Sacred Shadows and Latent Light Dustin Lawrence Lovell,2021-12-27 When college students Elliot Fleming and Vesta Lloyd agree to join English Professor Rydar Colson's production of Shakespeare's Henry IV Part 1 and Part 2, they do not know what to expect. Sacred Shadows and Latent Light follows Elliot and Vesta as they prepare for what they assume will be little more than an enriching extracurricular challenge. However, when student reporter Ermine Jackson goes beyond his journalism professor's instruction to lobby the university for a second director, he initiates a campaign to cancel the plays and remove Shakespeare from the university curriculum—and Colson from campus. Between Colson's production and Jackson's crusade, the campus steadily divides, leading to unexpected allegiances, betrayals, questionable accusations, and threats of physical violence. Throughout their time admiring, questioning, resenting, and defending Colson and his production, the characters discover when and how to stand up for their convictions, all the while examining different views on the extent of free speech, the place of the canon in higher academia, the safety and representation of women in society, the growth of "cancel culture" on a changing university campus, and how much is truly involved in what and how one reads.

Quotes to Live by . . . Marni S. Feldman, 2015-12-02 To say the least, they mentioned, With all your quotes, you should write a book. I thought to myself, That is a wonderful idea, and they just poured out of me. I compiled them one by one, hour by hour, day by day, year by year, into one book. As I love quotes and sayings and clichs on anything. I love little hardback books, softback pocket guides, and so on. Im drawn to quotes, and I know people are as they live by them: day by day! However, I then decided to break them down by category, by mood, by feeling, and by emotion, and they became chapters in the book: Inspirational, General, Spiritual, etc. For fun, I wanted to create some T-shirts, as I love baby tees. I love tissue cotton tees. I love characters and sayings on tees. I was going to make them with some simple sayings, but they took on lives of their own. The tees are pieces of artwork, such as the chapters in the books. I am drawn to them, and I know people are too, so that is why combining them, I feel, is such a neat way to express this unique concept. And that is how Quotes to Live By books (by Think Again!) and Quotes tees (by luminous) were born. Its a timeless era. Its a lifestyle. Its a way of life. They are quotes to live by, so think again. Remember the Quotes, and always be luminous. Yours truly, Marni Enterprises, LLC

The Thirteenth Step Frances MacDonald, 2013-02-21 Me? An alcoholic? No how could I be? I'm a teacher, a doctor's daughter, and an Academic All-American. An alcoholic? No way! Or so I thought. I went from a school fishing trip to the inside of a jail cell within three hours. I went from respected high school teacher to an impaired driver. I am an alcoholic. That was the hardest sentence for me to believe. To admit and become aware of being different than others abnormal, looked down upon by society was the most humbling and rewarding experience of my life. I found the strength and the power of my God-Within to overcome and conquer this crippling and deadly disease. My story is about my personal struggle over the past year. Acknowledging that alcoholism does not discriminate regarding who it captures and tries to destroy, I used certain spiritual principles and guidelines to overcome its power. This past year has been a struggle, but I am grateful for my disease and the truth that it has taught me to finally confront the monster and release my imprisoned soul.
