Married with Benefits Jay Hart, Geri Hart, 2018-09-11 The surprising true story of a pair of lovers who've found participating in professional pornography to be an unparalleled way of keeping their marriage ever exciting. Meet Geri and Jay Hart. By all appearances they're the couple in the condo next door. They have a great marriage, advanced degrees, successful careers. But there's something about them you might be surprised to learn: Geri and Jay enjoy collaborating with top professional performers and production people to create their own upscale erotic videos. *Married with Benefits: Our Real-life Adult Industry Adventures* is the Hart's remarkably candid account of how and why they've come to engage in such an extraordinary pursuit. From the secluded balcony of a Caribbean resort, to a spacious suite at a luxury hotel, to a major west coast production company's legendary shoot house, to the Las Vegas home of a well-known porn star, Geri and Jay are exploring the exhilarating pleasures and uncommon pressures of making love in front of the camera. And along the way they're recording a fascinating series of interviews and sex scenes with top male and female performers. Now, the Harts are pleased to share all they're discovering--about both the adult entertainment industry and themselves. Alternating between Geri and Jay's perspectives, with sensitivity and humor, *Married with Benefits* not only takes readers inside a real-life couple's most intimate adventures, it also vividly illustrates just how powerfully their secret lifestyle shapes their sense of who they are. This is sexual journalism at its most insightful. About the authors: Geri and Jay Hart are the pen names of a married woman and man who serve in executive positions at two well-known organizations in the U.S. They frequently participate in civic and charitable events and appear in their local media. Although their careers keep Geri and Jay well occupied individually, their top priority is being together. During shared times they enjoy exercising, traveling, eating healthy food, and--of course--exploring and savoring their sexuality. Their previous book is the Amazon bestseller *Monogamy with Benefits: How Porn Enriches Our Relationship*. Follow them on Twitter @SexyHappyCouple.

Monogamy with Benefits: How Porn Enriches Our Relationship Jay Hart,Geri Hart,2017-01-05 Can a couple have sex with other people in a way that deepens their own love for one another? And what essential role might professionals from the adult entertainment industry play in the process? Geri and Jay Hart provide the answers in Monogamy with Benefits: How Porn Enriches Our Relationship, the heartfelt true story of their secret quest for an extraordinary kind of intimacy. Geri and Jay are two fit, attractive executives who've come together in mid-life following divorces from spouses who didn't share their need to continue growing sexually. Seeking to avoid the pitfalls of their previous relationships, the two lovers decide to be fearlessly honest with one another about their deepest sexual needs and desires. This leads them to embark together upon a progressive and highly unconventional journey of discovery that unfolds around the U.S. in strip clubs, legal brothels, a swinger's gathering, a sex expo and, ultimately, on the set of the couple's own professionally produced adult video. By seeing what works for their relationship, as well as what doesn't, Geri and Jay share sensational adventures they never would have experienced individually, making them all the more eager to spend the rest of their lives together. Admittedly, the approach described in Monogamy with Benefits isn't for everyone, but at a time when an estimated 50% of married individuals engage in infidelity, this book is sure to provoke discussion about how and why traditional social mores and laws inhibit many couples' ability to stray together. About the authors: Geri and Jay Hart are the pen names of a married woman and man who

serve in executive positions at two well-known organizations in the U.S. They frequently participate in civic and charitable events and appear in their local media. Although their careers keep Geri and Jay well occupied individually, their top priority is being together.
