*God of River Mud* Victor Maynard Sizemore, 2024 Grappling with innate desires and LGBTQ identity, a family struggles under the oppressive expectations foisted on them by fundamentalist Christianity--

*The Moon God Kings of Akkad and Sumer* Keith L. Eldridge, 2013-06-26 After An had created the sky, stars moon and Sun and the oceans and filled them with fish and other creatures, and the forests and uplands and mountains and peopled them with every kind of animal, He sat back for a rest and admired His effort. But He decided that perfect as it was it was very boring. The Gods needed someone or something to serve them. So, with river mud He created Man and Woman and all was turned to turmoil as these creatures went their own way, for it seemed that selfishness and violence were bred in the bone! Crime and violence, theft, murder, lies and graft proliferated. But in spite of this it was found that even in a garbage dump a beautiful plant may grow. It is called love. And that is the tenor of this story. An knew perfectly well that He had not created a perfect creature, but he had created a being capable of perfection. And this is the story of mankind. It tells us of such great ones as Inanna and Dumuzi, and as people matured, of Buddha, Jesus, Mohammad, on toward an age of maturity and out of the present strife and confusion.

*The Only Possible Evidence for a Demonstration of God's Existence* Immanuel Kant, A new 2024 translation of *The Only Possible Evidence for a Demonstration of God's Existence* from the original German manuscript first published in 1763. The original German title is *Der einzig mögliche Beweisgrund zu einer Demonstration des Daseins Gottes*. This new edition contains an afterword by the translator, a timeline of Kant's life and works, and a helpful index of Kant's key concepts and intellectual rivals. This translation is designed for readability, rendering Kant's enigmatic German into the simplest equivalent possible, and removing the academic footnotes to make this critically important historical text as accessible as possible to the modern reader. In the first part of the document, Kant embarks on a meticulous examination of metaphysical necessity, a concept central to the arguments for the existence of a Supreme Being. Here the distinction between what is absolutely necessary and what is contingent is explored in depth. This exploration is crucial because it lays the groundwork for arguing for the existence of a being whose existence is seen as necessary rather than contingent. The second part examines the specific attributes traditionally ascribed to a divine being, such as omnipotence, omniscience, and moral perfection. Kant critically analyses these attributes, discussing their coherence and the implications they have for the

concept of a supreme being. This analysis is crucial to understanding the nature of the being whose existence the treatise seeks to demonstrate. In the third section, the treatise examines the logical structure that underlies the argument for God's existence. This involves a dissection of ontological and cosmological arguments, assessing their validity and soundness within the realm of philosophical reasoning.

*The Jumbie God's Revenge* Tracey Baptiste, 2019-09-03 Thunder rumbles, lightning strikes, danger appears . . . When an out-of-season hurricane sweeps through Corinne's seaside village, Corinne knows it's not an ordinary storm. At first Corinne believes Mama D'Leau, the powerful and cruel jumbie who rules the ocean, has caused the hurricane. Then an even more ferocious storm wrecks the island, sending villagers fleeing their houses for shelter in the mountains, and Corinne discovers the storms weren't caused by a jumbie, but by the angry god Huracan. Now Corinne, with the help of her friends and even some of her enemies, must race against time to find out what has angered Huracan and try to fix it before her island home is destroyed forever. *The Jumbie God's Revenge* blends Caribbean and West African tales to present powerful themes of community and heroism in a heart-pounding action adventure.

*White Whole* Surazeus Astarius, 2019-03-20 *White Whole* presents 1,136 lyrics, pastorals, satires, elegies, and narrative poems written in 2018 by Surazeus that explore the evolution of the universe since the First Flash from the *White Whole*.

**Dictionary of Jamaican English** Frederic G. Cassidy, Robert Brock Le Page, 2002 Originally published by Cambridge University Press in 1967 and then revised as a second edition in 1980, this classic study has never before been available in a paperback edition. This method and plan of the dictionary are basically those of the Oxford English Dictionary, but oral sources have been extensively tapped in addition to detailed coverage of literature published in or about Jamaica since 1655. The dictionary is a mine of information about the Caribbean and its dialects, about the history of English and its dialects, and about Creole languages and general linguistic processes. Entries give the pronunciation, part-of-speech and usage labels, spelling variants, etymologies and dated citations, as well as definitions. Systematic indexing indicates the extent to which the lexis is shared with other Caribbean countries: Suriname, Guyana, Trinidad, Barbados, Nicaragua and Belize.

Myths and Legends of the Ancient Near East: Religion, Cosmology, and Sacred Texts from Egypt, Mesopotamia, and Ugarit AJ Carmichael, 2025-08-04 Mesopotamia, the land between the rivers, lies cradled by the Tigris and Euphrates. In the modern world, this area encompasses Iraq, northeastern Syria, southeastern Turkey, and southwestern Iran. To the ancient mind, it was a liminal place, where the forces of life and death were ever in tension. Fertile soil gave birth to the first great urban civilizations, but it was bordered by deserts, mountains, and marshes that represented the dangerous and unknown. The Tigris River, with its fast-flowing, volatile currents, was feared and revered as a force of divine energy. The Euphrates, broader and gentler, was a lifeline for irrigation and agriculture. Together, they deposited the silt that fed barley and wheat, creating the agricultural surplus that allowed cities like Uruk, Ur, Eridu, and Lagash to flourish as early as 4000 BCE. Yet,

both rivers could turn catastrophic, flooding with little warning, destroying fields, homes, and lives. These unpredictable floods found their echo in the Flood Myth—the story of Ziusudra, later Utnapishtim, surviving the deluge decreed by angry gods.

**Dark God's Rise** C.M. Simpson,2025-03-03 An ancient deity in a failing prison. A priest passed from one deity to the next, but supported by the gods themselves... A Northlands warrior, a rogue without a master, and a wizardess and her apprentices running for their lives. It's a race against time, and they must place more than their lives on the line to save the only world they know.

*Gorel and the Pot-Bellied God* Lavie Tidhar,2014-07-01 Winner - British Fantasy Award for Best Novella, 2012 A legend tells of the Mirror of Falang-Et: a magical object in the city of the frog tribes, which can tell all manner of truths. . . There is only one truth Gorel of Goliris - gunslinger, addict, touched by the Black Kiss - is interested in: finding a way back home, to the great empire from which he had been stolen as a child and from which he had been flung, by sorcery, far across the World. It started out simple: get to Falang-Et, find the mirror, find what truth it may hold. But nothing is simple for Gorel of Goliris. . . When Gorel forms an uneasy alliance - and ménage à trois - with an Avian spy and a half-Merlangai thief, things only start to get complicated. Add a murdered merchant, the deadly Mothers of the House of Jade, the rivalry of gods and the machinations of a rising Dark Lord bent on conquest, and things start to get out of hand. Only one thing's for sure: by the time this is over, there will be blood. Not to mention sex and drugs. . . or guns and sorcery. A delightfully Weird pulp tale that could easily sit on a shelf alongside Leiber, Vance and Moorcock. . . an excellent planned and exuberantly executed fantasy - Pornokitch

The Volks Garten Don Elwood,2013-07-16 The Mayan God Kings had been blessing the crops of Maya with Reiki prayers when the white brothers from Europe arrived. It was decided to keep the details of Reiki Prayers a secret from the white brothers until the Age of Pisces was over. They etched secrets of the Reiki Prayer process, onto coded glyphs on an animal skin called, the Dresden Codex. See the illustration from the Dresden Codex, on the back cover, of a Mayan God King praying or their crops. They predicted that the secrets would again be deciphered by December 12, 2012. Man is the only triune

being in the animal kingdom. He consists of a conscious self (the only self that communicates in languages), a subconscious self, which communicates by emotions, and, a HIGH SELF (or the Father above.) All three are involved in a Reiki + MANNA prayer task. The conscious self must first describe the prayer, in terms the subconscious self relates to. He then imagines he is standing in water. (MANNA is interpreted by the subconscious self, as a prayer substance (i.e. like WATER.) that can flow up thru a tube.) The conscious self notifies his subconscious self, to: accumulate manna through breathing cycles , send it up the Aka cord, (i.e. in the back), up to the HIGH SELF above, and ask the HIGH SELF to accumulate MANNA, MANNA, LOA, and request God to rain down the prayer results, to the earth below. The lower right, symbolizes a man reincarnated during the Age of Aquarius , standing in water with his back to us, (i.e. symbolizing the AKA cord up his back), using both HANDS, (for praying) to obtain heavenly responses (i.e. stars, in the water from the jug), as it flows down to the earth below. According to the book, Knocking At The Gate, it is the Age when: Man can ascend into Heaven WHILE STILL ALIVE, as Jesus suggested. Extra terrestrials will help evacuate people to other planets before God makes necessary changes to the earth, and after the Earth changes have been made, return them. And, if you are still here, do as the Christian Bible says: RUN, dont walk, to the mountains, and grow a garden in your back yard.

*The Pulpit Commentary, Volume 1* Spence-Jones, Henry, 2015-08-14 The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men. Containing over 22,000 pages and 95,000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence-Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries, the first being that it gives an exposition, or verse-by-verse, annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared, "This commentary bids fair to take a conspicuous place among the ever-multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange, and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher: first by giving him a critical and exegetical exposition of the text of Scripture, and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained. The print edition of this set typically retails for more than \$1,000 making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua Volume 2 Judges to 2 Kings Volume 3 1 Chronicles to Job Volume 4 Psalms to Song of Songs Volume 5 Isaiah to Daniel Volume 6 Hosea to Malachi Volume 7 Matthew to John Volume 8 Act to Philippians Volume 9 Colossians to

**Slave Species of the Gods** Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA • Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species, first proposed by Zecharia Sitchin in The 12th Planet • Shows how the Anunnaki created us using pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA • Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6,000 years ago. However, as Michael Tellinger reveals, the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200,000 years ago. Sent to Earth in search of life-saving gold, these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold--thus beginning our global traditions of gold obsession, slavery, and god as dominating master. Revealing new archaeological and genetic evidence in support of Zecharia Sitchin's revolutionary work with pre-biblical clay tablets, Tellinger shows how the Anunnaki created us using

pieces of their own DNA, controlling our physical and mental capabilities by inactivating their more advanced DNA--which explains why less than 3 percent of our DNA is active. He identifies a recently discovered complex of sophisticated ruins in South Africa, complete with thousands of mines, as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy. Matching key mythologies of the world's religions to the Sumerian clay tablet stories on which they are based, he details the actual events behind these tales of direct physical interactions with "god," concluding with the epic flood--a perennial theme of ancient myth--that wiped out the Anunnaki mining operations. Tellingner shows that, as humanity awakens to the truth about our origins, we can overcome our programmed animalistic and slave-like nature, tap in to our dormant Anunnaki DNA, and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe.

**Perspectives on an Evolving Creation** Keith B. Miller, 2003-09-25 According to the authors of this book, who explore evolutionary theory from a clear Christian perspective, the common view of conflict between evolutionary theory and Christian faith is mistaken. Written by contributors representing the natural sciences, philosophy, theology, and the history of science, this thought-provoking work is informed by both solid scientific knowledge and keen theological insight. The three sections of the book address (1) relevant biblical, historical, and scientific background, (2) the scientific evidence for an evolving creation, and (3) theological issues commonly raised in connection with evolution, including the nature of God's creative activity, the meaning of the miraculous, and the uniqueness of humankind. Woven through the volume are short meditations designed to direct readers toward worshiping the God of providence. Contributors: Laurie J. Braaten Warren S. Do It God's Way and Get God's Results Roy Bacon, 2021-07-07 Jesus routinely taught with parables and earthly stories that resonated with people's daily experiences. His lessons were personable and memorable, and enabled his followers to grasp profound spiritual revelations of the word of God. In Do it God's Way and Get God's Results, Pastor Roy Bacon emulates Jesus' approach. He entwines authentic, thought-provoking anecdotes with each chapter theme to present Biblical

truths more lucidly and reveal the benefits of choosing God's way in every aspect of life. Throughout the book, he examines two alternatives to life's results: choosing God's way of doing things or choosing our way. The final chapter is a brief portrait of the life of Jesus Christ, our greatest example of how to do things God's way and get His results. Do it God's Way and Get God's Results is not a how-to guide for overnight success, but biblically grounded advice for obtaining God's best, now and in your future.

**God'S Direction** Earl Goatcher, 2018-05-31 This is a thrilling narrative of the remarkable journey of a medical missionary couple and the way God worked to reveal his leading to accomplish his purpose. The narrative covers a period of over fifty years, describing the great variety of work situations in exotic and sometimes dangerous places in over thirty countries. The journey portrays the couple merging to become a team that labored together in providing medical care to an astonishing variety of tribal groups, refugees, leprosy patients, and remote Thai villagers. The story unfolds to provide insight into the way a sovereign God can open doors to ministry in a stunning variety of places in needy, unreached areas. Those doors included a hospital in rural Southeast Thailand in a previously underserved area, providing medical care to over four thousand leprosy patients from a wide area, also in Southeast Thailand. Another open door developed when Dr. Goatcher became medical director of a hundred-bed, M\*A\*S\*H\* type hospital in a camp of twenty-two thousand refugees in the jungle between Thailand and Cambodia. It was in that setting, with artillery and small arms fire a daily occurrence, that unusual manifestations of God brought thousands of people to become Christians. Concurrently with medical care, the author was responsible for providing food and other services to over forty-five thousand refugees daily in four different camps. In India, the couple trained locally selected leaders in how to provide primary health care to the villagers in a remote, tribal area. Those ministries provide insight into the way a sovereign God can open doors to ministry in an amazing array of places.
