David Marr, Marian Wilkinson

American Hauntings Robert E. Bartholomew, Joe Nickell, 2015-06-19 This work provides an accurate, in-depth examination and scientific evaluation of the most famous hauntings in American history as depicted in popular films and television programs. Neither a debunking book nor one written for the true believer in the paranormal, *American Hauntings* objectively scrutinizes the historic evidence behind such hugely popular films as *The Exorcist*, *The Amityville Horror*, *An American Haunting*, *The Conjuring*, and *The Haunting in Connecticut* to ascertain the accuracy of these entertainment depictions of true life hauntings. The authors then compare these popular culture accounts against the alleged real-life encounters and impartially weigh the evidence to assess whether each incident actually took place. Written by highly credentialed, recognized authorities on the paranormal and social psychology, this book contains meticulously documented, science-based information written for a broad audience, from middle and high school students and those taking introductory courses at a university level to general readers. There is no other work that provides as careful and unbiased an evaluation of the most famous hauntings in American history. The book also examines the reliability of popular television shows such as *Unsolved Mysteries* and *Paranormal Witness*.

Dark Victory David Marr, Marian Wilkinson, 2004-09-01 *Dark Victory* is not only a fascinating description of past events: between the lines there are dark portents of repercussions yet to come.' John Button, *The Age* Marr and Wilkinson have pulled together the whole confronting tale of how through iron will, subterfuge, disregard for conventions of a civilised seafaring nation, the misuse of secret intelligence and the use of military force against the helpless, the federal government closed its borders in the quest for votes Through forensic research, the authors have managed to build a story that both thrills and appals.' Tony Wright, *The Bulletin* They put lives at risk. They twisted the law. They drew the military into the heart of an election campaign. They muzzled the press. They misused intelligence services, defied the United Nations, antagonised Indonesia and bribed poverty stricken Pacific States. They closed Australia to refugees - and won a mighty election victory. David Marr and Marian Wilkinson, two of the country's most accomplished investigative journalists, burrow deep into the ways of the Howard government. They reveal the secret history of the campaign against boat people that began with the Tampa and ended ten extraordinary weeks later with the Australian people giving John Howard his third, most daring election victory. *Dark Victory* is a thrilling and provocative account of events that shattered many of the myths

Australia had about itself and changed profoundly how Australia is seen in the eyes of the world. It is also a potent reminder of the fleeting nature of truth in politics.

Footnotes, 1984

Paperbacks from Hell Grady Hendrix, 2017-09-19 From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires* comes a nostalgic and unflinchingly funny celebration of the horror fiction boom of the 1970s and '80s. Take a tour through the horror paperback novels of two iconic decades . . . if you dare. Page through dozens and dozens of amazing book covers featuring well-dressed skeletons, evil dolls, and knife-wielding killer crabs! Read shocking plot summaries that invoke devil worship, satanic children, and haunted real estate! Horror author and vintage paperback book collector Grady Hendrix offers killer commentary and witty insight on these trashy thrillers that tried so hard to be the next *Exorcist* or *Rosemary's Baby*. Complete with story summaries and artist and author profiles, this unforgettable volume dishes on familiar authors like V. C. Andrews and R. L. Stine, plus many more who've faded into obscurity. Also included are recommendations for which of these forgotten treasures are well worth your reading time and which should stay buried.

Tomes of Terror Mark Leslie, 2014-09-10 A supernatural tour of bookstores and libraries around the world, focusing on the ghost stories from haunted locations. Throughout history, books have inspired, informed, entertained, and enriched us. They have also kept us up through the night, thrilled us, and lured into their endless depths. *Tomes of Terror* is a celebration and an eerie look at the siren call of literature and the unexplained and fascinating stories associated with bookish locations around the world. Mark Leslie's latest paranormal page-turner is a compendium of true stories of the supernatural in literary locales, complete with hair-raising first-person accounts. You may even recognize a spectre of your local library lurking in

these true stories and photographs. If you have ever felt an indescribable presence hanging about a quiet bookshop, then you'll enjoy these fascinating and haunting tales.

The Suspense of Horror and the Horror of Suspense Maria Anastasova, 2018-10-12 This book presents a detailed academic study of suspense building in Stephen King's horror novels *The Shining* and *Carrie* and their respective film adaptations. Two film versions of each book are taken into consideration - one released immediately after the novel publication and one that appeared decades later. After providing a general idea of what suspense as a phenomenon related to fiction is, the study establishes some repeated plot-bound suspense motifs and episodes in the literary works, and traces their development in the films in order to demonstrate the similarities and differences in the techniques of achieving suspense in literature and in cinema. The model detailed here can also be used for individual or comparative suspense analysis of other literary or cinematic works.

Quill & Scroll, 1997

Fantasy and Horror Neil Barron, 1999-06-17 More than 2,300 works of fiction and poetry are discussed, each cross-referenced to other works with similar or contrasting themes. Winners and nominees for major awards are identified. Books that are part of a series are flagged, with a complete list of books in series included in a final chapter, along with a comprehensive list of awards, of translations, and of young adult and children's books.

Eerie Tales from the East Mahtab Narsimhan, 2022-09-15 Ancient curses. Supernatural terrors. Courage against darkness. When ordinary children face extraordinary horrors, they must uncover long-buried secrets and confront their deepest fears. In this spine-tingling series, malevolent spirits, ancestral hauntings, and ancient magic collide with modern lives, forcing young heroes to discover their inner strength. Each chilling adventure tests the boundaries between our world and what lies beyond—where the thin veil between the living and the dead tears open, and only the brave survive. Will they unravel the mysteries in time, or become the next victims of forces they never believed existed?
