

Malcolm X Bumpy Johnson

Michael Muhammad Knight

The Dead Are Arising: The Life of Malcolm X Les Payne, Tamara Payne, 2020-10-20 An epic, award-winning biography of Malcolm X that draws on hundreds of hours of personal interviews and rewrites much of the known narrative. Les Payne, the renowned Pulitzer Prize-winning investigative journalist, embarked in 1990 on a nearly thirty-year-long quest to create an unprecedented portrait of Malcolm X, one that would separate fact from fiction. The result is this historic, National Book Award-winning biography, which interweaves previously unknown details of Malcolm X's life—from harrowing Depression-era vignettes to a moment-by-moment retelling of the 1965 assassination—into an extraordinary account that contextualizes Malcolm X's life against the wider currents of American history. Bookended by essays from Tamara Payne, Payne's daughter and primary researcher, who heroically completed the biography after her father's death in 2018, *The Dead Are Arising* affirms the centrality of Malcolm X to the African American freedom struggle.

Bumpy Johnson Gary Johnson, 2016-03-05 Bumpy Johnson was many things in his life, to many people. He was a stick up man, a burglar, a pimp, a drug dealer, a numbers runner, a bookmaker, a hood and a thug. He was also a husband and a father and a doting grandfather. He was the conduit between Harlem and the Genovese Crime Family. He was a respected friend of Lucky Luciano. He was a man of Harlem, giving to the needy, the hungry, and children. He was a staunch advocate for education, urging neighborhood children to stay in school and make something of themselves. He was a friend to the actors, starlets, and musicians who came from Harlem and who spent their late nights partying there. He spent time with the activists of the era, such as Malcolm X. He was a legend, all of Harlem knew him, many of Harlem still do.

Making a Promised Land Paula J. Massood, 2013-01-22 *Making a Promised Land* examines the interconnected histories of African American representation, urban life, and citizenship as documented in still and moving images of Harlem over the last century. Paula J. Massood analyzes how photography and film have been used over time to make African American culture visible to itself and to a wider audience and charts the ways in which the "Mecca of the New Negro" became a battleground in the struggle to define American politics, aesthetics, and citizenship. Visual media were first used as tools for uplift and education. With Harlem's downturn in fortunes through the 1930s, narratives of black urban criminality became common in sociological tracts, photojournalism, and film. These narratives were particularly embodied in the gangster film, which was adapted to include stories of achievement, economic success, and, later in the century, a nostalgic return to the

past. Among the films discussed are *Fights of Nations* (1907), *Dark Manhattan* (1937), *The Cool World* (1963), *Black Caesar* (1974), *Malcolm X* (1992), and *American Gangster* (2007). Massood asserts that the history of photography and film in Harlem provides the keys to understanding the neighborhood's symbolic resonance in African American and American life, especially in light of recent urban redevelopment that has redefined many of its physical and demographic contours.

Show Me a Nigger and I'll Show You a Racist Yahdon Israel, 2009-05-19 History has been taught through illusions in order to divide and establish power. These constant illusions force the Psychopathic Genius to develop a stream of consciousness that evokes a maladaptive schizophrenic disposition. In this schizophrenic state, the Psychopathic Genius manifests recurring illusions that were once used to control as a means of controlling. As the story progresses, these illusions become so cliché that it forces the Psychopathic Genius to rebuke societal doctrine. This epic doesn't evolve, instead, it shows the continual war that we all fight: Protagonist vs. Antagonist, God vs. Satan, Adam vs. Eve, Rich vs. Poor, Old vs. New, Parent vs. Child, Black vs. White, Right vs. Wrong, Morality vs. Judgment, Society vs. Individual, Master vs. Slave and most pertinent to the Psychopathic Genius: Nigger vs. Racist. Step inside the lost paradise of a Brave New World. This book is rated PG: Psychopathic Genius... Vanity is the only sanity.

Killing Made Men Kyle Mccaskill, 2025-06-13 Two Iconic Crime Lords. Two Identical Heart Attacks. One Explosive Theory. Their deaths were recorded as natural. The timing was anything but. As Lucky Luciano finalized his tell-all biopic at Naples Airport in 1962, Italian police prepared to arrest him for running a global heroin empire. He collapsed of heart failure minutes later. Six years later, Harlem's feared kingpin Bumpy Johnson—facing life in prison for a nationwide narcotics operation—dropped dead eating lunch in New York. His cause of death? The same convenient diagnosis: congestive heart failure. Now, We ask questions about a chilling pattern: Could it be? The CIA's secret alliance with organized crime during the Cold War? Toxin programs designed to induce undetectable heart attacks? A systematic silencing of witnesses who knew too much? The Naples Convenience, uncover Luciano's shadow role in CIA-Mafia plots and the medical contradictions surrounding his death. Harlem's Last Supper, follow Bumpy Johnson's battle against federal prosecutors and the forensic anomalies ignored after his collapse. Why did the world's most powerful intelligence agency target these men? What secrets died with them? And how did identical heart attacks deliver perfect justice for the state? *Killing Made Men* weaves forensic evidence, witness testimony, and geopolitical analysis into a gripping investigation that asks: Were two of history's greatest crime bosses eliminated by the very government that hunted them? Perfect for readers of: *Killers of the Flower Moon* • *Chaos* by Tom O'Neill • *The Devil's Chessboard*

Meet Me at the Theresa Sondra K. Wilson, 2004-02-17 Weaving an array of firsthand accounts into a landmark biography of the Harlem hotel, *Meet Me at the Theresa* examines the myriad ways visitors of the hotel left their mark on American social, political, and cultural history.

Shaft's Revenge David F. Walker,2016-02-23 Like an unstoppable force of nature, private detective John Shaft is back with a vengeance. Ernest Tidyman's iconic detective returns in the first original Shaft novel in more than forty years, and he's as bad as ever. When the Godfather of crime in Harlem reaches out to Shaft for a favor, the hardboiled detective finds himself caught in a web of violence and murder. No one is safe as the bullets start to fly and the bodies start to drop, leaving Shaft with only two options: kill or be killed.

Encyclopedia of Television Shows Vincent Terrace,2024-02-15 There were, between January 1, 2017, and December 31, 2022, 1,559 television series broadcast on three platforms: broadcast TV, cable TV, and streaming services. This book, the second supplement to the original Encyclopedia of Television Shows, 1925-2010, presents detailed information on each program, including storylines, casts (character and performer), years of broadcast, trivia facts, and network, cable or streaming information. Along with the traditional network channels and cable services, the newest streaming services like Amazon Prime Video and Disney Plus and pioneering streaming services like Netflix and Hulu are covered. The book includes a section devoted to reality series and foreign series broadcast in the U.S. for the first time from 2017 to 2022, a listing of the series broadcast from 2011 through 2016 (which are contained in the prior supplement), and an index of performers.

My Road to Salvation John H. Anderson III,2017-01-09 This is a spiritual journey that has taken place in my life over the course of over three decades. It is the struggles, tests of faith, and the essence of my soul on paper. So many young people today are disheartened about their future and their purpose and I want them to know that God is real and has a specific wonderful purpose for each of their lives. I am no better than anyone, so if He can change my life with a willing heart, He can do it for any and everyone who is willing. To God be the glory!

The Life and Work of Malcolm X Kofi Natambu,2002 A critical examination of the life and work of Malcolm X, as well as his profound impact on the political, ideological, and cultural life of the 20th century. -- CMG Worldwide represents the Malcolm X family/estate, with a vested interest in keeping the Malcolm X name prominent in the mind of the public. Critical Lives: Malcolm X will cover: the childhood of Malcolm Little in the Depression-era Midwest; the rise and fall of Detroit Red -- Malcolm's chaotic adolescence as a petty criminal and street hustler; the prison years -- the rebellious, angry, headstrong inmate they called Satan; Malcolm's religious and social allegiance with the Black Muslims (Nation of Islam); the founding and editing by Malcolm of the Nation of Islam (NOI) national newspaper; Malcolm as organizer, teacher, and political advocate -- and Malcolm as husband and father; from Malcolm X to El-Hajj Malik El-Shabbazz -- his attacks on the Civil Rights Movement and his break with the NOI; and the final year -- the surveillance by the FBI and CIA, the assassination at the Audobon Ballroom.

Ain't Nothing Like the Real Thing Richard Carlin,Kinshasha Holman Conwill,2010-04-27 Ain't Nothing Like the Real Thing: How the Apollo Theater Shaped American Entertainment celebrates the seventy-five year history of the Apollo

Theater, Harlem's landmark performing arts space and the iconic showplace for the best in jazz, blues, dance, comedy, gospel, R & B, hip-hop, and more since it opened its doors in 1934. This beautifully illustrated book is the companion volume to an exhibition of the same name, organized by the Smithsonian's National Museum of African American History and Culture in collaboration with the Apollo Theater Foundation. It offers a sweeping panorama of American cultural achievement from the Harlem Renaissance to the present through the compelling story of a single institution. *Ain't Nothing Like the Real Thing* brings together a diverse group of twenty-four writers to discuss the theater's history and its intersection with larger social and political issues within Harlem and the nation. Featuring more than 300 photographs, this volume brings to life the groundbreaking entertainers in music, dance, and comedy—Duke Ellington, Louis Armstrong, Ella Fitzgerald, Billie Holiday, Smokey Robinson, Aretha Franklin, The Supremes, James Brown, Moms Mabley, Redd Foxx, Honi Coles, and Savion Glover, to name a few—who made the Apollo the icon that it is today. The Apollo Theater has been the setting for soaring achievement and creativity in the face of enormous challenges. In telling this truly American story, *Ain't Nothing Like the Real Thing* is a celebration of the lasting contributions of African Americans to the nation's cultural life.

Unequal Michael Eric Dyson, Marc Favreau, 2022-05-03 YALSA Excellence in Nonfiction for Young Adults Award Finalist
 □ New York Times bestselling author Michael Eric Dyson and critically acclaimed author Marc Favreau show how racial inequality permeates every facet of American society, through the lens of those pushing for meaningful change. The true story of racial inequality—and resistance to it—is the prologue to our present. You can see it in where we live, where we go to school, where we work, in our laws, and in our leadership. *Unequal* presents a gripping account of the struggles that shaped America and the insidiousness of racism, and demonstrates how inequality persists. As readers meet some of the many African American people who dared to fight for a more equal future, they will also discover a framework for addressing racial injustice in their own lives.

Under a Bad Sign Jonathan Munby, 2011-06-15 What accounts for the persistence of the figure of the black criminal in popular culture created by African Americans? Unearthing the overlooked history of art that has often seemed at odds with the politics of civil rights and racial advancement, *Under a Bad Sign* explores the rationale behind this tradition of criminal self-representation from the Harlem Renaissance to contemporary gangsta culture. In this lively exploration, Jonathan Munby takes a uniquely broad view, laying bare the way the criminal appears within and moves among literary, musical, and visual arts. Munby traces the legacy of badness in Rudolph Fisher and Chester Himes's detective fiction and in Claude McKay, Julian Mayfield, and Donald Goines's urban experience writing. Ranging from Peetie Wheatstraw's gangster blues to gangsta rap, he also examines criminals in popular songs. Turning to the screen, the underworld films of Oscar Micheaux and Ralph Cooper, the 1970s blaxploitation cycle, and the 1990s hood movie come under his microscope as well. Ultimately, Munby concludes that this tradition has been a misunderstood aspect of African American civic life and that, rather than

undermining black culture, it forms a rich and enduring response to being outcast in America.

Big Apple Gangsters Jeffrey Sussman,2020-11-30 The great founding figures of organized crime in the 20th century were born and bred in New York City, and the city was the basis of their operations. Beginning with Prohibition and going on through many illegal activities the mob became a major force and its tentacles reached into virtually every enterprise, whether legal or illegal: gambling, boxing, labor racketeering, stock fraud, illegal unions, prostitution, food service, garment manufacturing, construction, loan sharking, hijacking, extortion, trucking, drug dealing – you name it the mob controlled it. The men who organized crime in America were the sons of poor immigrants. They were hungry for success and would use whatever means available to achieve their goals. They were not interested in religious identity and ethnic identity. Their syndicate of criminals was made up, primarily of Italians and Jews, but also Irish and black gangsters who could further their ambitions. Their sole objective was always the same – money. It began with Arnold Rothstein, who not only helped to fix the 1919 World Series, but who also mentored and financed the individuals who would control organized crime for decades. Individuals such as Frank Costello, Lucky Luciano, Bugsy Siegel, Joe Adonis, and Meyer Lansky, who would then follow suit setting up other criminal organizations. They established rules of governance, making millions of dollars for themselves and their cohorts. All the organized crime bosses and their cohorts had the same modus operandi: they were far-seeing opportunists who took advantage of every illegal opportunity that came their way for making money. *Big Apple Gangsters: The Rise and Decline of the Mob in New York* reveals just how influential the mob in New York City was during the 20th century. Jeffrey Sussman entertainingly digs into the origins of organized crime in the 20th century by looking at the corporate activity that dominated this one city and how these entrepreneurial bosses supported successful criminal enterprises in other cities. He also profiles many of the colorful gangsters who followed in the footsteps of gangland's original founders. Throughout the book Sussman provides fascinating portraits of a who's who of gangland. His narrative moves excitingly and entertainingly through the pivotal events and history of organized crime, explaining the birth, growth, maturation, and decline of various illegal enterprises in New York. He also profiles those who prosecuted the mob and won significant verdicts that ended many careers, responsible for bringing many organized crime figures to their knees and then delivering a series of coups de grace – such as Burton Turkus, Thomas Dewey, Robert Kennedy, and Rudolph Giuliani.

The Five Percenters Michael Muhammad Knight,2013-10-01 From Malcolm X to the Wu Tang Clan, the first in-depth account of this fascinating black power movement With a cast of characters ranging from Malcolm X to 50 Cent, Knight's compelling work is the first detailed account of the movement inextricably linked with black empowerment, Islam, New York, and hip-hop. Whether discussing the stars of Five Percenter rap or 1980s crack empires, this fast-paced investigation uncovers the community's icons and heritage, and examines its growing influence in urban American youth culture.

Je suis Malcolm X ILYSAH SHABAZZ,Tiffany D. Jackson,Christine Bouard-Schwartz,2024-05-22 Un roman inspiré de

faits réels écrit par la fille de Malcolm X, Ilyasah Shabazz, en collaboration avec Tiffany D. Jackson. Dans la lugubre prison de Charlestown, Malcolm Little, 21 ans, essaie de survivre. En proie à de terribles cauchemars, éloigné de sa famille, Malcolm ne sait plus qui il est, ni en quoi il peut croire. Petit à petit, il parvient néanmoins à se lier d'amitié avec d'autres prisonniers et se met à lire tous les livres de la bibliothèque de la prison. Ces lectures éveillent sa conscience politique et nourrissent sa colère face aux injustices et aux violences perpétrées à l'encontre des Noirs. Ainsi naît Malcolm X, figure incontournable de la lutte pour les droits civiques des Afro-Américains. « Little » n'était pas mon nom de famille. C'était le nom d'un esclavagiste. Le nom du ravisseur de mes ancêtres.

Harlem Godfather Mayme Hatcher Johnson, Karen E. Quinones Miller, 2008 The first and only full biography on legendary Harlem gangster, Bumpy Johnson who was depicted in the movies Cotton Club, Hoodlum, and American Gangster. ... Bumpy was a man whose contradictions are still the root of many an argument in Harlem. But there is one thing on which both his supporters and detractors agree in his lifetime, Bumpy was the man in Harlem. --p. [4] of cover.

The Complexity and Progression of Black Representation in Film and Television David L. Moody, 2016-06-02 The Complexity and Progression of Black Representation in Film and Television examines the intricacies of race, representation, Black masculinity, sexuality, class, and color in American cinema and television. Black images on the silver screen date back to the silent film era, yet these films and television programs presented disturbing images of African American culture, and regrettably, many early films and small screen programs portrayed Black characters in demeaning and stereotypical roles. In order to fully analyze the roles of Black actors and actresses in film and television, Moody addresses the following issues: the historical significance of the term "race films"; female Black identities and constructs; queerness and Black masculinity; Black male identities; and Black buffoonery in film and television.

Ebony, 1965-10 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

Walking Harlem Karen Taborn, 2018-05-21 With its rich cultural history and many landmark buildings, Harlem is not just one of New York's most distinctive neighborhoods; it's also one of the most walkable. This illustrated guide takes readers on five separate walking tours of Harlem, covering ninety-one different historical sites. Alongside major tourist destinations like the Apollo Theater and the Abyssinian Baptist Church, longtime Harlem resident Karen Taborn includes little-known local secrets like Jazz Age speakeasies, literati, political and arts community locales. Drawing from rare historical archives, she also provides plenty of interesting background information on each location. This guide was designed with the needs of walkers in mind. Each tour consists of eight to twenty-nine nearby sites, and at the start of each section, readers will find detailed maps of the tour sites, as well as an estimated time for each walk. In case individuals would like to take a more leisurely tour, it provides recommendations for restaurants and cafes where they can stop along the way. Walking Harlem

gives readers all the tools they need to thoroughly explore over a century's worth of this vital neighborhood's cultural, political, religious, and artistic heritage. With its informative text and nearly seventy stunning photographs, this is the most comprehensive, engaging, and educational walking tour guidebook on one of New York's historic neighborhoods.
