

Lee Priest At 16

Mark Awabdy

Official Gazette of the United States Patent Office United States. Patent Office,1969

The Spiritual Legacy of Henri Nouwen Deirdre LaNoue,2000-10-01 In 1969, the year following the death of Thomas Merton, Henri Nouwen published his first book. Who, reading *Intimacy: Essays in Pastoral Psychology*, at the time could have guessed that its 37 year old Dutch priest-author would become one of the most popular spiritual writers of the 20th-century?Unlike Merton, whose strictly spiritual writings appealed almost exclusively to Roman Catholics, Nouwen had an enormous following among Protestants as well as Catholics. What was it about this man and his work that so resonated with the American psyche over the past thirty years?In *The Spiritual Legacy of Henri Nouwen*, Deidre LaNoue analyzes Nouwen's voluminous writings in the context of his life and times, providing a key to his more than forty individual books as well as a cogent summary of his contribution to the spiritual lives of millions of people. The book includes a complete bibliography of Nouwen's writings as well as a Scripture index of his books.

Leviticus Mark Awabdy,2019-10-01 In *Leviticus* Awabdy offers the first commentary on the Greek version of *Leviticus* according to Codex Vaticanus (4th century CE), which binds the Old and New Testaments into a single volume as Christian

scripture. Distinct from other LXX Leviticus commentaries that employ a critical edition and focus on translation technique, Greco-Roman context and reception, this study interprets a single Greek manuscript on its own terms in solidarity with its early Byzantine users unversed in Hebrew. With a formal-equivalence English translation of a new, uncorrected edition, Awabdy illuminates Leueitikon in B as an aesthetic composition that not only exhibits inherited Hebraic syntax and Koine lexical forms, but its own structure and theology, paragraph (outdented) divisions, syntax and pragmatics, intertextuality, solecisms and textual variants.
