Decir desaparecido(s) II Albrecht Buschmann,Luz C. Souto,2021 Decir desaparecido(s) II □ Análisis transculturales de la desaparición forzada indaga en los diversos géneros literarios que representan la desaparición forzada de personas. El libro analiza, a partir de un estudio introductorio y de 18 capítulos, la traslación del concepto desaparecidos desde Argentina a otros territorios afectados por la violencia. Lo hace profundizando en cinco nudos de conflicto que tienen como arterias principales las formas de la desaparición (muerte, apropiación de niños, exilio) y de la aparición (recuperación de restos, fantasmas, propuesta artísticas); los agentes (perpetradores, delatores) y los territorios. A diferencia del volumen anterior, que abordaba la comparación entre España y Argentina, en este se extiende la investigación a la respuesta literaria de países como Chile, Uruguay, Colombia, El Salvador o México.

Caminos docentes Mílada Bazant,2024-02-19 En este libro, el lector conocerá la trágica historia del paradójico, controvertido y polémico maestro Clemente Antonio Neve, un hombre dispuesto con toda su voluntad, a prueba de fuego, a cambiar, a través de la enseñanza moderna, el dramático destino de los niños, mayoritariamente indígenas. Al profesor Neve, dice la autora, le tocó vivir el largo y sinuoso camino de México en busca de su construcción como nación. Nació en la ciudad de México en 1829 cuando las epidemias y los pronunciamientos eran el pan de todos los días y murió en 1905 cuando los detonadores de inconformidad social del régimen porfirista eran más que evidentes. Ni en las épocas de gloria ni en su carrera magisterial ganó un sueldo digno, que fuese suficiente para que él gozara con su esposa y sus dos hijos, de un techo y comidas decorosas. Clemente Antonio, escribe la autora, me abrió una puerta distinta al México del siglo XIX. El estudio de una época a través de un personaje, asegura, permite adentrarse a un pasado vivo, auténtico, debido a que la abundancia de documentos biográficos es rica, variada y contrastante. La escala de observación es microscópica y el análisis del material documental revela hechos que expanden una realidad multiforme, plural, caleidoscópica. Enfatiza que la potencia de la

biografía moderna deriva de un cruzamiento con otras disciplinas como la historia cultural, la de las mentalidades, la microhistoria, las emociones y los sentimientos y otras más, siempre moduladas social y culturalmente. Clemente Antonio Neve, señala la autora, ejerció la docencia de manera ininterrumpida de 1855 a 1903. Radicó en varios pueblos de Hidalgo, Puebla, Estado de México y en diversas municipalidades de la ciudad de México. Eran pequeñas localidades de 1000-2000 habitantes que luchaban contra la anarquía, guerras y escasez de recursos y en ese ambiente caótico lidiaban también para que los niños fuesen a la escuela. Ninguna escuela era igual a otra, la parte que definía la calidad era la vocación y preparación del maestro. Y, pese a sus ataques de ira, el profesor Neve era extraordinario, en todos los sentidos de la palabra. Contra viento y marea, argumenta la autora, algunos funcionarios y maestros como Clemente Antonio fueron edificando los cimientos de la pedagogía moderna. Nacieron con los principios de una educación tradicional, netamente religiosa, crecieron bajo el vaivén de estos principios y aquellos modernos que intentaban prohibir la enseñanza de la religión en las aulas escolares, y les tocó vivir, a partir de 1867 que estas ideas aterrizaran en forma de ley. La biografía de Clemente Antonio Neve relata la historia de este largo transitar de México en busca de la modernidad y de la modernidad educativa. Su bella y armoniosa caligrafía, poco común en esa época, evoca las huellas sutiles de que en la escritura encontró su mejor destino. Este trabajo biográfico muestra también una pasión por la enseñanza y la vocación de maestro y es una singular invitación a la lectura de este libro para quienes transitan hoy por los caminos docentes.

Un poema para mis abuelos Sara Búho,2021-04-07 Este poema es en realidad un cuento, una excusa, un invento para estar contigo, abrazarte, y detener el tiempo. Un poema para mis abuelos es un trozo de tiempo del que nunca puedes arrepentirte. Unas páginas para entender que el corazón de nuestros abuelos es el lugar más bonito y seguro donde ir a jugar y aprender.
