The Rhetorical Functions of Scriptural Quotations in Romans Katja Kujanpää, 2018-10-02 Quotations from Jewish scriptures play a crucial role in the Letter to the Romans. The Rhetorical Functions of Scriptural Quotations in Romans explores their rhetorical functions in Paul's argumentation. It offers a careful text-critical analysis of the 51 quotations in Romans, and asks questions such as: does Paul quote accurately according to a wording known to him or does he adapt it himself? Moreover, to what extent does Paul strive to preserve the sense that the quoted words have in their original context? Katja Kujanpää's approach of combining rhetorical matters with close textual study results in a more comprehensive picture of quotations in Romans than has been previously seen. Thus, the book opens new perspectives on Paul's argumentation, rhetoric and theological agenda.

Apologia for the Law and the Sabbath Roger Hadad, 2019-07-15 In the Gospels we find that Jesus consistently refers to the first five books of the Old Testament as "the Law." And on many occasions, the Master extracts legal precedents from this law in order to settle all kinds of disputed matters and even subdue the Tempter. Yet modern believers dogmatically insist that this same law has been "done away" in order to make way for salvation. But is this a helpful and correct understanding of the Holy Scriptures? What are the unintended consequences of promoting a view where the Bible, as it were, devours itself? Is there a cognitive price to be paid? Have contemporary Christians set themselves up for failure and misperception by advancing this view, as we force our square doctrinal peg into the round Scriptural hole? Can we really uproot justice, mercy, and faith from the Old Testament, yet maintain a coherent biblical worldview? The author of Apologia believes that there is a better way. Discover the unbreakable unity of the Holy Scriptures and be free from the cognitive dissonance that plagues modern believers. Discover the encrypted code that runs all through the Scriptures from Genesis to Revelation, the connection between the Old Testament Law and the New Covenant, the difference between legalism and lawfulness, and the Scriptural way of loving God. Apologia for the Law and the Sabbath is an audacious and in-your-faith way of looking at the Bible that causes the heart to burn with passion. It forcefully tears open the veil that separates Old and New Testament Scriptures to reveal a bold and seamless narrative which reveals the Creator's ancient code of conduct for believers. Tread past salvation's timid threshold and boldly step into the path of righteousness, where we partner with God as we strive to reach the full measure of the stature of the fulness of Christ and boldly claim your rightful place as sons and

daughters of the Almighty. Discover the common denominator which characterized our spiritual ancestors—Noah, Abraham, Moses, David, and the apostle Paul. Rekindle your new birth passion and strengthen your faith in a way you never thought possible. Grow past the bashful platitudes and learn the way of the Master. Read the book others are calling “tremendous,” “excellent,” and “refreshing.”

1001 Unforgettable Quotes About God, Faith, and the Bible Ron Rhodes, 2011-04-01 Bible scholar and avid reader Ron Rhodes gathers his favorite quotes from classic and contemporary Christians about Scripture, belief, God, and life. For added spiritual insight, Rhodes provides Bible truths behind each presented quote. Topical selections can be read in order or as areas of interest arise for a reader. Attitude “If you can’t change circumstances, change the way you respond to them.” Tim Hansel (1941-2009), Seminar leader Bible Truth Behind the Quote: “For those who love God all things work together for good, for those who are called according to his purpose” (Romans 8:28). This recognition helps us to respond positively to our circumstances. This rich collection will be a must-have for home and church libraries and will be a great gift for those who love gathering words of wisdom for their Christian walk.

Paul, Philosophy, and the Theopolitical Vision Douglas Harink, 2010-02-12 The apostle Paul was a man of many journeys. We are usually familiar with the geographical ones he made in his own time. This volume traces others--Paul's journeys in our time, as he is co-opted or invited to travel (sometimes as abused slave, sometimes as trusted guide) with modern and recent Continental philosophers and political theorists. Kierkegaard, Nietzsche, Heidegger, and Benjamin; Taubes, Badiou, Zizek, and Agamben--Paul journeys here among the philosophers. In these essays you are invited to travel with them into the regions of philosophy, hermeneutics, political theory, and theology. You will certainly hear the philosophers speak. But Paul will not remain silent. Above the sounds of the journey his voice comes through, loud and clear.

Biblical Theology Andreas J. Köstenberger, Gregory Goswell, 2023-02-23 A Clear, Careful Textbook to Help Bible Students Interpret Scripture Pastors, thoughtful Christians, and students of Scripture must learn how to carefully read and

understand the Bible, but it can be difficult to know where to start. In this clear, logical guide, Andreas J. Köstenberger and Gregory Goswell explain how to interpret Scripture from three effective viewpoints: canonical, thematic, and ethical. Biblical Theology is arranged book by book from the Old Testament (using the Hebrew order) through the New Testament. For each text, Köstenberger and Goswell analyze key biblical-theological themes, discussing the book's place in the overall storyline of Scripture. Next, they focus on the ethical component, showing how God seeks to transform the lives of his people through the inspired text. Following this technique, readers will better understand the theology of each book and its author. A Clearly Written Guide on Biblical Theology: Analyzes all 66 books of the Bible, with emphasis on the coherent, unified framework of Scripture Helps Readers Thoughtfully Interpret Scripture: Provides an essential foundation for a valid theological understanding of Scripture that informs Christian doctrine and ethics Ideal for Pastors, Academics, and Other Serious Students of Scripture: This clear, thoroughly researched guide can be used as a textbook in seminary classes studying biblical theology or the Old and New Testaments

Martin Luther on Reading the Bible as Christian Scripture William M. Marsh, 2017-07-17 Above all else that the sixteenth-century German Reformer was known for, Martin Luther was a Doctor of the Holy Scriptures. One of the most characteristic features of Luther's approach to Scripture was his resolved christological interpretation of the Bible. Many of the Reformer's interpreters have looked back upon Luther's Christ-centered exposition of the Scriptures with sentimentality but have often labeled it as Christianization, particularly in regards to Luther's approach of the Old Testament, dismissing his relevance for today's faithful readers of God's Word. This study revisits this assessment of Luther's christological interpretation of Scripture by way of critical analysis of the Reformer's prefaces to the Bible that he wrote for his translation of the Scriptures into the German vernacular. This work contends that Luther foremost believes Jesus Christ to be the *sensus literalis* of Scripture on the basis of the Bible's messianic promise, not enforcing a dogmatic principle onto the scriptural text and its biblical authors that would be otherwise foreign to them. This study asserts that Luther's exegesis of the Bible's letter (i.e., his engagement with the biblical text) is primarily responsible for his conviction that Christ is Holy Scripture's literal sense.

Paul in the Summa Theologiae Matthew Levering, 2014 Aquinas's commentaries on St. Paul are well known and have received significant attention in the past few years. It is widely known, too, that Aquinas quotes Paul often in the *Summa theologiae*. This aspect of the *Summa*, however, has not been studied in detail. This book seeks to fill that lacuna in scholarship.
