Complete Lindy Zart, Grayson Lee is back. Lily Jacobs learned doing the right thing isn't always best. Every day she lives the consequences of her greatest sacrifice. Years have gone by since Grayson left; enough time has passed for their young love to fade. Only it hasn't, not for Lily. She loves him still. She loves him enough not to let him go this time.

You were my madness Andrei Dragan, You told me you couldn't understand, but that you still love me the way I am... You looked me straight in the eye and then you started caressing me by taking my cold hands and looking at my eyes you said that you love me the way I am but that you still love me as I am, even if you can't understand. You told me that you feel the same way about me, you told me that you love me and that it took you a long time to accept this. You told me that when you take my cold hands and squeeze them you can feel the love I feel for you. You looked into my green eyes and told me that you have never seen anyone with eyes as green as mine. I just hope they take your hands and understands your state when you will get lost again. I just hope you never get scared again when you will look ahead again and will try to look towards what is waiting for you again. I just hope that no one shakes your soul and heart at the same time, in the same way you did with me and then to leave you on a too big and too small road at the same time to then get lost in silence. I felt special in your eyes, in your eyes I was always the best, in your eyes I was the right man for you that you would never have parted from. In your eyes, I was simply me, I was feeling special and wanted at the same time. Your eyes often trembled when I was telling you I love you, especially when I was taking you in my arms and hugged you very hard, you didn't say anything anymore, your words were wasted.

Intuition: the Ultimate Unity Nicole Cavaluzzi, 2011-08-24 *Intuition: The Ultimate Unity* is a collaboration of fantasy and reality inspired poems with photo art. In this profound poetry collection, Nicole confronts the entrenched mind, examining the distinction, transition and union of fantasy and reality. She takes us deep into the subliminal mind, challenging those questions we all ask ourselves: Is my ego or my subconscious driving my thoughts? Is this feeling inside me a consequence of love or pain? Are my ideas derived from a sober or altered state of mind? Is this ending really just my new beginning? In *Intuition: The Ultimate Unity* Nicole aims to open our minds and touch our souls with words and images created by her personal experiences exploring the magical wonders of the human psyche. She shares her encounters in hope to intrigue us to embrace and interchange our own fantasies, realities, thoughts, dreams, visions, feelings and reactions. Nicole sets the

precedence that by following our intuition, anything and everything is possible inside our minds. Within our minds, we can enable our fantasies to transcend into our realities and thus, experience the ultimate unity. Nicole vows to always believe in the possibility of the ultimate unity of fantasy and reality, as she follows hers: Intuition. Nicole has a consistent and distinctive poetic voice, one that is developed only through the diligent pursuit of one's craft. In this collection of poems she chronicles the sometimes tortured journey of falling in and out of love, and the dangers of surrendering emotionally and physically to another. Her poetry is often tinged with irony and yet she does not succumb to cynicism but perseveres. Her resilient hopefulness and sense of self-sacrifice is reminiscent of Oscar Wilde's thrush in his fairytale, *The Happy Prince*, where the bird presses its breast against a pale rose to redden its petals with his blood. It is a rose bought at great price that is finally given to an unappreciative lover who throws it away. ~ Gabor Barabas, Producer, NJ Repertory Company In her search for distinction between fantasy and reality, Nicole confronts and exposes the human psyche in her latest collaboration of poetry with photo art, *Intuition, The Ultimate Unity*. She eloquently combines creative writing with abstract, yet beautiful, images. Insightful and impressive, *Intuition, The Ultimate Unity* is an impassioned experience: Truly a ride for one's senses! ~ Jennifer Turiello, Vocal Artist, Musician, CA

Kj3 Literal Translation New Testament, 2006-11 This is what the King James Version was meant to be, an exact word-for-word translation of the Hebrew and Greek texts. This title indicates that this new Bible is an exact literal, word-for-word translation of the Masoretic Hebrew Text and the Greek Received Text (Textus Receptus), the main texts used by the Authorised/King James Version translators. Certainly you will want to know all the truths that God has written in the original Hebrew and Greek languages, for it is truth that has the power to set you free: And you will know the truth, and the truth will set you free (John 8:32) The difference between the KJ3 Bible and all other English versions ever created in the past is this: This version contains all of God's words, as He wrote them. Note that God has commanded this several times. See Deuteronomy 4:2, 12:32, Proverbs 30:6, Revelation 22:18, 19. KJ3/LITV You shall not add onto the Word I command you, neither shall you take away from it, to keep the commandments which I have commanded you. When a version adds words to

the words that God breathed out or fails to translate what God has written, and hides from the reader what they have added or subtracted from God's word, they are deceiving the reader by in effect saying, These are the words that God wrote, when the truth is that God did not write many of the words that they have put into their Bibles. This is especially grievous in the Bibles that use Dynamic Equivalence as their translation methodology. Basically, Dynamic Equivalence is storytelling or a short commentary of what God has breathed out to us. The alleged translator reads a passage of the Bible in its native language (Greek or Hebrew), perceives or interprets the meaning, and writes in his own words what the alleged translator believes the Bible is saying. There is no effort to translate each word of the Hebrew or Greek. This new KJ3 version is the version that lovers of God and His Word can safely use with the approval of God. You and every person will be judged by ALL of the words that God has written. Add to this, that God wrote in grammatical forms (nouns, verbs, adjectives, adverbs, etc.) Our Lord Jesus was always careful to keep the grammar of the Old Testament words He quoted in the New Testament. No other Bible version has ever strictly given the reader these grammatical forms as God has written them. The worst mistranslations: Lord for the divine name (I am Jehovah, that is my name,). God's name is mistranslated more than 6,000 times. Every nation had their lords, but only Israel had Jehovah as their God. All other countries were the nations. In the New Testament Gentiles is falsely put for the nations. Church is a word God never wrote: instead he called the meeting place the assembly both in the New and Old Testament. The children of Israel never existed as such, for the word, for sons is badly translated as children. In many versions this occurs more than 500 times. Dead is either an adjective (dead ones) or a verb (to die), (e.g. he has died). Also (put to death) is from this verb, and most often translated as cause to die. Usually, with most translations which have the same verb twice, one of the verbs will be replaced with an adverb. Only by going back to the each and every word of the Hebrew and Greek manuscripts can we ever attempt to have the purest translation. This is what we have tried to do with the KJ3 Bible - Literal Translation of the Bible.
