Keys to the Kingdom Deviant Ollam, 2012-12-06 Lockpicking has become a popular topic with many in the security community. While many have chosen to learn the fine art of opening locks without keys, few people explore the fascinating methods of attack that are possible WITH keys. Keys to the Kingdom addresses the topics of impressioning, master key escalation, skeleton keys, and bumping attacks that go well beyond any treatment of these topics in the author's previous book, Practical Lock Picking. This material is all new and focuses on locks currently in use as well as ones that have recently emerged on the market. Hackers and pen testers or persons tasked with defending their infrastructure and property from invasion will find these techniques uniquely valuable. As with Deviant Ollam's previous book, Practical Lock Picking, Keys to the Kingdom includes full-color versions of all diagrams and photographs. Check out the companion website which includes instructional videos that provide readers with a full-on training seminar from the author. - Excellent companion to Deviant Ollam's Practical Lock Picking - Understand the typical failings of common security hardware in order to avoid these weaknesses - Learn advanced methods of physical attack in order to be more successful with penetration testing - Detailed full-color photos in the book make learning easy, and companion website is filled with invaluable training videos from Dev!

*The Seven Keys to the Kingdom* Apostle Pinky, 2010-12 Have you ever been wrong about anything? Have you ever passionately believed in something, only to find out later that you were mistaken all along? It seems that every church teaches something different from that of the next one. They can't all be right... but it's very important to the Lord that we know the truth. Which church teaches it? Do any of them have the full picture? How can we know that we know that what we've always been taught is accurate? The only message that Jesus brought to Earth was that of the Kingdom. It's repeated time after time in every word that He spoke, in every book of the New Testament, and foreshadowed in every book of the Old Testament. Kingdom relationship is the entire reason that we were created, and the only reason that Jesus came to Earth, died and rose again. Yet, most Christians have never heard the message. How can this be? Because even though it has been right in front of our faces for two thousand years, God has kept it hidden from our understanding until now. Millions have read this truth and their eyes have been opened, and their lives changed. It is for our generation to finally understand the scripture. This book will change your theology, your heart, your mind, and your life. God has taken what we've always thought was Christianity and turned it upside down. He is showing the church how that we've had it all backwards. Pinky has

the gift to articulate the mind-blowing scripture truths in an easy to read, and hard to put down revelation. You've always known in your heart that there has to be something more than going to church. Hold on tight... This is it!!!

**Broadway Actors in Films, 1894-2015** Roy Liebman,2017-02-20 Many Broadway stars appeared in Hollywood cinema from its earliest days. Some were 19th century stage idols who reprised famous roles on film as early as 1894. One was born as early as 1829. Another was cast in the performance during which Abraham Lincoln was assassinated. One took her stage name from her native state. Some modern-day stars also began their careers on Broadway before appearing in films. This book details the careers of 300 performers who went from stage to screen in all genres of film. A few made only a single movie, others hundreds. Each entry includes highlights of the performer's career, a list of stage appearances and a filmography.

*Farber on Film: The Complete Film Writings of Manny Farber* Manny Farber,2016-02-02 Manny Farber (1917–2008) was

a unique figure among American movie critics. Champion of what he called termite art (focused, often eccentric virtuosity as opposed to white elephant monumentality), master of a one-of-a-kind prose style whose jazz-like phrasing and incandescent twists and turns made every review an adventure, he has long been revered by his peers. Susan Sontag called him the liveliest, smartest, most original film critic this country ever produced; for Peter Bogdanovich, he was razor-sharp in his perceptions and never less than brilliant as a writer. Farber was an early discoverer of many filmmakers later acclaimed as American masters: Val Lewton, Preston Sturges, Samuel Fuller, Raoul Walsh, Anthony Mann. A prodigiously gifted painter himself, he brought to his writing an artist's eye for what was on the screen. Alert to any filmmaker, no matter how marginal or unsung, who was doing go-for-broke art and not caring what comes of it, he was uncompromising in his contempt for pretension and trendiness, for, as he put it, directors who pin the viewer to the wall and slug him with wet towels of artiness and significance. The excitement of his criticism, however, has less to do with his particular likes and dislikes than with the quality of attention he paid to each film as it unfolds, to the chains of rapport and intimate knowledge in its moment-to-moment reality. To transcribe that knowledge he created a prose that, in Robert Polito's words, allows for oddities, muddles, crises, contradictions, dead ends, multiple alternatives, and divergent vistas. The result is critical essays that are themselves works of art. Farber on Film brings together this extraordinary body of work in its entirety for the first time, from his early and previously uncollected weekly reviews for The New Republic and The Nation to his brilliant later essays (some written in collaboration with his wife Patricia Patterson) on Godard, Fassbinder, Herzog, Scorsese, Altman, and others. Featuring an introduction by editor Robert Polito that examines in detail the stages of Farber's career and his enduring significance as writer and thinker, Farber on Film is a landmark volume that will be a classic in American criticism. From the Trade Paperback edition.

**The N\*O\*VO Nostalgia Movie Quiz and Information Book** David Cameron Dunn, Ph.D.,2017-02-10 The N\*O\*VO Nostalgia Movie Quiz and Information Book by David Cameron Dunn, Ph.D. The N\*O\*VO Nostalgia Movie Quiz and Information Book was written as a labor of love by a cinephile. Its intended audience is the kindred spirits out there who not only relish the “good, old films and players,” but who also enjoy being asked questions about them. The book goes a step further by quantifying the difficulty of the questions, providing the readers with the opportunity to record their “scores” and “batting averages.” Not only may the individual assess his or her personal expertise in the realm of motion picture lore, but also in the competitive way with family and friends as a game. In addition to the quiz section, which comprises the pronounced majority of the book, the readers will also find several interesting informational appendices. In view of the above, the reader will find this work to be set apart from the many other similar entries on the shelves!

*Doctors of Another Calling* David K. C. Cooper,2013-11-26 The medical profession is rich in those who have made names for themselves outside of medicine. The fields of literature, exploration, business, sport, entertainment, and beyond abound with doctors whose interests lie outside medicine. This book, largely written by members of the medical profession, examines the efforts of doctors in non-medical fields. The doctors discussed here are those who are, or were, well-known to the public for their contributions to their non-medical fields of choice. In many cases, the public may have been unaware that a subject was medically qualified. This book provides wide-ranging and comprehensive biographical sketches of forty-two doctors who are best known to the public for their contributions to fields outside of medicine.

*Zionism through Christian Lenses* Carole Monica Burnett,2013-03-12 Dear to the hearts of many Christians is the land of the Bible, which today is convulsed by strife. Contradictory claims about the past, present, and future of this land can bewilder us. The essays in this volume invite Christians of every denomination to share in perspectives that are solidly grounded in Scripture and tradition, yet serve as alternatives to the currently prevailing approaches. A Lutheran, two Roman Catholics, two Episcopalians (one of whom is also a member of the American Baptist Church), an Eastern Orthodox Christian, and a Congregational (United Church of Christ) pastor explore the ramifications, for today's ongoing crisis, of ancient Israel's Covenant, of the early church's theological insights, and of the post-Reformation experiences of various branches of Christianity.

*The Routledge Companion to Religion and Film* John Lyden,2009-05-07 The Routledge Companion to Religion and Film

brings together a lively and experienced team of contributors to investigate the ways in which this exciting discipline is developing.

*Three Hollywood Stalwarts in Literature* Henryk Hoffmann, 2022-03-15 This book focuses on the perception of the names, personae, performances and films of three Hollywood megastars, Gregory Peck, Robert Mitchum and William Holden, as presented in the references and allusions encountered in American and foreign literature. Its secondary aim is to establish the 'impact factor' of the three actors and their major films and provide extensive data for further studies on the complex and bilateral relationships between film and literature. The pertinent quotations in 'Three Hollywood Stalwarts in Literature: A Study in Film Perception Through References to Peck, Mitchum and Holden' have been extracted from nearly 220 works by about 140 authors. The majority of the works were written by acclaimed authors; amongst them are some well-known American mainstream writers such as John Updike, John Irving, Fannie Flagg and Anne Tyler; some leaders of the mystery genre include Martha Grimes, Stuart Kaminsky, Elmore Leonard, Sara Paretsky; and a few masters of other popular genres, such as Stephen King and Dean Koontz. The global flavor of the citations is provided by international authors (e.g., Julio Cortázar, Elizabeth Hay, Henri Charrière, Sebastien Japrisot) and authors born to first-generation U.S. immigrants (e.g., Oscar Hijuelos). Almost seventy films referenced in world literature are discussed in the book, and those mentioned in the biggest number of works include 'Sunset Boulevard', 'The Wild Bunch', 'To Kill a Mockingbird', 'Roman Holiday', 'Spellbound', 'The Guns of Navarone', and 'Duel in the Sun', among others. This book will appeal to college professors and students interested in film studies, specifically film analysis and criticism, film perception, and film genres. It will also hold interest for the general reader interested in biographies of movie personalities and the careers of the three actors, movie and stage actors, and fans of the western, film noir, and war genres.

30 Days of Night: Night, Again #2 Joe R. Lansdale, After a strange party of half-starved wanderers make their way to the weather-changing station, it is soon learned they they've created their own bloody swath across the icy wastelands of the Antarctic while being pursued by rabid vampires. Meanwhile, what secret does the WWII torpedo discovered in the ice hide, and why is there something knocking on the inside of it?

The New Biographical Dictionary of Film David Thomson, 2010 Thomson (independent scholar), writing of The Biographical Dictionary of Film (aka A Biographical Dictionary of the Cinema, 1975 edition), described it as a personal, opinionated, and obsessive biographical dictionary of the cinema. Thirty-five years and several editions later, that description still holds true of this expanded work. The new dictionary summarizes salient facts about its subjects' lives and discusses their film credits in terms of the quality of the filmmakers' work. In ambition it has competitors, including Leslie Halliwell's various editions of Halliwell's Filmgoers Companion (12th ed., 1997) and Halliwell's Who's Who in the Movies, edited by John Walker (4th ed., rev. and updated, 2006), which cover films and technical terms (categories not included in Thomson's), but

whose entries are neutral and exceedingly brief. Additionally, Francophile Richard Roud's edited *Cinema: A Critical Dictionary: The Major Filmmakers* (2 v., 1980) is as passionate a work as Thomson's, but narrower in scope, with entries written by various experts, rather than only by Roud. Finally, the multivolume magnum opus *The International Dictionary of Films and Filmmakers* (4th ed., 2000, ed. by T. Pendergast and S. Pendergast; 2nd ed., ed. by N. Thomas, v. 1, CH, May'91; 1st ed., ed. by C. Lyon, v.1-2, CH, Jan'85, v.3, CH, Apr'87, v.4-5, CH, Jun'88) covers everything--films, directors, actors, writers, and production artists--with generous, measured, scholarly entries and lavish illustrations. However, it looms large and heavy, unlike the handy one-volume work by Thomson. Arguably, Thomson's work, for its scope, is the most fun, the most convenient, and the most engaging title. All libraries supporting people interested in film should buy it. It will get lots of use and provide very good value for the money. Summing Up: Highly recommended. Lower-level undergraduates and above; general readers. General Readers; Lower-division Undergraduates; Upper-division Undergraduates; Graduate Students; Researchers/Faculty; Professionals/Practitioners. Reviewed by C. Hendershott.

**The Lost Teachings of Jesus, Book 1** Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus' teachings were altered, deleted or never recorded In their classic series "The Lost Teachings of Jesus," Mark L. Prophet and Elizabeth Clare Prophet prove that many of Jesus' original teachings are missing. They show that the New Testament records only a fragment of what Jesus taught. That what was written down was tampered with by numerous editors or suppressed by "guardians of the faith." And that some of what was recorded has been misinterpreted to this day. The authors fill in the gaps with a bold reconstruction of the essence of Jesus' message. They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples. In modern vernacular, they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message. And they answer questions that have puzzled readers of the Bible for centuries.
