$3.5 million alone. Competitors desperate to crack his betting techniques have tried hacking his phones, rifling through his trash, and bribing his employees. Now, after decades of avoiding the spotlight and fiercely protecting the keys to his success, Walters wants to pass along his wisdom to future generations of sports bettors. *Gambler* is more than a traditional autobiography. In addition to sharing his against-all-odds American Dream story, Walters reveals in fascinating detail the secrets of his proprietary betting system, which will serve as a master class for anyone who wants to improve their odds at betting on sports. Walters also breaks his silence about his long and complicated relationship with Hall of Fame professional golfer Phil Mickelson. On a typical weekend gameday packed with college and pro sports, Walters will bet \$20 million. It's a small sum for someone with his resources today, but an unbelievable fortune for the child who was raised by his grandmother in extreme poverty in rural Kentucky. By the age of nine, Walters became a shark at hustling pool and pitching pennies. As a young adult, he set records as a used-car salesman, hustled golf, and dabbled in bookmaking. He eventually moved to Las Vegas, where he revolutionized sports betting strategy and became a member of the famed Computer Group, the first syndicate to apply algorithms and data analysis to sports gambling. He built a fortune while overcoming addictions and outmaneuvering organized crime figures

made infamous by Martin Scorsese's film *Casino*. In *Gambler*, Walters shares everything he's learned about sports betting. First, he shows bettors how to mine the information we have at our fingertips to develop a sophisticated betting strategy and handicapping system of our own. He explains how even avid bettors often do not grasp all of the variables that go into making an informed wager—home field advantage, individual player values, injuries or illness, weather forecasts, each team's previous schedule, travel distance/ difficulty, stadium quirks, turf types, and more. Variable by variable, Walters breaks down the formulas, betting systems, and money-management principles that he's developed over decades of improving his craft. From a self-made man who repeatedly won it all, lost it all, and earned it all back again, *Gambler* is at once a gripping autobiography, a blistering tell-all, and an indispensable playbook for coming out on top.
