Perfect Love, Imperfect Relationships John Welwood, 2005-12-27 A nationally known couples therapist reveals the single root cause of all relationship problems—and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly, it is often hard to sustain this where it matters most—in our intimate relationships. If love is so great and powerful, why are human relationships so challenging and difficult? If love is the source of happiness and joy, why is it so hard to open to it fully and let it govern our lives? In this book, John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives. Perfect Love, Imperfect Relationships begins by showing how all our relational problems arise out of a universal 'wound of the heart' that affects not only our personal relationships but the quality of life in our world as a whole. This core wound shows up as a pervasive mood of unlove—a deep sense that we are not intrinsically lovable just as we are. It shuts down our capacity to trust, so that even though we may hunger for love, we have difficulty opening to it and letting it circulate freely through us. This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections—within ourselves and within our relationships—as trail-markers along the path to great love. It sets forth a process for releasing deep-seated grievances we hold against others for not loving us better and against ourselves for not being better loved. And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves. Written with penetrating realism and a fresh, lyrical style that honors the subtlety and richness of our relationship to love itself, this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world.

Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served—the poorest of the poor—is here powerfully explored in her own words. Taken largely from her private lessons to her sisters, published here for the first time, *Where There is Love, There is God* unveils her extraordinary faith in and surrender to God's will. This book is in some way a sequel to *Mother Teresa: Come Be My Light*, in which her own very private spiritual struggles were explained. Sent to alleviate the sufferings of the poor, she assumed their struggles and pain in the depths of her heart. This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades. As important as this aspect of her life is, that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought. There is much she can teach us as we face our daily struggles or sufferings, which can at times be unusually severe. *Where There is Love, There is God*, though not an exhaustive anthology of Mother Teresa's teaching, nonetheless shows what she believed and taught about important issues that confront all people. Due to her constant interaction with people of diverse backgrounds, no life situation was foreign to her and in this book her role is primarily one of teacher and guide. Love is perhaps the word that best summarizes Mother Teresa's life and message. The title reflects what she proclaimed during her entire life: God is alive, present, and "still loves the world through you and through me". Mother Teresa sought to be an extension of God's heart and hands in the world of today. She was called to be a missionary of charity, a carrier of God's love to each person she met, especially those most in need. Yet she did not think that this was a vocation uniquely hers; each person is in some way called to be a carrier of God's love. Through the practical and timely advice she offers, Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters. MOTHER TERESA (1910-1997) was born in Skopje (present-day Macedonia), and joined the Sisters of Loreto in Dublin in 1928. She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta. Her service to the poorest of the poor became her life's work. She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003. Editor of *Mother Teresa: Come Be My Light*, FATHER BRIAN KOLODIEJCHUK, M.C., Ph.D., was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center, which has offices in California, Mexico, India, and Italy. "What you are doing I cannot do, what I'm doing you cannot do, but together we are doing something beautiful for God, and this is the greatness of God's love for us—To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few. It is a very simple duty for you, for me, you in your position, in your work and I and others, each one of us in the work, in the life that we have given our word of honor to God....You must put your love for God in a living action." -Mother Teresa, From *Where There is Love, There is God*

Love Is Craig R Durrant, 2019-11-17 What is love? Craig thought that he knew what it was until his life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts. He thought it

was giving up our dreams in order to please others and to do whatever it takes to make them happy, but that isn't love. Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love. Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy. Love is a heart and soul learning how to love and dream again with increased openness and greater depth. Love is many things but it is never needy or broken. In his journey to love again the answers came. It exposes our inner song as a gift to those we love and to the world. This is a gift to the world. It is Craig's inner song of loving again with the transparency and nakedness of love. It is remembering and learning that love is. Read on and see if it speaks to your soul like it has for so many others. Love is...

Love Is The Wine Muzaffer Ozak, 2013-10-17 Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam, as well as those encountering Sufism and the meaning of spiritual love for the first time. Themes including generosity, faith, self-knowledge, patience, and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak. A mesmerizing storyteller, master teacher, and prolific author in his native country, he was ideally suited to bring the richness of the Sufi tradition to the West. The chapters of this book, skillfully edited and compiled by the psychologist and Sufi teacher Dr. Robert Frager, were derived from talks given during Sheikh Muzaffer's visits to New York and California over the last years of his life. Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has. His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey. In his travels, he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order, interpreted their dreams, and answered their questions about everything from theology and mysticism to marriage and earning a living. These stories and teachings are memorable, yet highly enigmatic, and meant to be told and retold. Like great spiritual parables, the themes are universal and their applications ageless. The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading. Love is the Wine is a treasury filled with priceless items of Sufi wisdom.

Love is the Law Marieta Oslanec, Esq., 2019-10-22 It took me 16 years to understand that in order to find true love, happiness, peace and abundance, I needed to go within. During those years, I experienced several painful breakups and went from one relationship to another, only to realize that the most important love is self-love. The most painful break-up was the beginning of my life-long love story. I moved from Slovakia to the USA with only 700 USD and without speaking a word of

English. I put myself through law school and became a licensed attorney in New York. Nobody would hire me, so I started my own company and hired myself. I then decided to challenge myself further and travel the world solo. I spent 30 days in complete silence, in meditation retreats throughout Bali, Nepal, and Hawaii. During this period, I faced my deepest fears and came to discover that they were only illusions. The truth is, many of our fears are not real, they are just our ego trying to protect us. What is real is love, and that is our “higher self”. The Universe is governed by the ultimate Law that is Love, and when we all collectively raise our consciousness, we will be able to create a new world. In this book you will learn how to: - Heal a broken heart and fall in love with yourself - Change a limiting money mindset and attract abundance - Discover your purpose and start a purpose driven business - Meditate and tap into your higher self - Create a healthy relationship with your body & embrace your beauty - Activate your inner genius & step into your power In order to live in this new world, every one of us must awaken and do the inner work. The new reality is within you, yearning to be awakened. The question is, are you ready? About the Author Marieta Oslanec is a successful attorney, author, serial entrepreneur and intuitive business coach. She is the founder of ImmigrationBiz PLLC and ImmigrationBiz Academy, where she has helped many foreign entrepreneurs start profitable businesses in the US and live the American Dream. By combining both her intuition and business skills acquired over the years, she has been coaching female entrepreneurs towards starting their own purpose driven, wildly profitable business. Marieta is originally from Slovakia and moved to the United States when she was twenty-four years old to follow her dream. Marieta’s mission is to empower people by raising their consciousness by applying the 21 universal laws in her book, Love is the Law. Visit www.marietaoslanec.com and www.loveisthelaw.com for more information. Praise When I first heard Marieta share the title of her book I thought “that’s brilliant!” How perfect that a lawyer writes a book about how love is the ultimate law. Marieta and her journey to discovering 21 laws, leading to the ultimate law of love, is a beautiful story of self-discovery. Through reading this book, you will gain a greater understanding of the tremendous power you have in your own life to create greater joy, peace, health, wealth, and above all, love. With this understanding, you hold the key to self-transformation. If individually we all take this key and open the door to self-love, together, we will shift the global consciousness. The purpose of a forward can be many things, and I hope that with this forward you felt inspired and invited to take a closer look; then go beyond reading words and concepts to open your mind and heart and enter the space between words, beyond knowledge, to Spirit, where Love is the Law. Being Up-to-date for the Rebuilding of the Temple Witness Lee, 2002-08-01 The New Testament tells us that as saved ones we have been regenerated in our spirit and that from the time we were saved, God has been edifying and building up our spirit. Ephesians 2:22 clearly reveals that our spirit is God's dwelling place in us. Hence, to build up our spirit, the individual spirit, is to build up God's dwelling place, God's temple. On the other hand, the church is also God's house and God's temple. But how do we build up the church? It is through all the saved ones encouraging one another and functioning in mutuality according to their fellowship with the Lord and the experiences of life they have had with the Lord in their spirit. The Body of Christ is built up through the spiritual development of all the members.

Summa Theologica, Volume 3 (Part II, Second Section) St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best-known work of Italian philosopher, scholar, and Dominican friar SAINT THOMAS AQUINAS (1225-1274), widely considered the Catholic Church's greatest theologian. Famously consulted (immediately after the Bible) on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10,000 questions on Church doctrine covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each, using Biblical verses, theologians, and philosophers to bolster his arguments. In Volume III, Aquinas addresses: faith and heresy, charity, peace and war, mercy, anger, and justice, prayer, truth, and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have, and remains essential, more than seven hundred years after it was written, for clergy, religious historians, and serious students of Catholic thought.

The Prophetic Call to Love and Justice Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today. The implications of the Amsterdam way of interpreting Scripture are evident throughout the book. It is both a personal and timely way of speaking, to our disintegrating society. The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of (re)connecting with the Bible. As one of the founders of the Amsterdam way of interpretation, Karel Deurloo, stated, "The opportunity to learn anew and understand the language of the Bible has been taken away." Often the focus is on the assumed origin and history of a text, a historical/literary approach, or a fundamentalist view creating a fragmented, moralistic, and doctrinaire emphasis which has alienated many from churches. Instead, Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today. This alternative is rooted in the Hebrew Scriptures. Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters. Hence the choice of subtitle: Rediscovering the Old Testament. It is a joyful journey of

discovery, finding new meaning in the Bible for our lives.

From Neediness to Fulfillment Miriam Subirana, 2013-05-31 Our relationships are unsatisfactory. They are conditioned by cultural, social and historical factors, which lead us to an inner emptiness. Through centuries of patriarchal leadership and feminine dependence we have arrived at the present situation...one of deep unsatisfaction. The neediness of so many women and the present day situation of lack of true encounter between men and women, has led the author to question, to observe and to suggest new solutions to our present challenges. We need to learn to relate to each other without hurting ourselves, to love each other without attaching one to another, to be accomplices respectful of our identities and freedom, to experience unity in diversity. ,
