Alison Behnke

Genghis Khan Brenda Lange, 2013 A biography of Genghis Khan, the Mongolian leader who, by conquest, created an empire that stretched from Mongolia through the Middle East.

Genghis Khan John Man, 2024-06-04 A thrilling account of the brilliant, ruthless founder of the Mongol Empire (The Guardian). Genghis Khan is one of history's immortals, alive in memory as a scourge, hero, military genius and demigod. To Muslims, Russians, and westerners, he is a murderer of millions, a brutal oppressor. Yet in his homeland of Mongolia he is the revered father of the nation, and the Chinese honor him as the founder of a dynasty. In his so-called Mausoleum in Inner Mongolia, worshippers seek the blessing of his spirit. In a supreme paradox, the world's most ruthless conqueror has become a force for peace and reconciliation. As a teenager, Genghis was a fugitive, hiding from enemies on a remote mountainside. Yet he went on to found the world's greatest land empire and change the course of world history. Brilliant and original as well as ruthless, he ruled an empire twice the size of Rome's until his death in 1227 placed all at risk. To secure his conquests and then extend them, his heirs kept his death a secret—and secrecy has surrounded him ever since. His undiscovered grave, with its imagined treasures, remains the subject of intrigue and speculation. This is more than just a gripping account of Genghis' rise and conquests. John Man uses firsthand experiences in China and Mongolia to reveal the khan's enduring influence. He has traveled the length of the empire, and he spotlights the tension between Mongols and Chinese, who both claim Genghis' spirit. He is the first writer to explore the hidden valley where Genghis is believed to have died, and one of the few westerners to climb the mountain where he was likely buried. This stunning narrative paints a vivid picture of the man himself, the places where he lived and fought, and the passions that surround him still. For in legend, ritual, and intense controversy, Genghis lives on. [An] engrossing book. — Booklist A rattling good read. — The Independent

No Less a Man Douglas Robinson, 1994 Through close readings of these three figures, Robinson argues that more is going on among American men than meets the casual eye - and that much of what is going on is reflected in the most popular of our art forms, detective novels, action movies, and rock music.

Genghis Khan and the Making of the Modern World Jack Weatherford, 2005-03-22 NEW YORK TIMES BESTSELLER • The startling true history of how one extraordinary man from a remote corner of the world created an empire that led the world into the modern age—by the author featured in *Echoes of the Empire: Beyond Genghis Khan*. The Mongol army led by

Genghis Khan subjugated more lands and people in twenty-five years than the Romans did in four hundred. In nearly every country the Mongols conquered, they brought an unprecedented rise in cultural communication, expanded trade, and a blossoming of civilization. Vastly more progressive than his European or Asian counterparts, Genghis Khan abolished torture, granted universal religious freedom, and smashed feudal systems of aristocratic privilege. From the story of his rise through the tribal culture to the explosion of civilization that the Mongol Empire unleashed, this brilliant work of revisionist history is nothing less than the epic story of how the modern world was made.

From Art to Bores, Tennis to Wine, this little dictionary contains over 2,700 of the best quotations, from witty one-liners and funny phrases to pithy comments and unintended humour. If you live to be one hundred you've got it made. Very few people die past that age. - George Burns I thought coq au vin was love in a lorry. - Victoria Wood Champagne, if you are seeking the truth, is better than a lie-detector. - Graham Greene The trouble with a book is that you never know what's in it until it's too late. - Jeanette Winterson

The Conquests of Genghis Khan Alison Behnke, 2008-01-01 Can one man really change the world? If that man is Genghis Khan, the answer is yes. Born around 1161, Temujin, as he was named, grew up in humble surroundings. As a teenager, he fled from enemy raiders, but he became a fearless—and feared—man who commanded an army of thousands and an empire of millions. In fact, by the mid-1200s Genghis Khan's Mongol Empire included much of the known world. Though he was responsible for the deaths of millions, he also showed tolerance for religious and cultural differences among the many peoples he conquered, and he brought stability and unification to a vast area where it had never before existed. Even today, the name Genghis Khan continues to instill fear in some and admiration in others. His election as Great Khan in approximately 1190 is surely one of history's most pivotal moments.

The Coming Millennial Kingdom Nathan E. Jones, 2025-06-03 Live in Anticipation of Christ's Coming Kingdom! God ordained human government to restrain evil and punish evildoers. Tragically, our governments have consistently failed to protect their citizens from all forms of lawlessness, hunger, diseases, wars, natural disasters, and human suffering. Will this misery ever end? Does God give us any hope for the future? The Coming Millennial Kingdom explores God's answer to the failure that is human government: the 1,000-year reign of Jesus Christ on earth after His return. Nathan explores what Bible prophecy reveals about our glorious future once the King sits upon the Davidic throne, helping you catch a glimpse into what life will be like living during this incredible time defined by peace, righteousness, justice, and joy understand God's intentions to reward His children and fulfill His prophetic promises to Israel and the church embrace hope through the eager expectation of Christ's perfect, just, and imminent rule over the entire earth Human governments will one day end. Discover

how Christ's coming victory—and your role in it—can equip you to navigate today's challenges with sure faith and confidence.

Say What? Doreen Chila-Jones, 2017-10-03 Say What? is a compilation of 670 of the most memorable things that should never have been said. You'll find, of course, quotes from dictators, drug lords, and murderers, but much more shocking are the entries by Nobel Prize winners, religious leaders, and beloved icons. Doreen Chila-Jones has collected hundreds of extraordinary quotes, and everyone is fair game—even Mother Teresa: "I think it is very beautiful for the poor to accept their lot, to share it with the passion of the Christ. I think the world is being much helped by the suffering of the poor people." Say what?

Intercontinental's Best of China Eugene Law, 2004 Written mostly by native English speakers who are long-term China residents, and edited by people who live and work in China, this book leads a fresh perspective on all things Chinese. It melds foreign and local perspectives into a seamless narrative that allows new light to be cast on China's cities. -- BACK COVER.

Bluejacket: Memoirs of a U.S. Navy Sailor AE Kirkpatrick OSC/USN., Ret., 2019-03-26 Bluejacket: Memoirs of a U.S. Navy Sailor By: AE Kirkpatrick OSC/USN., Ret. In this fascinating memoir, AE Kirkpatrick provides a glimpse into an enlisted man's career in the 70s and 80s. The Mongol Empire between Myth and Reality Denise Aigle, 2014-10-23 In The Mongol Empire between Myth and Reality, Denise Aigle presents the Mongol empire as a moment of contact between political ideologies, religions, cultures and

languages, and, in terms of reciprocal representations, between the Far East, the Muslim East, and the Latin West. The first part is devoted to “The memoria of the Mongols in historical and literary sources” in which she examines how the Mongol rulers were perceived by the peoples with whom they were in contact. In “Shamanism and Islam” she studies the perception of shamanism by Muslim authors and their attempts to integrate Genghis Khan and his successors into an Islamic framework. The last sections deal with geopolitical questions involving the Ilkhans, the Mamluks, and the Latin West. Genghis Khan’s successors claimed the protection of “Eternal Heaven” to justify their conquests even after their Islamization.

Coming of Age Robert Lobis, 2015-07-15 *Coming of Age* is a seriocomic account of the adventures of Harold Square, MD. When he retires from the practice of medicine, Square undertakes a quest for a spirituality that he hopes will bring him the inner peace to cope with the aging process and his eventual mortality. What follows is a series of picaresque encounters through which he eventually comes of age in spite of himself.

香港 2007 This book is the catalogue of the exhibition, The Silk Road in Inner Mongolia, held by The University Museum and Art Gallery of The University of Hong Kong and the Inner Mongolia Autonomous Region Museum. In this exhibition, eighty extraordinary artefacts dating from the Tang (618-907) to the Yuan (1271-1368) dynasties, including porcelain, glass, gold and silver wares, harnesses and Nestorian Christian items are on view. The Silk Road of China's northern steppes documents the rise and fall of nomadic tribes, and the relationship, interaction and cultural influences between these tribes and the West. Their arts are not only characterised by their own cultural features, but also by blending the ideas and styles of the West. This illustrates the cultural diversity and uniqueness of China.

Solving Social Dilemmas Roger D. Congleton, 2022 In *Solving Social Dilemmas*, Roger Congleton provides an explanation for the rise of prosperous commercial societies. Congleton argues that an endless series of social, economic, and political dilemmas have to be solved or ameliorated to sustain social and economic progress and suggests that the most plausible solutions involve internalized rules of conduct. Previous foundational texts suggest that institutions often emerge to address social dilemmas, but Congleton focuses on a solution that is arguably prior to formal institutions: the internalization of principles and rules of conduct that directly affect individual behavior and group outcomes.

Day of Empire Amy Chua, 2009-01-06 In this sweeping history, bestselling author Amy Chua explains how globally dominant empires—or hyperpowers—rise and why they fall. In a series of brilliant chapter-length studies, she examines the most powerful cultures in history—from the ancient empires of Persia and China to the recent global empires of England and the United States—and reveals the reasons behind their success, as well as the roots of their ultimate demise. Chua's analysis uncovers a fascinating historical pattern: while policies of tolerance and assimilation toward conquered peoples are essential for an empire to succeed, the multicultural society that results introduces new tensions and instabilities, threatening to pull the empire apart from within. What this means for the United States' uncertain future is the subject of Chua's provocative

and surprising conclusion.

The Brief, 1995-08

Travels in Siberia Ian Frazier, 2010-10-12 A Dazzling Russian travelogue from the bestselling author of *Great Plains* In his astonishing new work, Ian Frazier, one of our greatest and most entertaining storytellers, trains his perceptive, generous eye on Siberia, the storied expanse of Asiatic Russia whose grim renown is but one explanation among hundreds for the region's fascinating, enduring appeal. In *Travels in Siberia*, Frazier reveals Siberia's role in history—its science, economics, and politics—with great passion and enthusiasm, ensuring that we'll never think about it in the same way again. With great empathy and epic sweep, Frazier tells the stories of Siberia's most famous exiles, from the well-known—Dostoyevsky, Lenin (twice), Stalin (numerous times)—to the lesser known (like Natalie Lopukhin, banished by the empress for copying her dresses) to those who experienced unimaginable suffering in Siberian camps under the Soviet regime, forever immortalized by Aleksandr Solzhenitsyn in *The Gulag Archipelago*. *Travels in Siberia* is also a unique chronicle of Russia since the end of the Soviet Union, a personal account of adventures among Russian friends and acquaintances, and, above all, a unique, captivating, totally Frazierian take on what he calls the amazingness of Russia—a country that, for all its tragic history, somehow still manages to be funny. *Travels in Siberia* will undoubtedly take its place as one of the twenty-first century's indispensable contributions to the travel-writing genre.

Killing the Elites Jean-Philippe Belleau, 2024-10-29 In the summer and fall of 1964, a massacre took place in the small town of Jérémie, Haiti. After an ill-fated uprising, the brutal regime of François “Papa Doc” Duvalier ordered reprisals against the town that some of the insurgents were allegedly from. Entire families—all from the town’s upper class—were slaughtered. Through a rich historical ethnography of the massacre, Jean-Philippe Belleau offers a new account of the workings of the Duvalier regime and an innovative analysis of anti-elite violence. *Killing the Elites* meticulously reconstructs the various phases of the massacre, identifying the victims and perpetrators, tracing the social ties that linked them, and examining the varying degrees of culpability from the state to bystanders. Although Duvalier and the military were responsible, the killings were attributed to popular social grievances. Examining how the Haitian state has brutalized the upper classes, Belleau develops a new theory of anti-elite violence. He challenges views that ideology or social difference can readily drive people to kill their neighbors and that the upper classes fall victim to popular rough justice, showing that social bonds within the town prevented organized violence from spreading. The state, Belleau underscores, is the primary perpetrator of violence against elites. Drawing on interviews with eyewitnesses and former regime members as well as a wide range of unexplored primary sources, this book provides a new lens on Haiti under Duvalier and reveals why the victimization of the elite is essential to mass violence.
