The Dictionary of Modern Proverbs ,2012-05-22 You can't unring a bell. It takes a village to raise a child. Life is just a bowl of cherries. We sometimes think of proverbs as expressions of ancient wisdom, but in fact new proverbs are constantly arising. This unique volume is devoted exclusively to English language proverbs that originated in the twentieth and twenty-first centuries. The most complete and accurate such collection ever compiled, *The Yale Book of Modern Proverbs* presents more than 1,400 individual proverbs gathered and researched with the help of electronic full-text databases not previously used for such a project. Entries are organized alphabetically by key words, with information about the earliest datable appearance, origin, history, and meaning of each proverb. Mundane or sublime, serious or jocular, these memorable sayings represent virtually every aspect of the modern experience. Readers will find the book almost impossible to put down once opened; every page offers further proof of the immense vitality of proverbs and their colorful contributions to the oral traditions of today.

The Complete Jessica Darling Series Megan McCafferty, 2010-12-21 Growing Up Can Be Perfect in Its Imperfection The Jessica Darling series chronicles one young woman’s coming-of-age in the first decade of the 21st century. Over five books and ten years, Jessica Darling fumbles her way into adulthood. She evolves from a sixteen-year-old cynic, snarking in her diary about catty cliques, unrequited crushes, and other high school indignities, into a jet-setting twenty-six-year-old urbanite searching for more meaning in her life. Through all her misadventures in high school, college, and beyond, Jessica gets long-distance support from her best friend, Hope. But it's her on-again/off-again love of her life, Marcus Flutie, who can always be counted on to complicate her life in ways that are infuriating, intoxicating, and ultimately irresistible. SLOPPY FIRSTS: Meet Jessica Darling—and fall for Marcus Flutie—in this high school comedy of many, many errors. A fresh, funny,

utterly compelling fiction debut, *Sloppy Firsts* is an insightful true-to-life look at sixteen-year-old Jessica's predicament as she embarks on another year of teenage torment—from the dark days after her best friend, Hope, moves away through her months as a type-A personality turned insomniac to her completely mixed up feelings about Marcus Flutie, the intelligent and mysterious Dreg who works his way into her heart. **SECOND HELPINGS:** Can Jessica survive senior year without losing her mind . . . or her heart? This time, Jess is going through the social and emotional ordeal of her last year at Pineville High. Not only does the mysterious Marcus Flutie continue to distract her, but Hope still lives in another state, and she can't seem to escape the clutches of the Clueless Crew, her annoying so-called friends. To top it off, Jessica's parents won't get off her butt about choosing a college. Will Jess crack under the pressure of senioritis? **CHARMED THIRDS:** Jessica is in college . . . and smart girls have more fun! Jessica has finally left her hometown/hellhole for Columbia University; she's into Marcus more than ever (so what if he's at a Buddhist college in California), and she's making new friends. But Jess soon realizes that her bliss might not last. As she and Marcus hit the rocks, will she fall for her GOPunk, neoconservative RA . . . or for the hot grad student she's assisting on a summer project . . . or for the oh-so-sensitive emo boy down the hall? Will she even make it now that her parents have cut her off financially? And what do the cryptic one-word postcards from Marcus really mean? **FOURTH COMINGS:** Is the real world ready for Jessica Darling? At first it seems like she's living the New York City dream. She's subletting an apartment with her best friend, working for a magazine that actually cares about her psychology degree, and is still deeply in love with Marcus. But when Marcus proposes—giving her only one week to answer—Jessica must decide if she's ready to give up a world of late-night literary soirees, art openings, and downtown drunken karaoke to move back to New Jersey and be with the one man who's gripped her heart for years. **PERFECT FIFTHS:** Does Jessica and Marcus's journey end here? Or is it just the beginning? . . . Now a young professional in her mid-twenties, Jess is off to a Caribbean wedding. As she rushes to her gate at the airport, she literally runs into her former boyfriend, Marcus Flutie. It's the first time she's seen him since she reluctantly turned down his marriage proposal three years earlier—and emotions run high. They have both changed dramatically, yet their connection feels as familiar as ever. Is their reunion just a fluke, or has fate orchestrated this collision of their lives once again?

Uncle John's Bathroom Reader Colossal Collection of Quotable Quotes Bathroom Readers' Institute, 2012-06-01
 You'll never be at a loss for words again with this inspired collection of quotes, from bona fide wits to bona fide dimwits. Bob Hope once said, I grew up with six brothers. That's how I learned to dance--waiting for the bathroom. No doubt, lots of people will be learning to tango and foxtrot while they wait for the rabid readers of Uncle John's Colossal Collection of Quotable Quotes to emerge from the privy. The Bathroom Readers' Institute searched high and low for the wittiest, wisest and stupidest things ever said, and collected these remarks in one remarkable volume. With more than 4,000 quotations from 1,600 speakers and writers--from bona fide wits like Oscar Wilde and David Letterman, to bona fide dimwits like Britney

Spears (who infamously quipped, I go to lots of overseas places, like Canada.)--there's no other book of quotations quite like this one.

The Sacred Romance Brent Curtis, John Eldredge, 2001-04-01 Find the peace, purpose, and connection you crave by slowing down, asking questions, and deepening your relationship with God or discovering it for the first time. We have lost touch with our hearts. In the pursuit of efficiency, success, and the busyness of our lives we have only been left with emptiness and longing. If you're feeling lost, disconnected, wounded, broken, or if your heart just aches for something more, you've come to the right place. In *The Sacred Romance*, bestselling authors John Eldredge and Brent Curtis invite you to join them as they explore the greatest love of our lives: a relationship with the God who pursues us. The Sacred Romance will guide you through the journey of getting to know yourself and your creator better, asking you: What is this restlessness and emptiness I feel, sometimes after years into my Christian journey? How will my spiritual life touch the rest of my life? What is it that is set so deeply in my heart, that will not leave me alone? When did I stop listening to God's leading? The Sacred Romance is a journey of the heart. It is a journey full of intimacy, adventure, and beauty that will guide you to your fondest memories, greatest loves, noblest achievements, and even deepest hurts. But the reward is worth the risk as you enter into God's story and accept His invitation to experience His unfathomable love.

But when Julia's sixteen-year-old daughter, Cheryl, goes missing, Julia is forced to envision her every move. If a Place Can Make You Cry Daniel Gordis, 2002-10-15 A firsthand, personal view of a family on the front lines of war in Israel “An outstanding work . . . powerfully and movingly written.”—Jerusalem Post WINNER OF THE “BOOKS FOR A BETTER LIFE” AWARD In the summer of 1998, Daniel Gordis and his family moved to Israel from Los Angeles. They planned to be there for a year, but a few months into their stay, Daniel and his wife decided to remain in Jerusalem permanently, confident that their children would be among the first generation of Israelis to grow up in peace. Immediately after arriving in Israel, Daniel had started sending out e-mails about his life to friends and family abroad. These missives—passionate, thoughtful, beautifully written, and informative—began reaching a much broader readership than he’d ever envisioned, eventually being excerpted in The New York Times Magazine to much acclaim. An edited and finely crafted collection of Daniel’s original e-mails, *If a Place Can Make You Cry* is a first-person, immediate account of Israel’s post-Oslo meltdown that cuts through the rhetoric and stridency of most dispatches from that country or from the international media. Above all, *If a Place Can Make You Cry* tells the story of a family that must cope with the sudden realization that they took their children from a serene and secure neighborhood in Los Angeles to an Israel not at peace but mired in war. This is the chronicle of a loss of innocence—the innocence of Daniel and his wife, and of their children. Ultimately, through Daniel’s eyes, Israel, with all its beauty, madness, violence, and history, comes to life in a way we’ve never quite seen before.

Heaven Sent Leigh Grayson, 2014-01-11 Angela Talbott is dead. And she just realized that heaven isn’t eternal bliss and golden halos and discussions about cream cheese—it’s work. Hard work. Angela has been dead for three days, and she’s already been given a job—solving her own murder, which is turning out to be tougher than she ever would have thought. Being dead makes her invisible to the living, but it sure doesn’t make her Sherlock Holmes. And the suspects are piling up—her boyfriend, her anal-retentive co-worker, a homeless panhandler. And her brother. To make matters worse, there are two Hellions dogging her every move. These Hellions might not have horns and pitchforks, but they are big trouble. If Angela is killed by one of these two men, the afterlife is all over for her—and that’s exactly what they seem to be trying to do. Despite that, Angela finds herself inexplicably attracted to one of them: Alec, a man with a mysterious past who seems to know Angela better than she knows herself. But once Angela discovers that Alec may have been the one pulling the strings that led to her murder, all bets are off.
