Ten Men Doug K. Reed, 2025-04-01 King David is arguably one of the greatest kings to ever live. He was an unparalleled military leader, unifier of a nation, and exhibited spiritual leadership to name a few of his accomplishments. Although King David was a man after God's own heart he was imperfect and sinful. Throughout David's life he was blessed to encounter connections (both positive and negative) with other men that made David who he was. God has built us for connection and your destiny and success is intertwined with your relational life. Ten Men was written to help men define and find their God-given tribe. Author Doug Reed walks readers through ten special relationships that David had with other men in his life and he'll explain how we need fight against our weaknesses and shortcomings by helping each other. This book is a wonderful

opportunity to walk alongside other men in authenticity through a bible study or small group setting to spur one another to spiritual maturity.

The Dangers of the Crowd Justus Izuchukwu Onuh, 2019-09-19 The book, "The Danger of the Crowd" evokes a feeling of agoraphobia by its title, but upon reading the content, one would be accompanied into a world of anamnesis by a reflective seminarian whose creative mind is second to none. The book is premised in the uniqueness of an individual and his inherent potential of making it to the high echelons of life without necessarily being a man of the crowd; that is, someone whose decisions and actions are being determined by the crowd. Suffice it to say that greatness evolves from singleness, in the right disposition of it; while failure might take its root from the influence of the crowd. By dint of birth, we are launched into the world just as death takes us away from the world. The two events are imperative accounts of our mission here on earth and they are divine calls which must be answered by an individual alone. This makes our individualities a necessary seed to fertilize the larger goal of life, our life's purpose. Aptly, Izuchukwu Onuh uses eagle eyes to narrate the contemporary challenges in our society which stem from our personal lifestyles and misunderstood self-identities and how these challenges blunt the edges of our social life and make the social system a rotten one. Deploying moving stories and garnished styles of writing, he calls our minds to a life of quietude and solitude, the very state in which God can be encountered and good decisions made. A masterpiece, this book is as timely as it is all-round nourishing, especially in the present Nigerian situation that is challenged daily by noise: many speakers and few listeners. Take this book and do a simple exercise: withdraw from talking and listen to the author's voice and your own responding voice that would soon form a paragon, a promising breed!

Tunnel Vision Ignatius Ward,2024-11-18 This story is about me growing up and my parents being the best one could expect. Then, as I grew older, decisions I began making led me toward experiencing consequences that were unbelievable and horrifying. I had no idea of the consequences I was about to face in making wrong decisions or bad choices. One thing led to another, and I ended up incarcerated at the very young age of seventeen; that was when it all began, starting with Riverside County Jail (now Robert Presley Detention Center), to CYA (California Youth Authority), from there straight to prison CDCR (California Department of Corrections). At age eighteen, I began at the old Folsom State Prison, then paroled after almost five years. I started another eleven-year sentence at Pelican Bay State Prison and was transferred to California Medical Facility in Vacaville, then back to Pelican Bay State Prison. I was moved to Corcoran State Prison (gladiator days) and back to Pelican Bay State Prison with Chino (California Institution for Men) in between. The traumatic changes I mentioned I endured while incarcerated at each one only graze the entire experience at each place. The truth of what actually happens while being locked up has never been told, but my story tells only parts of the behavior of the correctional officers and other staff the prisoners meet during their stay. I want people to hear the truth and also know what they may face for making bad choices or wrong decisions. If you think breaking the law will not have an impact on your life one way or another, read this story with an open mind and learn from my story.

Bitter Leaves Tabatha Stirling,2019-03-07 Near the west coast of Singapore lies the leafy enclave of Sabre Green – a haven of wealth and luxury in one of the richest countries in the world. But beneath the glamour lies the insidious truth of the country's maid culture, where a woman's life is cheap. Here are the voices of the unheard – of maid and employer, of village girl and city dweller. Follow Lucilla, Ma'am Leslie, Shammi and Madame Eunice as they strive, each in their own way, to exist in a country whose pristine exterior belies the dark shadows beneath. In this candid, often brutal narrative, the lives of four women are woven together. What follows is a story of loss, madness, abuse and hope – and the ways in which they can haunt a woman's life. * 'A great read; tense, vivid and involving, both heart-breaking and heart-warming' – Lesley Glaister, author of Jerwood Prize winner Little Egypt

The Power of Joy Kelley Cunningham,2022-02-07 You've probably heard that the only thing we can control in this life is how we react to it. And it's very true. For better or worse, life often turns on a dime, lifting us unexpectedly up and out of the deepest depressions, or throwing us tumbling down from the happiest heights—with little or no warning at all. How can we cope? More importantly, how can we thrive? The answer is actually very simple: Joy. Of course, accessing that joy when life looks bleak or unfair can be challenging—okay, more than challenging—but it is entirely doable. *The Power of Joy – The Ultimate Guide to Living Your Best Life* will show you how. Author Kelley Cunningham offers her personal story of how she faced multilayers of abrupt adversity, numerous emotional losses, and tremendous life struggles, in her family, including a split-second in time that quite literally swiped all their lives sideways. All combined trying to tear down the blissful life they had built together. But they rose within the wreckage, Kelley learned to lean on joy—in cherished memories, in the love of

her family, in even the tiniest moments of quiet within the chaos—and learned to thrive. With practical tips and tools that can be adopted into our daily lives—regardless of circumstance—as well as inspirational and essential encouragement, this guide will show you how to tap directly into the amazing and renewable power of joy, giving you strength and helping you to live your best life: with harmonious balance, gratitude, autonomy, passion, and purpose.

No Place to Hide Opa Hysea Wise, 2020-11-03 A riveting page-turner about a woman caught in the crosshairs of an agribusiness' corporate assassin. She leaves her current career to escape the corporate rat race, only to get entangled in a pesticide poisoning cover-up attempt by a mega corporation. While on the run, she seeks to find meaning in events that now threaten her life. Through a series of misadventures, she discovers how all events are all woven together in this tapestry called "life." The Power Behind Positive Impact Philip Vuyo Kaasi,2014-02-28 If you want your life to be significant and mean something, the best thing you should do is to impact other peoples lives. Let this book influence you to be an actor instead of an on-looker or spectator in life. The author wants the reader to study closely the people who were and still are successful and happy, so that the reader will realize the faith exercised by these people, the failures they endured and the complexity of the process they went through to have acquired their accomplishments. You do not have to have the tangible possessions to know that you are wealthy, but if you feel and conduct yourself in the manner in which other successful and happy people conduct themselves, it will feel as if you do not even need the tangible things, because of your dominant state of your mental attitude towards success and happiness. Be afraid of giving up whenever faced with an impossible challenge, perhaps as far as your mental attitude is concerned. God is helping you, He is with you, He is guiding you and He will see you through. Dont be envious and jealous; rather admire people who are successful and happy in life. Life is a blessing.

The Day My Soul Cried Out Ruben White,2023-01-19 When I started realizing I can't walk through life in disbelief. That was when I realize there's a component to life called faith. I asked myself, where does my trust lie? The Bible tells us in Psalm 121, I lift my eyes to the hills. From where does my help come? 2 My help comes from the Lord, who made heaven and earth. 3 He will not let your foot be moved; he who keeps you will not slumber. *The Day My Soul Cried Out*. Consist of powerful affirmations and inspirational passages. I have written that has helped me through the hardest times of my life.

Knowing that only in 2016, at the age of 50, I was diagnosed with dementia and the deadliest form. I wasn't expected to survive. But I was blessed with God's grace. Now as a prolific writer, I can share. Words of inspiration that I embraced through my deepest meditations.
