**Motorcycle Journeys through the Pacific Northwest** Bruce Hansen, 2016-10-01 An important update to his very popular first edition, Hansen's enthusiasm for exploration comes through in this full-color, fully-detailed tribute and guide to the great roads of America's Pacific Northwest. Both visitors to the region and lifetime locals will enjoy and learn from the 30+ trips that Hansen has planned and perfected. Designed from top to bottom for motorcyclists, this new second edition includes topographical maps for each trip, specific directions, and tips on the best places to eat, sleep, and visit. Hansen guides motorcyclists through the areas around Seattle and Portland, up and down the coasts of Washington, Oregon, and northern California, around the volcanos of Mt. Saint Helens, Mt. Hood, and Mt. Ranier, across the desert of Oregon, out to the San Juan Islands, and over the border into parts of British Columbia. Riders will see everything from the most interesting places in the region's history, to the hills, inlets, islands, and valleys that make the American Northwest a favorite among motorcycle enthusiasts.

*Western Canada* Ulysses Travel Guides, 2004-03 This guidebook offers: Descriptions of numerous attractions, star-rated so you can spot the must-sees at a glance; The best accommodations and restaurants, in every price range; All there is to know about parks and historic sites, as well as outdoor activities; More than 50 regional and city maps to help you customize your itinerary.

All the Bears Sing Harold Macy, 2023-04-11 Harold Macy's newest book, a collection of short stories depicting life in British Columbia, resonates with the land and the people who inhabit it. Whether he's chronicling the death song of a Douglas fir, the brassy orchestra of trumpeter swans, or the sweet sap symphony of a tapped maple, Harold Macy contemplates the beauty of all that British Columbia has to offer with graceful lyricism and appreciation for the natural world, highlighting the particular magic of the West Coast. It is the human ties to the land that shine in Macy's stories: everyday fishermen and loggers, gardeners and wildland firefighters, maple harvesters and weekend missionaries. From the rich bounty of the glacial loam to the wondrous stands of Sitka spruce, BC's natural landscape is as much a character in Macy's tales as any person. With a genuine appreciation for the natural beauty of British Columbia, Macy's collection reflects on how we both shape—and are shaped—by the land we inhabit.
