Crescent Remembered Patricia Hertel, 2015-06-26 Contemporary Spain and Portugal share a historical experience as Iberian states which emerged within the context of al-Andalus. These centuries of Muslim presence in the Middle Ages became a contested heritage during the process of modern nation-building with its varied concepts and constructs of national identities. Politicians, historians and intellectuals debated vigorously the question how the Muslim past could be reconciled with the idea of the Catholic nation. The Crescent Remembered investigates the processes of exclusion and integration of the Islamic past within the national narratives. It analyses discourses of historiography, Arabic studies, mythology, popular culture and colonial policies towards Muslim populations from the 19th century to the dictatorships of Franco and Salazar in the 20th century. In particular, it explores why, despite apparent historical similarities, in Spain and Portugal entirely different strategies and discourses concerning the Islamic past emerged. In the process, it seeks to shed light on the role of the Iberian Peninsula as a crucial European historical contact zone with Islam.

La frontera interior Manuel Moyano Ortega, 2022-03-03 Sierra Morena es una tierra de nadie. Frontera física entre el centro y el sur de España, esta cadena montañosa casi despoblada ha acogido a lo largo de los siglos bandoleros, contrabandistas, ermitaños, poetas y otros personajes extraordinarios, cuando no sobrenaturales. Atento a la historia y a los pequeños detalles, Manuel Moyano nos la redescubre con una nueva mirada, obteniendo como resultado un título memorable de la literatura de viajes. «Este libro contiene esa magia, tan discreta como infrecuente, que consiste en transformar lo familiar en insólito. El autor se reclama viajero romántico, pero es a los caminantes de trote corto a quien se parece, al Camilo José Cela de la Alcarria, al Azorín de los pasos del Quijote [...] y, cómo no, al Miguel Delibes de las madrugadas castellanas». Del prólogo de Sergio del Molino.

Women Readers and Writers in Medieval Iberia Montserrat Piera, 2019-08-05 This book is devoted to medieval Iberian women, readers and writers. Focusing on the stories and texts women heard, visually experienced or read, and the stories that they rewrote, the work explores women's experiences and cultural practices and their efforts to make sense of their place within their familial networks and communities. The study is based on two methodological and interpretive threads: a new paradigm to represent premodern reading and, a study of women's writing, or, more precisely, women's textualities, as a process of creating words but also acts, social practices, emotions and, ultimately, affectus, understood here as the embodiment of the ability to affect and be affected.

After One Hundred Years Andrea Lerner, Avinoam Shalem, 2010-08-23 This book is the first comprehensive study of the path-breaking exhibition *Meisterwerke muhammedanischer Kunst* held in Munich in 1910. It offers new ideas and unpublished material on the exhibition's historical context, organization, display, reception in the West and its later influence on the study of Islamic art.

La Batalla de Bailén en la Literatura Española (Segunda edición, profusamente ampliada y revisada) Francisco Antonio Linares Lucena, 2019-10-04

Potosí Pedro Querejazu, Elizabeth Ferrer, 1997

Madrid Jules Stewart, 2015-03-02 At the heart of the Castilian plateau, far from the coastal towns and ports of Spain, sits

the great city of Madrid. Perched some 2,200 feet above the distant sea, it is at once the loftiest and also the most enigmatic of Europe's capitals: hard to decipher for the Spanish and for foreigners alike. Its intense character and the abrupt manner and hectic lifestyle of the Madrilenos can make even other Spaniards feel exhausted. Yet, Madrid has a rich historical and cultural life which attracts almost 8 million visitors per year, drawn to its beautiful palaces and churches, the magnificent collections of the Prado and everywhere the echoes of a faded empire. Despite its ancient origins, Madrid feels like a modern, youthful city. But the legacy of Madrid's 'golden age' - the Spanish colonies from the Andes to the Philippines from which the city derived such wealth - remains evident in the extravagant Baroque facades of the old city. Jules Stewart here provides an insider's account of Madrid and unveils the history and culture of one of Europe's most fascinating, but least-understood cities.

Galería biográfica de artistas Españoles del siglo XIX Manuel Ossorio y Bernard,1869

Revista de historia y de genealogía española ,

Galería biográfica de artistas españoles del siglo XIX Manuel Ossorio y Bernard,1868

Revista de archivos, bibliotecas y museos ,1914

Del Neoclasicismo al Impresionismo Enrique Arias Inglés,1999-11-18 El presente libro forma parte de una serie que pretende abarcar de forma general y concisa una historia completa del Arte Español junto con las obras EL SIGLO DEL RENACIMIENTO y LOS SIGLOS DEL BARROCO. Este volumen trata del período que comprende desde el neoclasicismo al impresionismo, abarcando todas las manifestaciones artísticas que se incluyen habitualmente en los currículos de Historia del Arte (Arquitectura, Pintura y Escultura).

Apodos reales Javier Leralta,2008 Apodos Reales es un libro que cuenta la historia de España a través de los mote de sus reyes, profundizando en la explicación del sobrenombre, sentencia breve muy común en España. Desde la invasión árabe (711) hasta la Guerra de la Independencia (1808-1814) gobernaron los diferentes reinos peninsulares cerca de ciento cincuenta soberanos entre reyes y reinas, condes, califas y emires. Muchos de ellos, más de ochenta, fueron bautizados con un apodo - sobre todo en la Edad Media - que hacían referencia, en algunos casos, a su forma de gobernar (el Cruel, el de las Mercedes, el Malo, el Bravo, el Justiciero, el Batallador, el Conquistador); en otros a algún aspecto físico o psíquico (el Velloso, el Gordo, el Fuerte, el Doliente, el Hermoso, el Impotente, el Hechizado, la Loca, el Temblón, el Gotoso) o bien destacaron virtudes (el Santo, el Sabio, el Noble, el Casto, el Humano, el Católico, el Magnánimo, el Liberal) o alguna circunstancia peculiar o anecdótica de sus vidas (el Emplazado, el Ceremonioso, el de Antequera, el Cazador, el Mejor Alcalde, Pepe Botella, el Deseado). Una vez comprobadas sus biografías se han seleccionado las vidas de veinticinco reyes y reinas principales por su interés y curiosidad y las de otros veinte monarcas secundarios por su importancia en la historia o lo llamativo de sus apodos. Cada biografía se completa con un apartado de citas viajeras porque creemos que la historia y el

viaje son una parte importante de nuestras vidas que debemos compartir. Por eso invitamos al lector a conocer aquellos lugares (territorios, monasterios, castillos, templos, palacios, panteones, villas) que mantienen vivo el recuerdo de los personajes tratados en el libro.

Historia del arte José Pijoán,1915

Al-Andalus Metropolitan Museum of Art (New York, N.Y.),1992 From 711 when they arrived on the Iberian Peninsula until 1492 when scholars contribute a wide-ranging series of essays and catalogue entries which are fully companion to the 373 illustrations (324 in color) of the spectacular art and architecture of the nearly vanished culture. 91/2x121/2 they were expelled by Ferdinand and Isabella, the Muslims were a powerful force in al-Andalus, as they called the Iberian lands they controlled. This awe-inspiring volume, which accompanies a major exhibition presented at the Alhambra in Granada and The Metropolitan Museum of Art in New York, is devoted to the little-known artistic legacy of Islamic Spain, revealing the value of these arts as part of an autonomous culture and also as a presence with deep significance for both Europe and the Islamic world. Twenty-four international Annotation copyrighted by Book News, Inc., Portland, OR

The Place of Narrative Marilyn Aronberg Lavin,1990-12-15 Looking at more than two hundred Italian medieval and Renaissance mural cycles, Lavin examines—with the aid of computer technology—the rearranged chronologies of familiar religious stories found therein. Like many masterpieces, Lavin's book builds upon a simple idea . . . it is possible to do a computer analysis of . . . visual narratives. . . . This is the first computer-based study of the visual arts of which I am aware that illustrates how those technologies can utterly transform the study of old master art. An extremely important book, one likely to become the most influential recent study of art of this period, *The Place of Narrative* is also a beautiful artifact.—David Carrier, *Leonardo* Covering over a millennium and dealing with the whole of Italy, Lavin makes pioneering use of new methodology employing a computer database . . . [and] novel terminology to describe the disposition of scenes of church and chapel walls. . . . We should recognize this as a book of high seriousness which reaches out into new areas and which will fruitfully stimulate much thought on a neglected subject of very considerable significance.—Julian Gardner, *Burlington Magazine*

The Top Books of the Year Museo De Las Navas De Tolosa The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Museo De Las Navas De Tolosa : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations

and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Museo De Las Navas De Tolosa : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
