CHRISTMAS CAROLS & Christmas wishes- A collection Prabir Rai Chaudhuri,2022-12-17 Simply a day prior to Christmas and all we can imagine is St Nick Claus, bunches of presents, singing and hoarding on loads of plum cake. Christmas is tied in with spreading euphoria and giggling on the planet and helping each other to remember the affection that God has for humanity. It is that one day when Christians praise the introduction of Jesus Christ, who is supposed to be the radiance of the world and was destined to be the hero of men. On Christmas Eve, individuals attempt to disregard hostilities they have against their neighbor and embrace love for all. Subsequently, starts the time of sharing, mindful and marvels. Individuals visit places of worship on this day and sing Christmas psalms and hymns. In the event that you're somebody who likes to sing probably the most established and popular English Carols and hymns, then, at that point, we have organized a rundown of melodies that will assist you with singing with your friends and family. Merry Christmas !

My Superman David O. Idahosa,2012-09 MY SUPERMAN David, who always wanted to be a prolific and successful writer, later found himself taking a step further to live in a hidden world where villains live and dwell. He was committing crimes and was held behind bars. He saw that the more friends he was having, the farther he was walking from his dream. Despite that addiction to crime, which almost stole his life away, he still would not relinquish his dream of becoming something he feels inclined to be that he so believed is what he will be judged with by God when he die. He said he could see that crime can also be a product of the law and as a lack of social benefit. A young African born into a vicious cycle of poverty in one of the most corrupt countries in the world. And because of the political situation of his country, which was on the brink of a civil war, the lack of enough financial support from his impoverished family for him to run his education so as for him to be able to secure himself from danger by having a profession to work and live peacefully in his country. He then decided to set on a formidable journey of life, departed thence and traveled to Europe by land, passing through the Sahara desert, which he described as the hell on earth, to Morocco, and later to Spain. Reaching Spain, he proceeded farther on his adventurous journey that altered his life and dream only to make him discover the tragedies that later befell him and made him to send his ghost to live in the land where he was incarcerated by unending miseries, seeing his life in peril and his dreams turning into nightmares. In accordance with fact, he became less preoccupied with his own problems as he looked to the three major problems engulfing the world, which are hunger, wars, and terrorism. He found politics more fascinating, and when he tried

to ascertain the facts about it, he grasped that it was greed, power, and lust that were written in their agendas, and it was disturbing his faith and beliefs in humanity. He thought he could see how men chose to forbid love and peace, to embrace enmities and conflicts; he said he could see that if men cannot make a sacrifice to love their neighbors, they will find themselves paying prices for destroying each other.

Christmas Plum Dahlia Rose , 2017-12-09 Portia Teale aka Plum was spunky, vivacious and flirty with a quick smile and a kind heart. But no one saw past her body and while she was growing up she was taunted with the name “plump plum.” She learned to accept her figure and was happy in her own skin. She considered herself fabulous and curvaceous even if no one else could see her beauty she sure as hell could. Mr. Right would come along when he was good and ready, till then she wouldn't settle for “you're pretty but if you weren't so big...” hell no. Christmas came around and her little flower shop was selling poinsettias and holiday bouquets faster than she could make them. Mr. Hollis Wright came into the store with a rush

order for a holiday party and showed more interest in her than her flowers. She accepted his dinner date and from the first kiss sparks flew. One minute he was buying arrangements for a party, the next he was dating the sweetest plum in New York City. Hollis didn't care about her size or gossip. When he kissed Portia made him feel more alive than he felt in a long time. To him she was the most beautiful woman in the world. That doesn't mean people didn't talk when the dashing eligible bachelor showed up with her on his arm. From a size two to sixteen, one headline read and it faze him, it was his life and he lived it on his terms. The only thing that mattered to Hollis was the size of her love. While she thought that a holiday fling, Hollis was going to show her he had something more permanent in mind.
