You Won't Believe Me Cyn Balog,2023-06-27 Brace yourself for the unexpected in this chilling novel that will thrill suspense and horror readers alike! Willow can't remember what landed her in captivity, but she'll do anything to survive. For fans of Natasha Preston and Stephen King. Willow is alone, confined to a bed with restraints. She can't remember how she got there...or how long she's been there. An old lady appears in her room to feed her twice a day. Granny doesn't talk, but Willow can hear thumping from somewhere beyond her door. It's not Granny's shuffling steps. It's too loud to be Granny's cat. Is it someone? Something? Then Granny's cat dies in Willow's room. And Granny follows a few days later. Willow will do anything to survive. But freeing herself from her bed is only the beginning... Because there is someone else in the house. Who is this mysterious teen who calls himself Elijah? And is he the reason she's hostage or the key to her escape? Don't miss these other gripping novels from Cyn Balog: Alone That Night Unnatural Deeds

**The Letters of Emily Dickinson** Emily Dickinson,2024-04-02 The Letters of Emily Dickinson collects, redates, and recontextualizes all of the poet's extant letters, including dozens newly discovered or never before anthologized. Insightful annotations emphasize not the reclusive poet of myth but rather an artist firmly embedded in the political and literary currents of her time.

*Transcripts of an Internet Scammer* Kenny B.,2022-08-01 For the last ten years, I have spent between 4,000 to 5,000 hours on many Internet dating sites, looking for scammers. I have spoken with well over five hundred scam artists from Africa alone (and I have files on most of them). My goal in researching Internet scammers was to become an expert on their methods and on how to recognize the warning signs of a scam. This compiled research will enable people to detect a scam and ask the right questions to foil scammers from accomplishing their mission. I hope to save many people from the heart ache, embarrassment, and financial loss that result from these scams. It has been a tiring journey, exposing the methods of a scammer. My joy was found in wasting their time and asking them questions they simply couldn't answer. Find out how the trap works in Transcripts of an Internet Scammer.

American Loser Phillip Roberts,2011-06-29 A story about the will? Doesn't sound particularly exciting or extraordinary.

Maybe not. Depends on what a person goes through to discover their will. I see. You mean a will to live? Yes. And that's what American Loser is about? Primarily, yes. About discovering how powerful a person's will can be. That's certainly more interesting. Who might read such a story? Someone who's been in pain; who's questioned their own existence and considered maybe not being around tomorrow. Anyone else who might like this story? People amused by extreme behavior: sexual oddity and odysseys, drug use, and other absurdities that arise from passionate living.
