## Will Durant

**The Story of Philosophy** Will Durant, 2006 The Story of Philosophy chronicles the ideas of the great thinkers, the economic and intellectual environments which influenced them, and the personal traits and adventures out of which each philosophy grew.

**The Story of Philosophy, By Will Durant** Will Durant, 1943

*The Story of Philosophy* Will Durant, 2012 The Story of Philosophy chronicles the ideas of the great thinkers, the economic and intellectual environments which influenced them, and the personal traits and adventures out of which each philosophy grew.

*The Story of Philosophy* Will Durant, 2023-03-13 The Story of Philosophy: The Lives and Opinions of the Greater Philosophers is a 1926 book by Will Durant, in which he profiles several prominent Western philosophers and their ideas, beginning with Socrates and Plato and on through Friedrich Nietzsche. Durant attempts to show the interconnection of their ideas and how one philosopher's ideas informed the next. There are nine chapters each focused on one philosopher, and two more chapters each containing briefer profiles of three early 20th century philosophers. The book was published in 1926, with a revised second edition released in 1933. The work was preceded by a number of pamphlets in the Little Blue Books series of inexpensive worker education pamphlets. They proved so popular they were assembled into a single book and published in hardcover form by Simon & Schuster in 1926. Philosophers profiled are, in order: Plato (with a section on Socrates), Aristotle, Francis Bacon, Baruch Spinoza (with a section on Descartes), Voltaire (with a section on Rousseau), Immanuel Kant (with a section on Hegel), Arthur Schopenhauer, Herbert Spencer, and Friedrich Nietzsche. The final two chapters are devoted to European and then American philosophers. Henri Bergson, Benedetto Croce, and Bertrand Russell are covered in the tenth, and George Santayana, William James, and John Dewey are covered in the eleventh. In a foreword to the readers in the second edition of the book, Durant expresses his acknowledgement for the criticism that the book received as to how it does not include philosophers from the Asian continent, most notably Confucius, Buddha and Adi Shankara. This work is the source of the popular quote, typically misattributed to Aristotle: We are what we repeatedly do. Excellence, then, is not an act, but a habit. The phrase was originated by Durant when discussing Aristotle's work. (wikipedia.org) About the author: William James Durant (November 5, 1885 - November 7, 1981) was an American writer,

historian, and philosopher. He became best known for his work, *The Story of Civilization*, which contains 11 volumes and details the history of eastern and western civilizations. It was written in collaboration with his wife, Ariel Durant, and published between 1935 and 1975. He was earlier noted for *The Story of Philosophy* (1926), described as a groundbreaking work that helped to popularize philosophy. Durant conceived of philosophy as total perspective or seeing things *sub specie totius* (i.e., from the perspective of the whole)-a phrase inspired by Spinoza's *sub specie aeternitatis*, roughly meaning from the perspective of the eternal. He sought to unify and humanize the great body of historical knowledge, which had grown voluminous and become fragmented into esoteric specialties, and to vitalize it for contemporary application. As a result of their success, he and his wife were jointly awarded the Pulitzer Prize for General Nonfiction in 1968 and the Presidential Medal of Freedom in 1977. ...(wikipedia.org)

**The Story of Philosophy** Will Durant, 2015-01-06 The product of eleven years of research, *The Story of Philosophy* is an endlessly inspiring and instructive chronicle of the world's greatest thinkers, from Socrates to Santayana. Written with exacting and scrupulous scholarship, it was designed both to command the respect of educators and to capture the interest of the layman. Durant lucidly describes the philosophical systems of such world-famous "monarchs of the mind" as Plato, Aristotle, Francis Bacon, Spinoza, Kant, Voltaire, and Nietzsche. Along with their ideas, he offers their flesh-and-blood biographies, placing their thoughts within their own time and place and elucidating their influence on our modern intellectual heritage. These pages are packed with wisdom and wit.

**The Story of Philosophy** Will Durant, 1978-04-03 For use in schools and libraries only. A brilliant and concise account of the lives and ideas of the great philosophers--Plato, Aristotle, Bacon, Spinoza, Voltaire, Kant, Schopenhauer, Spencer, Nietzsche, Bergson, Croce, Russell, Santayana, James and Dewey--*The Story of Philosophy* is one of t

**The Story of Philosophy (Original Classic Edition)** Will Durant, 2025-03-25 *The Story of Philosophy* was first published in 1926, with modest expectations that were soon outgrown. In a few years, it sold 2 million copies. To this day, it is still capturing new readers in America and has found many abroad in translations into Chinese, Czech, Danish, Dutch, Finnish, German, French, Hebrew, Hungarian, Italian, Japanese, Norwegian, Polish, Portuguese, Serbo-Croatian, Spanish, and Swedish. Durant provides an immensely astute, clear, and enjoyable story of philosophy. He focuses not on schools of thought or subdisciplines, but on the most vigorous, powerful, and appealing thinkers in the Western philosophical tradition, starting with the founding figures of Plato and Aristotle, and taking us through Francis Bacon, the prime theorist of present-day scientific thought, and on to Spinoza, whom Durant prizes above all for his earnest effort to live his own philosophy. Then

Durant proceeds to the wise and witty Voltaire, Nietzsche, whose shadow looms over the history of the twentieth century, and other figures, who are not as well known today as they were when this book was published, but who retain vitality and interest. The Story of Philosophy is a rare treasure. In an age of dumbing down and short attention spans, it provides a sweeping and absorbing history of some of the most important ideas that have ever been formed by human minds. Reading it is an education in itself-and an enjoyable one. It is not to be missed.

The Story of Philosophy Will Durant, 2015-05-09 The Story of Philosophy: the Lives and Opinions of the Greater Philosophers is a book by Will Durant that profiles several prominent Western philosophers and their ideas, beginning with Socrates & Plato and on through Friedrich Nietzsche. Durant attempts to show the interconnection of their ideas and how one philosopher's ideas informed the next. There are nine chapters each focused on one philosopher, and two more chapters each containing briefer profiles of three early 20th century philosophers. Philosophy and the Social Problem Will Durant, 2022-07-20 In Philosophy and the Social Problem, Will Durant explores the intricate interplay between philosophical thought and societal challenges, presenting a discourse that integrates theories of ethics, government, and human nature. Written during the tumultuous backdrop of the early 20th century, Durant's prose combines accessible language with profound insights, engaging readers from diverse backgrounds. The book reflects the intellectual climate of its time, addressing issues such as economic disparity and the quest for social justice while drawing upon the wisdom of historical philosophers to propose potential solutions to contemporary dilemmas. Will Durant, a prominent philosopher and historian, co-authored the celebrated The Story of Civilization with his wife, Ariel. His dedication to demystifying complex ideas and rendering philosophy relatable was influenced by his passion for education and clarity in communication. Durant's own experiences in a rapidly changing society fueled his desire to confront the social issues of his time, culminating in this pivotal work that strives to marry philosophical inquiry with practical social reform. Philosophy and the Social Problem is highly recommended for readers seeking a thoughtful examination of the philosophical underpinnings of social issues. Durant's ability to synthesize vast historical knowledge with pressing contemporary concerns renders this work invaluable for students, educators, and activists alike, encouraging critical reflection and inspired action within modern society.

The Story of Philosophy Will Durant, 1926 The Lives and Opinions of the Greater Philosophers.

**A Guide to Plato** Will Durant, 1922

**The Story of Philosophy (Grapevine Edition)** Will Durant, 2024-05-31 The Story of Philosophy is a captivating intellectual journey that explores the evolution of human thought and the enduring legacy of great thinkers throughout history. Written by the renowned author Will Durant, this monumental work provides readers with a comprehensive overview of the world's philosophical traditions, from ancient Greece to the modern era. Through 11 volumes, each dedicated to a specific philosopher or philosophical era, Durant delves into the intricacies of thought, revealing the profound impact of philosophy on human civilization. From Plato's idealism to Aristotle's empirical inquiry and Francis Bacon's scientific revolution, this series offers a deep dive into the intellectual tapestry of human history. The Story of Philosophy is a timeless exploration of the quest for knowledge and wisdom, making it essential reading for anyone curious about the foundations of human thought.

*Transition* Will Durant, 1978-05-15 WILL DURANT (1885-1981) was awarded the Pulitzer Prize (1968) and the Presidential Medal of Freedom (1977). He spent over fifty years writing his critically acclaimed eleven-volume series, *The Story of Civilization* (the later volumes written in conjunction with his wife, Ariel). A champion of human rights issues such as the brotherhood of man and social reform long before such issues were popular, Durant, through his writings, continues to educate and entertain readers the world over.

*An Invitation to Philosophy* Will Durant, John R. Little, 2003-08-01 Perhaps more so than any other discipline, philosophy is best understood as a dialogue between the self and the great minds of the past--a dialogue that has endured for thousands of years. Drawing upon Pulitzer Prize winner Durant's essays, this volume presents a magnificent introduction to philosophy with an overview of its major branches. (Philosophy)

*The Story of Philosophy* Will Durant, 2023-06 There is a pleasure in philosophy, and a lure even in the mirages of metaphysics, which every student feels until the coarse necessities of physical existence drag him from the heights of thought into the mart of economic strife and gain. Most of us have known some golden days in the June of life when philosophy was in fact what Plato calls it, that dear delight; when the love of a modestly elusive Truth seemed more glorious, incomparably, than the lust for the ways of the flesh and the dross of the world. And there is always some wistful remnant in us of that early wooing of wisdom. So much of our lives is meaningless, a self-cancelling vacillation and futility; we strive with the chaos about us and within; but we would believe all the while that there is something vital and significant in us; could we but decipher our own souls. We want to understand; we are like Mitya in *The Brothers Karamazov* - one of those who don't want millions, but an answer to their questions; we want to seize the value and perspective of passing things, and so to pull ourselves up out of the maelstrom of daily circumstance. We want to know that the little things are little, and the big things big, before it is too late; we want to see things now as they will seem forever - in the light of eternity. We want to learn to

laugh in the face of the inevitable, to smile even at the looming of death. We want to be whole, to coordinate our energies by criticizing and harmonizing our desires; for coordinated energy is the last word in ethics and politics, and perhaps in logic and metaphysics too. Truth will not make us rich, but it will make us free. This book is not a complete history of Philosophy. It is an attempt to humanize knowledge by centering the story of speculative thought around certain dominant personalities. Certain lesser figures have been omitted in order that those selected might have the space required to make them live. Hence the inadequate treatment of the half-legendary pre-Socratics, the Stoics and Epicureans, the Scholastics, and the epistemologists. The author believes that epistemology has kidnapped modern philosophy, and well-nigh ruined it; he hopes for the time when the study of the knowledge-process will be recognized as the business of the science of psychology, and when philosophy will again be understood as the synthetic interpretation of all experience rather than the analytic description of the mode and process of experience itself. Analysis belongs to science, and gives us knowledge; philosophy must provide a synthesis for wisdom.

*On the Meaning of Life* Will Durant, 2005-03 In 1930, a stranger walked up to the home of Will Durant and asked Durant if he could give him one good reason not to kill himself. The encounter so moved Durant that, in 1932, Durant released *On the Meaning of Life*, a collection of essays from various public and private figures ruminating on the meaning of life. Long sought and hard to come by, this book is one of the most meaningful books Will Durant ever brought to the public.

**Adventures in Philosophy** Will Durant, John Little, 2008-01 Will Durant once lamented that, philosophy is no longer loved today because she has lost the spirit of adventure. *Adventures in Philosophy* is Durant's attempt to recapture that spirit. In actual debates, symposiums, and personal discussions, topics such as the meaning of life, politics, religion, history, and the nature of humanity are all explored by Durant and some of the leading minds of the 20th century. Also included are fictional dialogues, written by Durant, which bring together many of history's greatest minds in a discussion of philosophy's most challenging questions. In these symposiums, the scope and breadth of Durant's erudition is at once apparent, yet done so in wonderful, often epigrammatic, prose that (as Max Schuster once commented) begs to read aloud.

**The Story of Philosophy - The Lives and Opinions of the World's Greatest Philosophers; Including an Article on The Story of Philosophy** Will Durant, 2022-09-27 Will Durant's introduction to Western philosophy takes beginners on a journey through the evolution of thought, intricately examining 19 philosophers from Plato through to Friedrich Nietzsche. *The Story of Philosophy - The Lives and Opinions of the World's Greatest Philosophers* examines the ideas of 19 philosophers in 11 succinct chapters. Combining philosophy with history and biography, Will Durant revives many old ideas and demonstrates how different philosophical thoughts evolved into one another. We are what we repeatedly do. Excellence, then, is not an act, but a habit. This volume features an analysis of 19 philosophers including: - Plato - Socrates - Aristotle - Francis Bacon - Baruch Spinoza - Descartes - Voltaire - Rousseau - Immanuel Kant - Hegel - Arthur Schopenhauer - Herbert

Spencer - Friedrich Nietzsche First published in 1926, Durant's study of Western philosophy is an ideal read for those who wish to further their knowledge and understanding of philosophical thought and ideas through history. This volume features an article on 'The Story of Philosophy'.

### Will Durant The Story Of Philosophy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website

is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Will Durant The Story Of Philosophy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic

community. When it comes to downloading Will Durant The Story Of Philosophy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Will Durant The Story Of Philosophy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the

authenticity of the source before downloading Will Durant The Story Of Philosophy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Will Durant The Story Of Philosophy any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Will Durant The Story Of Philosophy Books

1. Where can I buy Will Durant The Story Of Philosophy books?  
Bookstores: Physical bookstores like Barnes & Noble,

Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Will Durant The Story Of Philosophy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
