

Diario De La Guerra Del Cerdo

Richard Young,Odile Cisneros

Diario de la Guerra del Cerdo Adolfo Bioy Casares,2022-11-15 Una de las grandes novelas de Adolfo Bioy Casares, una historia fantástica con estremecedoras resonancias políticas Publicada en 1969, bajo la dictadura de Juan Carlos Onganía, Diario de la guerra del cerdo narra en clave semifantástica un enfrentamiento entre jóvenes y viejos en el barrio porteño de Palermo, suscitado por un inexplicable odio intergeneracional. De la noche a la mañana, unas pandillas de jóvenes violentos empiezan a atacar a ancianos y gente de edad, lo que trastoca la existencia del protagonista. Sus reacciones y la ambientación son realistas, pero el autor examina la cotidianidad a la luz de la fantasía y lo siniestro. Con sus numerosas alusiones a la realidad política de su época, la novela se ha leído como una alegoría del principio de la lucha armada y la represión de Estado en la Argentina.

[Diario de la Guerra del Cerdo / Diary of the War of the Pig](#) Adolfo Bioy Casares,2023-03-21 La cuarta novela de Adolfo Bioy Casares, una historia fantástica con estremecedoras resonancias políticas. Publicada en 1969, bajo la dictadura de Juan Carlos Onganía, Diario de la guerra del cerdo narra en clave semifantástica un enfrentamiento entre jóvenes y viejos en el barrio porteño de Palermo, suscitado por un inexplicable odio intergeneracional. De la noche a la mañana, unas pandillas de jóvenes violentos empiezan a atacar a ancianos y gente de edad, lo que trastoca la existencia del protagonista. Sus reacciones y la ambientación son realistas, pero el autor examina la cotidianidad a la luz de la fantasía y lo siniestro. Con sus numerosas alusiones a la realidad política de su época, la novela se ha leído como una alegoría del principio de la guerrilla y la represión de Estado en la Argentina. ENGLISH DESCRIPTION Adolfo Bioy Casares' fourth novel, a fantasy tale with chilling political resonance. Published in 1969 under Juan Carlos Onganía's dictatorship, Diary of the War of the Pig makes use of a semi-fantasy code to chronicle a confrontation between young and old in the port district of Palermo, prompted by an inexplicable intergenerational hatred. Overnight, gangs of violent youngsters begin to attack old people and seniors, disrupting the protagonist's existence. Their reactions and environment are realistic, but the author examines everyday life under the light of the fantastic and the sinister. With numerous references to the political reality of the time, the novel has been read as an allegory for the origins of the guerilla and state repression in Argentina.

Adolfo Bioy Casares Karl Posso, 2012-11-15 This volume reconsiders the work and cultural import of Adolfo Bioy Casares (1914-1999), who is best known for his collaborations with Jorge Luis Borges.

Diario de la guerra del cerdo Adolfo Bioy Casares, 1971

The Argentine Novel Myron I. Lichtblau, 2002 Long a scholar of Romance languages at Syracuse University, Lichtblau (1925-2000) extended his 1997 bibliography from 1990 through 1999 and added some earlier works left out of the original. Citations from the mother volume are included but without the critical commentaries and bibliographical references. The arrangement is alphabetical by author, and the articles discuss, in Spanish, both novels and critical studies of them and of the author. No index is provided. Annotation copyrighted by Book News, Inc., Portland, OR

David Lamelas María José Herrera, Kristina Newhouse, 2017-09-16 Published by the University Art Museum, California State University, Long Beach in association with Getty Publications The renowned Argentine conceptual artist David Lamelas (born 1946) has an expansive oeuvre of sensory, restive, and evocative work. This book, published to coincide with the first monographic exhibition of the artist's work in the United States, offers an incisive look into Lamelas's art. The guiding analytic theme is the artist's adaptability to place and circumstance, which invariably influences his creative production. Lamelas left Argentina in the mid-1960s to study at Saint Martin's in London. Since then, he has divided his time among various cities. While the typical narrative invoked about artists like Lamelas is one of "internationalism," his nomadic movement from one place or conceptual framework to the next has always been more "postnational" than "international."

Urban Photography in Argentina David William Foster, 2007-08-17 This work examines the cultural impact of photography in Argentina following the end of the country's military dictatorship in the early 1980s. The interpretive study surveys nine modern photographers in Argentina--Marcelo Brodsky, Gabriel Valansi, Eduardo Gil, Gaby Messina, Adriana Lestido, Gabriel Diaz, Marcos Lopez, Silvio Fabrykant and Gabriela Lifschitz--and covers the major themes in each of their works. The author details each photographer's cultural and artistic contributions and provides a listing of the websites where their works can be viewed.

The Censorship Files Alejandro Herrero-Olaizola, 2012-02-01 Drawing on extensive research in the Spanish National Archive, Alejandro Herrero-Olaizola examines the role played by the censorship apparatus of Franco's Spain in bringing about the Latin American literary Boom of the 1960s and 1970s. He reveals the negotiations and behind-the-scenes maneuvering among those involved in the Spanish publishing industry. Converging interests made strange bedfellows of the often left-wing authors and the staid officials appointed to stand guard over Francoist morality and to defend the supposed purity of Castilian Spanish. Between these two uneasily allied groups circulated larger-than-life real-world characters like the Barcelona publisher Carlos Barral and the all-powerful literary agent Carmen Balcells. The author details the fascinating

story of how novels by Mario Vargas Llosa, Guillermo Cabrera Infante, Gabriel García Márquez, and Manuel Puig achieved publication in Spain, and in doing so reached a worldwide market. This colorful account underpins a compelling claim that even the most innovative and aesthetically challenging literature has its roots in the economics of the book trade, as well as the institutions of government and the exigencies of everyday politics and ideology.

[Historical Dictionary of Latin American Literature and Theater](#) Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single-volume reference tool covering Portuguese-speaking Brazil and the 16 Spanish-speaking countries of continental Latin America (Argentina, Bolivia, Chile, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela). Entries for authors, ranging from the early colonial period to the present, give succinct biographical data and an account of the author's literary production, with particular attention to their most prominent works and where they belong in literary history. The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures. Entries for literary terms, movements, and genres serve to complement these commentaries, and an extensive bibliography points the way for further reading. The comprehensive view and detailed information obtained from all these elements will make this book of use to the general-interest reader, Latin American studies students, and the academic specialist.

[Encyclopedia of Latin American Literature](#) Verity Smith, 1997-03-26 A comprehensive, encyclopedic guide to the authors, works, and topics crucial to the literature of Central and South America and the Caribbean, the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies. Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10,000 words on the literature of individual countries, of the colonial period, and of ethnic minorities, including the Hispanic communities in the United States. Besides presenting and illuminating the traditional canon, the encyclopedia also stresses the contribution made by women authors and by contemporary writers. Outstanding Reference Source Outstanding Reference Book

[Contemporary Mexican Women Writers](#) Gabriella de Beer, 2010-06-28 Mexican women writers moved to the forefront of their country's literature in the twentieth century. Among those who began publishing in the 1970s and 1980s are María Luisa Puga, Silvia Molina, Brianda Domecq, Carmen Boullosa, and Angeles Mastretta. Sharing a range of affinities while maintaining distinctive voices and outlooks, these are the women whom Gabriella de Beer has chosen to profile in Contemporary Mexican Women Writers. De Beer takes a three-part approach to each writer. She opens with an essay that explores the writer's apprenticeship and discusses her major works. Next, she interviews each writer to learn about her background, writing, and view of herself and others. Finally, de Beer offers selections from the writer's work that have not been previously published in English translation. Each section concludes with a complete bibliographic listing of the writer's

works and their English translations. These essays, interviews, and selections vividly recreate the experience of being with the writer and sharing her work, hearing her tell about and evaluate herself, and reading the words she has written. The book will be rewarding reading for everyone who enjoys fine writing.

Area Handbook for Argentina Thomas E. Weil, 1974 General study of Argentina - includes historical and geographical aspects, demographic aspects and social structures, ethnic groups, the educational system, culture, living conditions, the political system, international relations, the economic structure (agriculture, industry, etc.), internal security and administration of justice, the armed forces, etc. Bibliography pp. 343 to 380, maps and statistical tables.

Historical Dictionary of Argentina Bernardo A. Duggan, Colin M. Lewis, 2019-04-15 Argentina celebrated a century of independence from Spain in 1910, and the republic was the tenth most important trading nation in the global economy. Although it had the promise of growth and industrial development at the time, crises, mismanagement, and unrealized potential associated with authoritarianism, populism, and military coups (culminating in thousands of "Disappearances" over a period of unparalleled state terror) prevented that from happening. By 2001, Argentina announced that it would not service its foreign debt, triggering the largest default in world financial history. Since then, the country has sought to recapture the potential and promise of the past, and its place in the world while escaping from what appeared to be an interminable cycle of expansion, crises, conflict, and institutional collapse. Historical Dictionary of Argentina contains a chronology, an introduction, appendixes, an extensive bibliography, and more than 800 cross-referenced entries on the country's important personalities and aspects of its politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Argentina.

The Age of Youth in Argentina Valeria Manzano, 2014 Age of Youth in Argentina: Culture, Politics, and Sexuality from Peron to Videla

The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams, 2007 In this expertly crafted, richly detailed guide, Raymond Leslie Williams explores the cultural, political, and historical events that have shaped the Latin American and Caribbean novel since the end of World War II. In addition to works originally composed in English, Williams covers novels written in Spanish, Portuguese, French, Dutch, and Haitian Creole, and traces the profound influence of modernization, revolution, and democratization on the writing of this era. Beginning in 1945, Williams introduces major trends by region, including the Caribbean and U.S. Latino novel, the Mexican and Central American novel, the Andean novel, the Southern Cone novel, and the novel of Brazil. He discusses the rise of the modernist novel in the 1940s, led by Jorge Luis Borges's reaffirmation of the right of invention, and covers the advent of the postmodern generation of the 1990s in Brazil, the Generation of the Crack in Mexico, and the McOndo generation in other parts of Latin America. An alphabetical guide offers biographies of authors, coverage of major topics, and brief introductions to individual novels. It also addresses such

areas as women's writing, Afro-Latin American writing, and magic realism. The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel, national literary traditions, and the work of individual authors. From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization, *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive, accessible portrait of a thoroughly diverse and complex branch of world literature.

En clave de be. Borges, Bioy, Blanqui y las leyendas del nombre Lisa Block de Behar, 2014-05-15 Entre dicciones y contradicciones, Borges y Bioy hacen ficción y pasión del nombre. Hombres de letras ambos, ¿habrán advertido o se habrán divertido con los auspicios de esa letra que inicia sus propios nombres, la misma que inicia, si no el mundo, el relato del mundo? Uno y otro supieron entablar una amistad incomún; vidas paralelas las suyas que convergían con frecuencia en una unidad primera, inicial, el principio del que la letra be es emblema y sus atributos inaugurales, doctrina o leyenda. Terciendo entre pares, ronda en los escritos de ambos autores el fantasma de Louis-Auguste Blanqui. Semejante a los cometas que bien describe y cuyas andanzas narra, sobrevuela la figura en filigrana del prisionero que, desde las reducciones de su celda, hizo de la revolución un retorno, de la eternidad una hipótesis, del espacio infinito el lugar de sus fugas astrales y fantásticas. Estas y otras coincidencias del comienzo ofrecen un punto de partida literal válido para aproximar lecturas, difundir leyendas, discutir sobre las particularidades del nombre, sobre las ambivalencias de la escritura y los mitos ancestrales de una de las más afortunadas aventuras de la invención, que la historia no siempre registra.
