**Small Town Perfect Boxed Set 6** Mary Campisi,2019-07-23 Small town romantic women's fiction with love, hope, second chances, and a happy ending! Note from Mary: I love secondary characters: writing them, reading about them, even watching them on the big screen. Secondary characters support the "stars"; make them more vibrant and compelling. But when the story ends, I'm often left wondering what they'd do if they were in the "spotlight". That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series. Boxed Set 6 contains The Butterfly Garden and A Family Affair: Return. I invite you to

follow their journey! The Butterfly Garden Sometimes love happens when you least expect it... Jenny Romano has never been a white-picket-fence, happily-ever-after girl. Despite a mother who rejected her free-spirited, unique ways as irresponsible and just plain wrong, Jenny has found happiness as a photographer, flitting around the country and snapping photos of other people's lives. Her older sister, Grace, has a husband, children, and a carpool schedule. She's the one their mother calls "perfect." But when tragedy strikes her sister's carefully constructed life, Jenny must step in and offer support. Soon, she finds herself in the sort of small-town suburban life she swore to avoid... Psychologist Elliot Drake spends so much time healing other people's pain and witnessing the backlash of caring too deeply that he prefers to keep his own relationships short and bittersweet. He's loved and lost once and with a young daughter to raise, he's not willing to risk his heart again. But he's never met anyone quite like Jenny. Outrageous and unpredictable, she's a force of nature—not at all like her well-controlled older sister. Suddenly, Elliot isn't so sure that short-term is what he wants... Taken by surprise and unsure of the next step, Elliot and Jenny are about to discover that real life happens whether you want it to or not. Will they let real love happen, too? A Family Affair: The Return Magdalena, New York. Home of memories long buried, steamy nights, and one regrettable summer... Grace Romano had been seventeen, impressionable, innocent to the power of attraction and desire. Max Ruhland taught her about both. He loved Grace and thought they had a future together, until she crushed his heart and told him he wasn't part of her life plan. Twenty-two years later, Grace Romano Clarke is a widow with two children and a pile of broken dreams. When her aunt dies, she must return to Magdalena, the town she'd rather forget, to honor the woman's last wishes: stay in her house for thirty days, and complete a list that, according to her aunt, will reveal a bit about life and maybe reveal something about herself, too. What Grace doesn't know but will find out soon enough is that Max Ruhland must stay in the house with her and help complete the list! Max Ruhland isn't the same lovesick puppy from the wrong side of the tracks who had his heart broken all those years ago. He's a wealthy, successful businessman who owes his good fortune to Grace's aunt, the woman who never gave up on him. Max can have any woman he wants, but he's never forgotten Grace, or how she hurt him. Now he'll have to spend the next thirty days with her—in close quarters—to honor her aunt's last wishes, and he's not looking forward to it. It's going to get very interesting as the town watches and wonders what's going on between those two. Of course, Pop Benito understands exactly what's happening in the house on Bayberry Street, even if Max and Grace don't. He's the one who helped Grace's aunt create the thirty-day list, which he insists will finally get this couple their happily-ever-after! Small Town Perfect Series: Boxed Set 1 includes Pulling Home and A Family Affair: The Promise Boxed Set 2 includes The Way They Were and A Family Affair: The Secret Boxed Set 3 includes Simple Riches and A Family Affair: Winter Boxed Set 4 includes Paradise Found and A Family Affair: The Wish Boxed Set 5 includes Not Your Everyday Housewife and A Family Affair: The Gift Boxed Set 6 includes The Butterfly Garden and A Family Affair: The Return

**So Much for My Happy Ending** Kyra Davis, 2012-08-15 If I really press myself, I can remember. The warning signs

were there. No neon signs, mind you, just little sparks at the end of a very long string. Funny that I could have been blind enough not to realize that the string was a lighted fuse. When her boyfriend of three months, Tad Showers, proposes, twenty-six-year-old April thinks that everything in her life is finally falling into place. Between her flaky, tree-hugging mother and her she-devil boss, marriage seems like the place she'll find love and security. Tad's exactly the kind of man April wants: smart, ambitious and wildly romantic. But soon after they're married, the honeymoon ends. Tad's crazy, extravagant gestures are starting to look less romantic and more...well, just plain crazy. Is it normal for her husband to never mention his family, rack up secret credit card debt and get less sleep than your average insomniac? Are you still supposed to stand by your man, even if it turns out he isn't who you thought he was? When she promised for richer or poorer, in sickness and in health, this isn't what she pictured. But sometimes you don't get the life you imagined. And sometimes you have to figure out how to write your own happy ending.

**Pathways of Desire** Héctor Carrillo, 2018-01-09 With Pathways of Desire, Héctor Carrillo brings us into the lives of Mexican gay men who have left their home country to pursue greater sexual autonomy and sexual freedom in the United

States. The groundbreaking ethnographic study brings our attention to the full arc of these men's migration experiences, from their upbringing in Mexican cities and towns, to their cross-border journeys, to their incorporation into urban gay communities in American cities, and their sexual and romantic relationships with American men. These men's diverse and fascinating stories demonstrate the intertwining of sexual, economic, and familial motivations for migration. Further, Carrillo shows that sexual globalization must be regarded as a bidirectional, albeit uneven, process of exchange between countries in the global north and the global south. With this approach, Carrillo challenges the view that gay men from countries like Mexico would logically want to migrate to a "more sexually enlightened" country like the United States—a partial and limited understanding, given the dynamic character of sexuality in countries such as Mexico, which are becoming more accepting of sexual diversity. Pathways of Desire also provides a helpful analytical framework for the simultaneous consideration of structural and cultural factors in social scientific studies of sexuality. Carrillo explains the patterns of cross-cultural interaction that sexual migration generates and—at the most practical level—shows how the intricacies of cross-cultural sexual and romantic relations may affect the sexual health and HIV risk of transnational immigrant populations.

**Lycan King's Human Mate** R.A Higheels, "Now listen to me carefully, Energia," He said with a sinister voice. I had even forgotten that we were in the open where anyone could come from anywhere. "This, is also mine." I watched as his hands move down to touch my ass. My breathing quickened and just at that moment, in between my thighs dripped wet. With what he was doing, he was really turning me on. "Did I forget to say this?" My mouth parted in shock as his hands reached through my joggers, cupping my sex. I had just been taken, I inwardly cringed with my legs, moving with so much excitement. "Getting too excited, are we?" With a half-smirk, he asked. He then took my lips again. He softly bit it, making me cry out in pleasure. "And, this." He said with my breasts in his hand. He pinched the nipple and rubbed them softly with his thumb. "In fact, all of you. And, I refuse to share it with anyone at all. You are mine, Energia. Mine and only mine," He concluded, before walking away. A sassy stripper named Serena. A ruthless Lycan Alpha named Luca. What happens when these two different people are brought together by the Moon Goddess? How about when two different enemies from both sides come forward with a quest to ruin them all? It's all a game. A game of the Mafias, Lycans, Hybrids, Witches and Elves.

**What Holds Us Together** Sandi Ward, 2019-12-31 From the author of *The Astonishing Thing* and *Something Worth Saving* comes a tender, wise, and insightful novel of a family cat, a second chance, and the love that persists through the deepest heartache . . . They say that cats don't like change. But Luna, an imaginative tabby, understands that sometimes it's necessary. When her owner, Annika, moved back to her small New England hometown six months ago along with her sixteen-year-old twins, Luna knew it was for the best. Ever since Annika's husband, Peter, died suddenly, the family has been floundering. Luna, too, is guilt-ridden, sure she could have done more to save her favorite person. Luna also knows something the others don't know. Peter's spirit is still with them, and Luna believes there is something he needs her help to do . . . Annika has been struggling to move on. It doesn't help that her son, Donovan, blames her for his father's death. Peter always told Annika that they had the best love story going, yet the fact is that much of their story has been hidden away, even from their children. When Annika's first love, Sam, arrives to plow them out during an intensifying storm, the truth begins to emerge at last. And Luna—watchful and unwavering in her affection—may be her family's best hope of learning how to forgive and to heal . . . Praise for Sandi Ward's *Something Worth Saving* "Told with empathy and hope, this would be a perfect gift for cat lovers or anyone who enjoys a fresh take on the family drama." —Booklist
