

Knig Von Wessex 726

Julius von Pflugk-Harttung

Christianizing Kinship Joseph H. Lynch, 1998 When Christianity spread from its Mediterranean base into the Germanic and Celtic north, it initiated profound changes, particularly in kinship relations and sexual mores. Joseph H. Lynch traces the introduction and assimilation of the concept of spiritual kinship into Anglo-Saxon England. Covering the years 597 to 1066, he shows how this notion unsettled and in time altered the structures of the society. In early Germanic societies, kinship was a major organizing principle. Spiritual kinship of various kinds began to take hold among the Anglo-Saxons with the arrival of Christian missionaries from Rome in the seventh century. Lynch discusses in detail sponsorship at baptism, confirmation, and other rituals in which an individual other than a biological parent presented someone, often an infant, for initiation into Christianity. After the ceremony, the sponsor was regarded as the child's spiritual parent or godparent, whose role complemented that of the natural mother and father, with whom the sponsor had become a coparent. He describes the difficulties posed by the incest taboo, which included a ban on marriage between spiritual kin. Lynch's work reveals how Anglo-Saxons, though never accepting the sexual taboos that were so prominent in the Frankish, Roman, and Byzantine churches, did create new forms of spiritual kinship. Unusual in its focus and scope, this book illuminates an integral element in the religious, social, and diplomatic life of Anglo-Saxon England. It also contributes to our understanding of the ways in which Christianization reshaped societal relations and moral attitudes.

Von Aethelred zum Mann im Mond Janna Müller, Frauke Reitemeier, 2010

Ancestral Lines, 1998 Samuel A. Bayer was born in Germany in the early 1700s. He married Maria. Their children included Anna, Blasius, Johann Philip, Johannes, Hans, Anna, Johann Heinrich, Andreas, Anna Maria (who died young), Anna Maria, and Maria Barbara. Their descendant, Samuel Boyer was born in Philadelphia in 1751. He married Maria Catherine Kuser. Their children included John, Hannah, Elizabeth, Jacob, Maria, Henry, Eva and Rachel.

The History of Nations: Burdick Jennie E. General index ,1913

General index to the history of nations world chronology and bibliography of historical novels Jennie Ellis Burdick,1928

The Oxford Illustrated History of Britain Kenneth O. Morgan,2009 This beautifully illustrated volume tells the story of Britain and its people over two thousand years, from the coming of the Roman legions to the present day. Encompassing political, social, economic, and cultural developments throughout the British Isles, the dramatic narrative is taken up in turn by ten leading historians who offer the fruits of the best modern scholarship to the general reader in an authoritative form, illuminating their text with carefully chosen pictures and maps. A vivid, sometimes surprising picture emerges of a continuous turmoil of change in every period, and the wider social context of political and economic tension is made clear. But consensus, no less than conflict, is a part of the story: in focusing on elements of continuity down the centuries, the authors bring out that special awareness of identity which has been such a distinctive feature of British society. By relating both these factors in the British experience, and by exploring the many ways in which Britain has shaped and been shaped by contact with Europe and the wider world, this landmark work brings the reader face to face with the past, and the foundations of modern British society. The new edition, the first for almost twenty years, brings the story into the twenty-first century, covering the changes to British society and culture during the Blair years and the invasion of Iraq and its aftermath.

The Oxford Dictionary of Saints, Fifth Edition Revised David Farmer,2011-04-14 The renowned Oxford Dictionary of Saints returns in a revised and updated form, providing concise accounts of the lives, cults, and artistic associations of over 1,400 saints, from the famous to the obscure. Featuring new entries on recently canonized saints from around the world, and a new appendix on pilgrimages.

Middle English Texts in Transition Simon Horobin, Linne R. Mooney,2014 Chaucer, Gower and Langland -- Lyrics and romances -- Devotional writings -- Owners and users of medieval books -- A tribute to Professor Takamiya

The Grove Encyclopedia of Medieval Art and Architecture Colum Hourihane,2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe, from the 6th century to the early 16th century. Drawing upon the expansive scholarship in the celebrated 'Grove Dictionary of Art' and adding hundreds of new entries, it offers students, researchers and the general public a reliable, up-to-date, and convenient resource covering this field of major importance in the development of Western history and international art and architecture.
