House of Shifting Tides Olivia Wildenstein, 2025-11-14 The Bookish Box Exclusive Luxe Edition of House of Shifting Tides by Olivia Wildenstein Dive into the first standalone spin-off of the bestselling series and Booktok sensation, The Kingdom of Crows. Cathal's story takes place right after the events of House of Striking Oaths and should be read in order. TWICE UPON A TIME, A PRINCESS FELL IN LOVE WITH A BEAST. I was reborn with no memory of my previous life and no powers, save for transforming into an aberration most wish eliminated. Among the few who don't wish me dead are the Shabbin Queen, Fallon and her mate Lorcan, and Cathal Báeinach-Fallon's father and my self-appointed sentry. Despite my best efforts, I cannot understand why the Crow King's boorish general has decided to guard me, a woman he can barely stand to look at. I may lack education and be physically unpleasing, but do I deserve such scorn? More importantly, though, if he's repulsed by me, then why stay? When I suggest he leave, he reminds me that he's one of the most lethal males in the realm. And while he may be that, he's also one of the most infuriating. A male who makes my blood run hot with equal measure irritation and lust. Why must I be drawn to the brute who loathes me? And why, when I forge a magical mind link to another male, must I keep hungering for the Crow who-finally-left? House of Shifting Tides is a spellbinding tale of destiny, found family, and second chance romance, where blood isn't always thicker than water and where fated love consumes all.

The result is this perceptive, hilarious record of the journey. Travels in Western Africa in 1845 & 1846: From the Kingdom of Dahomey to Adofoodia John Duncan,2023-07-10 In *Travels in Western Africa in 1845 & 1846: From the Kingdom of Dahomey to Adofoodia*, John Duncan offers a vivid and

detailed account of his journey through the intricate landscapes and vibrant cultures of Western Africa. The narrative is characterized by a keen observational style, intertwining rich descriptions of local customs, geographical features, and the socio-political dynamics he encountered. Duncan's travelogue not only enlightens readers on the regions visited but also situates itself within the broader context of 19th-century exploration literature, which often aimed to expand European understanding of Africa amid the prevailing imperial attitudes of the time. John Duncan, a Scottish adventurer and journalist, embarked on this expedition driven by a profound curiosity about the African continent and its people. His travels were shaped by the period's geopolitical shifts, as well as the burgeoning interest in African culture and natural history, which compelled many Europeans to explore beyond their familiar territories. Through his immersive experiences, Duncan gained unique insights into issues of trade, colonialism, and cultural exchange that were pivotal to the era, influencing his perspectives and writings. *Travels in Western Africa* is an essential read for anyone interested in African history, colonial studies, and the genre of travel literature. Duncan's meticulous observations and empathetic portrayal of the societies he encountered invite readers to engage with the complexities of cultural interactions. This work not only serves as a historical document but also challenges contemporary perceptions of Africa by revealing the rich narratives that emerge from its diverse cultures.

It’s a tale full of rich and striking characters which vividly captures life as an Irish navvy in the last century - a world of immigration, violence, sex, triumph and, ultimately, tragedy. The Kingdom of Forever Sheri Dunham Haan, 2023-12-07 God’s story. The most amazing story that has ever been told. It began a forever ago as God surveyed the endless space. He foresaw the future which was soon to appear. With the power of his will, he spoke. Angels filled the skies. Innumerable angels, all singing praise to their creator. Imagine the angels’ surprise when they heard God’s words call forth numerous amazing creations. Seas and creeks. Trees and plants. Mountains and valleys. Animals, some so tiny they could hardly be seen. Others, massive. Then, God paused. He would now create the

crown jewel of creation. The reason for which he created the world. But this time he would not use words. He would form this creature using his own hands. God gathered some dirt. Worked it with his hands, shaping it carefully. And then the moment came. God lifted the lifeless creature to himself and breathed his own breath into this first ever person, Adam. God's heart, pleased. God observed his world. He saw creatures of all sizes and shapes. Male and female. God then paused, realizing that he was not yet done. He put Adam into a deep sleep and removed one of his ribs. Using it, he created a woman. When Adam awoke, he was amazed. A creature so like him yet different in such interesting ways. Together they explored their new world and each other, experiencing a thrill beyond description. God's amazing world. Perfect in every way. That is, until...

The Kingdom of God Ruth Odia, 2009-06 By the time Jesus was twelve years old, He was so well grounded in the Word that all who heard Him were amazed at His understanding. Parents and guardians can use this devotional as a resource to lead family devotions if they have a young family or to train and disciple younger children who cannot read. This daily devotional is also a tool that children can use to develop a personal time of fellowship with God as soon as they are able to read on their own. As soon as children can read for themselves, they can develop the habit of beginning each day by planting a seed from God's Word in their hearts. In obedience to Jesus' command, we as parents need to do our part faithfully to make disciples of our children, ensuring that they are rooted firmly in the Word of God. The Holy Spirit will do the rest. Jesus also said, Here is what God's kingdom is like. A farmer scatters seed on the ground. Night and day the seed comes up and grows. It happens whether the farmer sleeps or gets up. He doesn't know how it happens. All by itself the soil produces grain. First the stalk comes up. Then the head appears. Finally, the full grain appears in the head. Before long the grain ripens. So the farmer cuts it down, because the harvest is ready. (Mark 4:26-29 NIRV). The author currently lives in Kitchener, Ontario with her husband Judah and their five children. When she is not busy mothering, Ruth likes to spend time reading, writing, and enjoying the great outdoors.
