Being Disciples Rowan Williams, 2016-07-21 If discipleship is a journey, this book belongs in the rucksack. . . Like the scriptures on which it is based, it deserves repeated reading. Stephen Cherry, Dean of Kings College, Cambridge This fresh and inspiring look at the meaning of discipleship covers the essentials of the christian life, including: faith, hope and love; forgiveness; holiness; social action; life in the Spirit. Written for the general reader by one of our greatest living theologians, this book will help you to see more clearly, love more dearly and follow more nearly the way of Jesus Christ.

**Discovering Christianity** Rowan Williams, 2025-02-20 'Rowan Williams offers a typically intelligent, attractive, and beguiling picture of what it means to be a Christian... When I read Williams I feel something coming to birth inside me, whispers from a shore I want to set out for.' Mark Oakley, Dean of Southwark Cathedral, London Internationally acclaimed theologian Rowan Williams invites you to explore with him the vital questions that go right to the heart of Christianity: How does Jesus reveal God? Who or what is the Holy Spirit? Why do Christians treasure the Bible? What's the point of theology? Rowan Williams' guide to the essentials of the faith will get you thinking about God in fresh and exciting ways. It will help you to grasp the way in which the best Christian theology is arrived at through the creative interplay of scripture, tradition and reason. And it will help you develop a broader and deeper appreciation of the positive difference Christianity continues to make in the world today. Brief, engaging and profoundly simple, this book takes you to the heart of what Christianity is all about, offering food for thought for a lifetime.

On Augustine Rowan Williams, 2016-04-07 Since his retirement as Archbishop of Canterbury and his return to academic life (Master of Magdalene College Cambridge) Rowan Williams has demonstrated a massive new surge of intellectual energy. In this new book he turns his attention to St Augustine. St Augustine not only shaped the development of Western theology, he also made a major contribution to political theory (City of God) and through his Confessions to the understanding of human psychology. Rowan Williams has an entirely fresh perspective on these matters and the chapter titles in this new book demonstrate this at a glance - 'Language Reality and Desire', 'Politics and the Soul', 'Paradoxes of Self Knowledge', 'Insubstantial Evil'. As with his previous titles, Dostoevsky, The Edge of Words and Faith in the Public Square this new study is sure to be a major contribution on a compelling subject.

**Being Human** Rowan Williams, 2018-09-04 What is consciousness? Is the mind a machine? What makes each of us a

person? How do our bodies relate to our minds? In this deeply engaging exploration of what it means to be human, Rowan Williams addresses these frequently asked questions with lucid meditations that draw from findings in neuroscience, philosophy, psychology, and literature. Then he presses on to ask, Might faith be necessary to human flourishing? If so, why? And how can a traditional Christian practice—namely, silence—help us advance on the path to human maturity? The book ends with a brief but profound meditation on Christ's ascension, inviting readers to consider how, through Jesus, our humanity in all its variety and vulnerability has been transfigured and taken into the heart of the divine life. *Being Human* is a book that readers of all religious persuasions will find both challenging and highly rewarding. Questions at the end of each chapter encourage personal reflection or group discussion.

**Rowan Williams in Conversation** GREG GARRETT & ROWAN WILLIAMS, 2020-05-21 Millions have read his words or heard him speak. Now here's a chance to find out more about the man behind the books and speeches. Be a fly on the wall as two friends – one the former Archbishop of Canterbury, the other 'one of America's leading voices on religion and culture' (BBC Radio) – talk about their shared passions and interests. This is Rowan Williams at his most relaxed and personal. Listen in as he reflects on the vital pursuits that have characterized his life and ministry: among them, friendship, imagination, popular culture, faith and politics, prayer, and the blessings of sacred community. Rowan Williams has made a unique contribution to the spiritual life of the English-speaking world. This eminently accessible introduction to the man and his thought reveals why.

**A Ray of Darkness** Rowan Williams, 1995-01-25 This collection of pastoral sermons and addresses, shows how the faith of the creeds can still equip Christians for a vigorous and critical engagement with the world of today.

**Christ the Heart of Creation** Rowan Williams, 2018-09-06 In this wide-ranging book, Rowan Williams argues that what we say about Jesus Christ is key to understanding what Christian belief says about creator and creation overall. Through detailed discussion of texts from the earliest centuries to the present day, we are shown some of the various and subtle ways in which Christians have discovered in their reflections on Christ the possibility of a deeply affirmative approach to creation, and a set of radical insights in ethics and politics as well. Throughout his life, Rowan Williams has been deeply influenced by thinkers of the Eastern Christian tradition as well as Catholic and Anglican writers. This book draws on insights from Eastern Christianity, from the Western Middle Ages and from Reformed thinkers, from Calvin to Bonhoeffer – as well as considering theological insights sparked by philosophers like Kierkegaard and Wittgenstein. *Christ the Heart of Creation* concerns fundamental issues for Christian belief and Williams tackles them head-on: he writes with pellucid clarity and shows his gift for putting across what are inevitably complex ideas to a wide audience.

**Being Christian** Rowan Williams, 2014-07-23 In this simple, beautifully written book Rowan Williams explores four essential components of the Christian life: baptism, Bible, Eucharist, and prayer. Despite huge differences in Christian

thinking and practice both today and in past centuries, he says, these four basic elements have remained constant and indispensable for the majority of those who call themselves Christians. In accessible, pastoral terms Williams discusses the meaning and practice of baptism, the Bible, the Eucharist, and prayer, inviting readers to really think through the Christian faith and how to live it out. Questions for reflection and discussion at the end of each chapter help readers to dig deeper and apply Williams's insights to their own lives.

Rowan's Rule Rupert Shortt, 2009-02-24 A fascinating, fair-minded depiction of Archbishop Rowan Williams. / Rowan Williams is a complex and controversial figure. Widely revered for his personal qualities, he is also an intellectual giant who towers over almost all his predecessors as Archbishop of Canterbury. Among other achievements, he has trounced the atheist Richard Dawkins, and published over twenty well-regarded books, including several volumes of poetry and a major study of Dostoevsky. / Yet he is also one of the most reviled church leaders in modern history. Long before facing calls to step down after his lecture on sharia law in early 2008, he had been accused of heresy on account of his pro-gay views. He has disappointed many of his own supporters as well. So how has high office changed Rowan Williams? Has he been bullied and manipulated? Or is he perhaps playing a long game, obliged to rate church unity above the pursuit of his own vision at a time when the Anglican Communion has never looked more unstable? / Rupert Shortt, already the author of an acclaimed introduction to the Archbishop's thought, offers answers to these and other questions in this authoritative biography. He explores how the events of the Archbishop's remarkable life have shaped his beliefs and practices today. Of particular interest is the riveting account of Williams's experience near the World Trade Center towers on the morning of September 11, 2001. Written with Williams's cooperation, *Rowan's Rule* not only elucidates his ideas but gives a compelling portrait of a private and in some ways surprisingly vulnerable man.

**Passions of the Soul** Rowan Williams, 2004-01-18 The Eastern Christian tradition is filled with theological and spiritual riches. In *Passions of the Soul*, Rowan Williams opens up the great classics of Eastern Christian writing to show how it can help us to understand and cope with the ups and downs of modern life. With compelling and illuminating insight, he shows the cost of living in a culture that is theologically and philosophically undernourished, working with a diminished and trivialized picture of the human self. The Eastern tradition teaches us how to develop our self-knowledge and awareness, so that we can relate to the world without selfish illusions. Only then can we be ready for our eyes to be opened to God, and avoid destructive patterns of behaviour. Only in this way can we understand the kind of people we need to become.

Luminaries Rowan Williams, 2019-08-15 'Rowan Williams is one of the great theologians of our time. He is also an inspiring teacher whose godly wisdom helps us understand profound truths.' Nicky Gumbel Starting in the first century with St Paul and ending in the twentieth with St Oscar Romero, Rowan Williams invites you to reflect with him on the lives and legacies of twenty great Christians – saints, martyrs, poets, theologians and social reformers. Their stories and writings have

profoundly influenced his own life and thought, and this sequence of short reflections is sure to sharpen your theological vision and cast a fresh light on what it means to live and breathe the gospel. Included among these 'luminaries' are Augustine of Hippo, William Tyndale, Teresa of Avila, Charles Dickens, Florence Nightingale, Dietrich Bonhoeffer and Simone Weil, Let these brilliant meditations light your way as you follow the footsteps of the faithful who have gone before.

**Candles in the Dark** Rowan Williams, 2021-02-09 This powerful and timely book brings together the 26 weekly Christian meditations originally posted online from March to September 2020, during lockdown in the first wave of the Covid-19 pandemic, for the congregation of his local parish church.

**Holy Living** Rowan Williams, 2017-09-21 Rowan Williams writes accessibly and for the general reader on belief, Christianity and the place of religion today. Apart from being a scholar and theologian, Rowan Williams has also demonstrated a rare gift for speaking and writing plainly and clearly about essentials of the Christian faith. In the chapters of this book he writes with profound perception about the life of holiness to which we are called. The range of Williams' frame of reference is astonishing – he brings poets and theologians to his aid, he writes about the Rule of St Benedict, the Bible, Icons, contemplation, St Teresa of Avila and even R. D. Laing. He concludes with two chapters on the injunction 'Know Thyself' in a Christian context. Throughout, Williams points out that holiness is a state of being – it is he writes 'completely undemonstrative and lacking any system of expertise. It can never be dissected and analysed.'

**Anglican Identities** Rowan Williams, 2003 Is there an Anglican identity? Or is living with the tension between different temperaments and histories itself at the heart of the genius of Anglicanism? Anglican Identities draws together studies and profiles by Rowan Williams that sympathetically explore approaches to scripture, tradition, and authority that are very different-yet at the same time distinctively Anglican. William Tyndale, Richard Hooker, George Herbert, B. F. Westcott, Michael Ramsey, and John A. T. Robinson are among the writers and theologians whose work Archbishop Williams explores. Williams resists easy characterizations and makes surprising connections between apparently opposing positions. In his study of the Victorian biblical scholar B. F. Westcott, for example, he suggests that “we might begin to identify a style of Anglican liberalism that is rather different from what liberalism is commonly supposed to be.” Significantly, the name that recurs most often in these essays is that of Richard Hooker: “tantalizingly hard to pigeonhole-like the Anglican tradition as a whole.” Anglican Identities conveys the richness of the Anglican mosaic without ducking the difficult question of how far diversity can stretch before a common tradition begins to fragment.

**Rowan Williams** Rupert Shortt, 2003-09-01 The first occupant of Lambeth Palace in several generations with an international reputation as a theologian, he is nevertheless often considered a difficult writer, more admired than read and understood. Many people remain puzzled by how his social radicalism can coexist with a reputation for orthodoxy in doctrine. Rowan Williams: An Introduction is the first thorough account of the Archbishop's career and evolution as a thinker. A long

biographical chapter is followed by three further sections on key aspects of Williams's theology, spirituality and politics. The result is a sympathetic but not uncritical profile of a leader with unmatched talents for enhancing dialogue between Christianity and secular culture.

**Where God Happens** Rowan Williams, 2007-08-14 The place where God happens, according to Rowan Williams's striking new reading of the Desert Fathers and Mothers, is between each other. It's a truth that we of the twenty-first century most urgently need to learn in order to heal the experience of alienation that has become endemic to our age, and these odd and appealing ancient figures, surprisingly, hold keys to this healing. The fourth-century Christian hermits of Egypt, Syria, and Palestine understood the truth of Christian community profoundly, and their lives demonstrate it vividly—even though they often lived in solitude and isolation. The author breaks through our preconceived ideas of the Desert Fathers to reveal them in a new light: as true and worthy role models—even for us in our modern lives—who have much to teach us about dealing with the anxieties, uncertainties, and sense of isolation that have become hallmarks of modern life. They especially embody valuable insights about community, about how to live together in an intimate and meaningful way. Williams makes these radical figures, who clearly have a special place in his heart, come to life in a new way for everyone. The book includes an appendix of selections from the teachings of the Desert Fathers.

**Why Study the Past?** Rowan Williams, 2005-07-06 In this small but thoughtful volume, a respected theologian and churchman opens up a theological approach to history.

**Meeting God in Mark** Rowan Williams, 2015-01-12 Meeting God in Mark explores the essential meaning and purpose of Mark's Gospel for beginners who may be curious about the Gospels and want to learn more, as well as for those who've read the Gospel many times before and want to see it in a fresh light. This beautifully written book by beloved Anglican Rowan Williams, former Archbishop of Canterbury, is packed with illuminating spiritual insights, and the focus on the Passion narrative makes this ideal as a Lenten devotional or study resource. Each of the three chapters includes questions for reflection. The end of the book includes a reading guide, reflection, and prayer for each of the seven weeks of Lent.

**The Way of St Benedict** Rowan Williams, 2020-01-09 With typical eloquence and wisdom, in *The Way of St Benedict* Rowan Williams explores the appeal of St Benedict's sixth-century Rule, showing it to be a document of great relevance to present day Christians and non-believers at our particular moment in history. For over a millennium the Rule – a set of guidelines for monastic conduct – has been influential on the life of Benedictine monks, but has also served in some sense as a 'background note' to almost all areas of civic experience: artistic, intellectual and institutional. The effects of this on society have been far-reaching and Benedictine communities and houses still attract countless visitors, testifying to the appeal and continuing relevance of Benedict's principles. As the author writes, the chapters of his book, which range from a discussion of Abbot Cuthbert Butler's mysticism to 'Benedict and the Future of Europe', are 'simply an invitation to look at various

current questions through the lens of the Rule and to reflect on aspects of Benedictine history that might have something to say to us'. With Williams as our guide, *The Way of St Benedict* speaks to the Rule's ability to help anyone live more fully in harmony with others whilst orientating themselves fully to the will of God.

**Looking East in Winter** Rowan Williams, 2021-06-24 In many ways, we seem to be living in wintry times at present in the Western world. In this new book, Rowan Williams, former Archbishop of Canterbury and a noted scholar of Eastern Christianity, introduces us to some aspects and personalities of the Orthodox Christian world, from the desert contemplatives of the fourth century to philosophers, novelists and activists of the modern era, that suggest where we might look for fresh light and warmth. He shows how this rich and diverse world opens up new ways of thinking about spirit and body, prayer and action, worship and social transformation, which go beyond the polarisations we take for granted. Taking in the world of the great spiritual anthology, the *Philokalia*, and the explorations of Russian thinkers of the nineteenth and twentieth centuries, discussing the witness of figures like Maria Skobtsova, murdered in a German concentration camp for her defence of Jewish refugees, and the challenging theologies of modern Greek thinkers like John Zizioulas and Christos Yannaras, Rowan Williams opens the door to a 'climate and landscape of our humanity that can indeed be warmed and transfigured'. This is an original and illuminating vision of a Christian world still none too familiar to Western believers and even to students of theology, showing how the deep-rooted themes of Eastern Christian thought can prompt new perspectives on our contemporary crises of imagination and hope.
