Wildlife Damage Management Russell F. Reidinger,James E. Miller,2013-11 Reidinger and Miller argue that, in recent years, the rate of undesirable human-wildlife interactions has risen in many areas, owing in part to the expansion of residences into places formerly wild or agricultural, making wildlife damage management even more relevant. From suburban deer eating gardens and shrubs, to mountain lions threatening pets and people, to accidentally introduced species outcompeting native species, Reidinger and Miller show how proper management can reduce wildlife damage to an acceptable, cost-effective level. An extensive section on available resources, a glossary that explains terms and concepts, and detailed figures will aid both students and seasoned professionals. Instructors will find this text arranged perfectly for a semester-long course. The end-of-chapter questions will allow students to ponder the ways wildlife damage management concepts can be put into practice.

The Builder's Stone Melanie Phillips,2025-02-04 Western civilization is facing a critical moment. Foreign enemies sensing its weakness are circling. Internally, the West is being consumed by division, decadence, and demoralization. The October 7 attack on Israel presented it with a choice between civilization and barbarism—a challenge the West has failed. But this damaged society is far from lost if it takes advice from an unexpected source. Western culture is based upon Christianity, whose own foundations in turn lie in Judaism. The unique survival of the Jewish people offers both the West and its struggling Christian church, as well as secular people who shun religion, priceless lessons in resilience that they must learn if their culture is to survive.

Women in Chinese Buddhism Jessica Huset Tilton,2025-10-30 Tilton examines how cultural, political and economic forces exert pressures on the levels of freedom and equality for female Buddhists within the Buddhist community as well as

women's rights within society. The book charts women's spiritual paths over four periods, beginning with the Buddha and his revolutionary stance on women, to the creation of a fully ordained female Saṅgha in China—which peaked during the Tang dynasty—and finally to its resurgence in the late Qing and early Republic period, ending with a sharp decline to near extinction during the Mao Zedong years (1949–1976). As the nun and lay communities arise directly from the broader female community, Tilton argues that there is a direct correlation between women's rights issues and those of liberties for Buddhist women within the Saṅgha. Specifically, women's equality within “this world” as well as their right to achieve liberation from “this world,” or saṃsāra. Charting the evolution of Buddhist women in China across multiple centuries, this book is a valuable resource for academics, researchers and students of Asian Studies, Buddhist Studies, as well as those interested in the intersection of gender and religion.

**Extraordinary Valor** William Reeder, 2022-06-15 A Congressional Medal of Honor Account Extraordinary Valor is the story of Special Forces Major John Duffy's Medal of Honor gallantry at Firebase Charlie, and the heroism of South Vietnamese paratrooper, Major Lê Văn Mễ, who fought by his side. It is the true story of their battle to defend Charlie Hill, a key to holding Vietnam's Central Highlands during North Vietnam's 1972 Easter Offensive. John Joseph Duffy was born in New York City; Le Van Mễ in a small village outside the old imperial capital of Hue in South Vietnam. Living on opposite sides of the globe, they come together in the heat of war in Southeast Asia when Major Duffy is assigned as the American advisor to the elite South Vietnamese 11th Airborne Battalion where Mễ is second in command. The battalion receives the order to Fight to the death on Charlie Hill. After two weeks of intense combat, hundreds lay dead and those still standing are out of food, water, and medical supplies. Their ammunition is nearly gone. Duffy and Mễ draw on their bond of friendship and trust to make a selfless two-man last stand against the final North Vietnamese human wave assault. Both are badly wounded, Duffy multiple times. Their heroic action allows 36 members of the 471-man battalion to escape and be rescued. The rest are killed, captured, or missing in action. This is their story.

**Saying Yes to Life** Ruth Valerio, 2019-12-19 'Ruth Valerio's book is perfect for individuals and groups to think, reflect, pray and be challenged together.' JUSTIN WELBY, from the Foreword 'An arresting and thought-provoking book, brilliantly conceived . . . by turns beautiful and sobering, encouraging and challenging.' PETE WILCOX, BISHOP OF SHEFFIELD Saying Yes to Life (originally published as the Archbishop of Canterbury's Lent Book 2020) lifts our focus from natural, everyday concerns to issues that are having an impact on millions of lives around the world. As people made in the image of God, we are entrusted to look after what he has created: to share in God's joy and ingenuity in making a difference for good. Ruth Valerio imaginatively draws on the Days of Creation (Genesis 1) as she relates themes of light, water, land, the seasons, other creatures, humankind, Sabbath rest and resurrection hope to matters of environmental, ethical and social concern. Foundational to Saying Yes to Life is what it means to be human and, in particular, to be a follower of Jesus. Voices from around the world are heard throughout, and each chapter ends with discussion questions and a prayer to aid action and contemplation.
