Zlatan Ibrahimovic

Zlatan Style Gordon Law, 2017-04-21 Zlatan Ibrahimovic is regarded as one of the world's best strikers and his fantastic sense of humour and brash confidence also makes him arguably the most quotable. This comprehensive collection has the Manchester United star's most hilarious, controversial and downright arrogant sound bites from his career so far. The best remarks from his spells with Malmo, Ajax, Juventus, Inter Milan, Barcelona, AC Milan and Paris Saint-Germain are all included. Packed with action photos, an in-depth fact file and loads of classic one-liners from the Sweden legend, this book of quips and quotes will have Zlatan fans chuckling throughout the season. I can't help but laugh at how perfect I am. If Mourinho brightens up the room, Guardiola pulls down the curtains. I don't need a scary nickname. You just have to watch me to feel scared. If they replace the Eiffel Tower with a statue of me, then I will stay.

Face to Face Kausik Bandyopadhyay, 2021-03-30 While rivalry is embedded in any sporting event or performance, soccer, the world's most popular mass spectator sport, has been an emblem of such rivalries since its inception as an organized sport. Some of these rivalries grow to become long-term and perennial by their nature, extent, impact and legacy, from the local to the global level. They represent identities based on widely diverse affiliations of human life—locality, region, nation, continent, community, class, culture, religion, ethnicity, and so on. Yet, at times, such rivalries transcend barriers of space and time, where soccer-clubs, -nations, -personalities, -organizations, -styles and -fans float and compete with intriguing identities. The present volume brings into focus some of the most fascinating and enduring rivalries in the world of soccer. It attempts to encapsulate, analyse and reconstruct those rivalries—between nations, between clubs, between personalities, between styles of play, between fandoms, and between organizations—in a historical perspective in relation to diverse identities, competing ideologies, contestations of power, psychologies of attachment, bonds of loyalty, notions of enmity, articulations of violence, and affinities of fan culture—some of the core manifestations of sporting rivalry. The chapters in this book were originally published as a special issue of Soccer & Society.

Say What? Doreen Chila-Jones, 2017-10-03 Say What? is a compilation of 670 of the most memorable things that should never have been said. You'll find, of course, quotes from dictators, drug lords, and murderers, but much more shocking are

the entries by Nobel Prize winners, religious leaders, and beloved icons. Doreen Chila-Jones has collected hundreds of extraordinary quotes, and everyone is fair game—even Mother Teresa: “I think it is very beautiful for the poor to accept their lot, to share it with the passion of the Christ. I think the world is being much helped by the suffering of the poor people.” Say what?

Louis van Gaal Maarten Meijer,2014-07-24 So who is Louis van Gaal? An inflexible ex-PE teacher who only knows how to act like a dictator or a footballing visionary that has made him one of the greatest ever European managers? Wherever he has gone, Van Gaal has been accused of being a domineering disciplinarian and a control freak. He is certainly, by his own admission, a man who leaves nothing to chance. A disciple in the 1970s of Rinus Michels’ Total Football philosophy, he is a fascinating contradiction – an ultra-individualist utterly devoted to the collective effort. He believes in the team over the individual, in always having a plan and a team prepared to follow it. Van Gaal led the young Ajax team he moulded to Champions League glory in 1995, went on to win titles across Europe with Barcelona, AZ Alkmaar and Bayern Munich and served two stints as national coach of Holland. It is a career that has never been short on colour and drama – from fallouts with players to rants at the media wherever he has managed. Dutch football commentator Maarten Meijer’s has written the definitive biography of van Gaal – both the man and his methods. It offers the best psychological insight so far – from his earliest roots to his greatest triumphs – into the man given the task of returning the glory days to Manchester United. **New chapter on Louis van Gaal's first season with Manchester United**

We Love Football Adrian Adams,2014-04-25 Football is the greatest game in the world. Place can not be found in the world where it is not played. As Eusebio wisely said: “Anyone can play whether you are poor or rich. All you need is space and a ball”. Football players and coaches are known from colorful language. Most of the quotes in this book are hilarious. Like Zlatan: Now I’m here, I think the people in Paris will have something else to see besides the Mona Lisa” Many of the quotes are very inspiring as well. Messi gives us a good example: “Talent and elegance mean nothing without rigor and precision” Let’s enjoy players and coaches brightest moments.

On the Philosophy of Central European Art Max Rynänen, 2020-11-17 This book is an introduction to the history of the concept and the institution of (fine) art, from its ancient Southern European roots to the establishment of the modern system of the arts in eighteenth century Central Europe. It highlights the way the concept and institution of (fine) art, through colonialism and diaspora, conquered the world. Rynänen presents globally competing frameworks from India to Japan but also describes how the art system debased local European artistic cultures (by women, members of the working class, etc) and how art with the capital A appropriated not just non-Western but also Western alternatives to art (popular culture). The book discusses alternative art forms such as sport, kitsch, and rap music as pockets of resistance and resources for future concepts of art. Ultimately, the book introduces nobrow as an alternative to high and low, a new concept that sheds light on the democratic potentials of the field of art and invites reader to rethink the nature of art.

How the Ship Changed My Life Goran Žganec, 2025-01-03 Due to the difficulty to find a job in his city, Goran chooses the type of career that changed his life. He started to work on a cruise ship in the hospitality industry in 2013. He has three contracts in three different cruise ships. He considers this experience the most difficult but also the most valuable that life has taught him. Working on a vessel requires huge sacrifices like being miles away for more than half a year from family and friends, working with different nationalities and cultures, brutally heavy pace of minimal ten working hours every day and often even more without normal sleeping hours but on the other hand a piece of relaxation that makes it very special such as travelling to various attractive world tourist destinations and creating unforgettable friendships and adventures. Because of his soccer dream, he left the cruiser in 2016 together with Elizabeth from Peru (back then his girlfriend, today his wife) and since 2017 they live in Munich, Germany. From the first day spent on the ship, during all the rich experiences and adventures until the last disembarkation, through magical Peru and a special proposal on the beautiful Machu Picchu to the current life in Germany, he continues to explore new places and shares his soccer passion. Ship life inspired him to write this book and motivate people in achieving their biggest goals because he strongly believes that everything is possible if the person really wants it.
