*Worship That Touches the Heart of God* Nina Gardner, 2015-06-18 Do you feel truly alive or are you just going through the motions in life? The fulfillment you seek can be found in worship—a worship that starts within you. The sweet psalmist David provided us his key to worship, which God vowed would never end. Once you know where you fit into this pattern of worship, and experience its freedom, you will never opt to live a life of merely going through the motions again. You will worship not because you are told to, but because you love to. In worship, God's heart of love is found. Through it—you can find joy—and feel more alive than ever before!

*Noah's Family The Story of Mankind* Alonzo Holmes, 2012-07-05 God's creation of humanity is beautiful in all of its diverseness, notwithstanding the flaws of human nature. The ultimate human potential is possible only through the grace and truth of Jesus Christ.

*Revealing Revelation* Amir Tsarfati, 2022-05-03 Tour the Final Book of the Bible Revelation was written because God wants us to know what the future holds. For Christians, the prophetic truths within provide wisdom, reassurance, and discernment—while for unbelievers, Revelation is a plea to receive God's grace while there is still time. Bestselling author Amir Tsarfati examines what Revelation makes known about the end times and beyond. Guided by accessible teaching that lets Scripture speak for itself, you'll take a closer look at the timeline of what believers and nonbelievers will experience before, during, and after the tribulation plan that the Lord has specifically prepared for the people of Israel in the end times encouragements, challenges, and warnings Jesus Himself gave to prepare us for His return Revealing Revelation provides an

eye-opening look at what lies ahead for every person in the end times—either in heaven or on earth. Are you prepared for what is to come?

*Communion, Covenant, and Creativity* Brian Haymes,Richard L. Kidd,2020-03-16 This book is a follow-up to a previous volume by the same three authors, *Baptists and the Communion of Saints: A Theology of Covenanted Disciples*, though it does not require familiarity with the first study. The present book offers new perspectives on belief in the communion of saints by interpreting it through the idea of covenant, with its two dimensions of relations with God and with each other. Giving attention to the creative arts of painting, music, poetry, and story writing, the authors explore indications of a hidden communion of saints through embodiment, memory, and connectivity. Included are studies of the work of visual artists Paul Nash and Mark Rothko; musicians John Tavener, Elgar, and Brahms; and writers Thomas Hardy, T. S. Eliot, and James Joyce. Theological reflection on these hints of communion offers a vision of an ongoing communion of prayer with the saints, alive and dead, which does not depend on a dualistic idea of a disembodied soul existing after death but which affirms the Christian tradition of the resurrection of the body. Communion, covenant, and creativity are thus linked to develop a

Christian aesthetics based on a mutual indwelling between the triune God and the world.
