

Repartiment De La Diplomtica

Joseph F. O'Callaghan

Crusade, Heresy and Inquisition in the Lands of the Crown of Aragon, c. 1167-1276 Damian Smith, 2010-05-20

Based on extensive study of the primary and secondary sources, Damian J. Smith here provides the first full account of the combined influence of crusade, heresy and inquisition in and about the lands of the Crown of Aragon until the death of James I the Conqueror in 1276. This work deals with the gradual loss of influence of the Crown in Provence and Languedoc culminating in the treaty of Corbeil in 1258. It then investigates the extent of heresy in the lands of the Crown and in other areas of Christian Spain. In the final part, the origins and development of the Aragonese inquisition are discussed in detail with a particular emphasis on the role of Ramon de Penyafort.

Diplomatarium of the Crusader Kingdom of Valencia Robert Ignatius Burns, 2017-03-14 This work is the

introduction to a series of volumes that will make available over 2,000 documents from the registers of Jaume the Conqueror at the Crown Archives in Barcelona the most impressive archives of this kind outside the papal series, and the first extensive use of paper by a European government. Originally published in 1985. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Repartiments a la Corona d'Aragó (segles XII-XIII) Enric Guinot Rodríguez, 2007 Els llibres de repartiment han estat

un objecte privilegiat de la historiografia tradicional sobre les grans conquestes hispàniques. Si semblava que tot podia estar dit, els nous plantejaments de la historiografia europea sobre l'expansió feudal dels segles XI al XIII han obligat en els darrers anys a una profunda revisió dels processos colonitzadors desenvolupats a les fronteres de la Cristiandat llatina. Aquest llibre aplega les contribucions presentades al Col·loqui sobre Repartiments a la Corona d'Aragó (segles XII i XIII) celebrat a València el 31 de gener del 2005. Els autors proposen una revisió general de la problemàtica a través d'una nova anàlisi de les experiències colonitzadores que van seguir a les conquestes de la Vall de l'Ebre, la regió de Tortosa, l'illa de Mallorca i el Regne de València.

Biblioteca de paleografía y diplomática Soldedad Farnés Juliá, 2001

Repartiments a la Corona d'Aragó (segles XII-XIII) Enric Guinot, 2011-11-28 Els llibres de repartiment han estat un objecte privilegiat de la historiografia tradicional sobre les grans conquestes hispàniques. Si semblava que tot podia estar dit, els nous plantejaments de la historiografia europea sobre l'expansió feudal dels segles XI al XIII han obligat en els darrers anys a una profunda revisió dels processos colonitzadors desenvolupats a les fronteres de la Cristiandat llatina. Aquest llibre aplega les contribucions presentades al Col·loqui sobre Repartiments a la Corona d'Aragó (segles XII i XIII) celebrat a València el 31 de gener del 2005. Els autors proposen una revisió general de la problemàtica a través d'una nova anàlisi de les experiències colonitzadores que van seguir a les conquestes de la Vall de l'Ebre, la regió de Tortosa, l'illa de Mallorca i el Regne de València.

The Sephardic Frontier Jonathan Ray, 2013-01-14 No subject looms larger over the historical landscape of medieval Spain than that of the reconquesta, the rapid expansion of the power of the Christian kingdoms into the Muslim-populated lands of southern Iberia, which created a broad frontier zone that for two centuries remained a region of warfare and peril. Drawing on a large fund of unpublished material in royal, ecclesiastical, and municipal archives as well as rabbinic literature, Jonathan Ray reveals a fluid, often volatile society that transcended religious boundaries and attracted Jewish colonists from throughout the peninsula and beyond. The result was a wave of Jewish settlements marked by a high degree of openness, mobility, and interaction with both Christians and Muslims. Ray's view challenges the traditional historiography, which holds that Sephardic communities, already fully developed, were simply reestablished on the frontier. In the early years of settlement, Iberia's crusader kings actively supported Jewish economic and political activity, and Jewish interaction with their Christian neighbors was extensive. Only as the frontier was firmly incorporated into the political life of the peninsular states did these frontier Sephardic populations begin to forge the communal structures that resembled the older Jewish communities of the North and the interior. By the end of the thirteenth century, royal intervention had begun to restrict the amount of contact between Jewish and Christian communities, signaling the end of the open society that had marked the frontier for most of the century.

Reconquest and Crusade in Medieval Spain Joseph F. O'Callaghan, 2013-09-10 Drawing from both Christian and Islamic sources, Reconquest and Crusade in Medieval Spain demonstrates that the clash of arms between Christians and Muslims in the Iberian peninsula that began in the early eighth century was transformed into a crusade by the papacy during the twelfth and thirteenth centuries. Successive popes accorded to Christian warriors willing to participate in the peninsular wars against Islam the same crusading benefits offered to those going to the Holy Land. Joseph F. O'Callaghan clearly demonstrates that any study of the history of the crusades must take a broader view of the Mediterranean to include medieval Spain. Following a chronological overview of crusading in the Iberian peninsula from the late eleventh to the middle of the thirteenth century, O'Callaghan proceeds to the study of warfare, military finance, and the liturgy of reconquest and

crusading. He concludes his book with a consideration of the later stages of reconquest and crusade up to and including the fall of Granada in 1492, while noting that the spiritual benefits of crusading bulls were still offered to the Spanish until the Second Vatican Council of 1963. Although the conflict described in this book occurred more than eight hundred years ago, recent events remind the world that the intensity of belief, rhetoric, and action that gave birth to crusade, holy war, and jihad remains a powerful force in the twenty-first century.

The Book of Deeds of James I of Aragon Damian J. Smith, Helena Buffery, 2020-04-13 The 'Book of Deeds' is the first known autobiography by a Christian king. Its author was James I of Aragon (1213-76), known as 'The Conqueror', one of the great political figures of 13th-century Europe and a successful crusader. In his 'Deeds', James describes the turbulent years of his minority, the thrilling capture of Majorca, the methodical conquest of the kingdom of Valencia, the reconquest of the kingdom of Murcia after Castile had failed to hold it, and many of the important events of his reign. While crusade and conquest of Spanish territory from the Muslims and Christian-Muslim relations on the frontier are central features of the account, the 'Deeds' are also a treasure trove of information on the image, power and purpose of monarchy, loyalty and bad faith in the feudal order, the growth of national sentiment, and medieval military tactics. At the same time, the book presents a unique insight into the mind of a medieval ruler, the supreme example we possess of the fears and ambitions of a man at the very centre of events.

A Plural Peninsula: Studies in Honour of Professor Simon Barton , 2023-10-20 A Plural Peninsula embodies and upholds Professor Simon Barton's influential scholarly legacy, eschewing rigid disciplinary boundaries. Focusing on textual, archaeological, visual and material culture, the sixteen studies in this volume offer new and important insights into the historical, socio-political and cultural dynamics characterising different, yet interconnected areas within Iberia and the Mediterranean. The structural themes of this volume --the creation and manipulation of historical, historiographical and emotional narratives; changes and continuity in patterns of exchange, cross-fertilisation and the recovery of tradition; and the management of conflict, crisis, power and authority-- are also particularly relevant for the postmedieval period, within and beyond Iberia. Contributors are Janna Bianchini, Jerrilynn D. Dodds, Simon R. Doubleday, Ana Echevarría Arsuaga,

Maribel Fierro, Antonella Liuzzo Scorpo, Fernando Luis Corral, Therese Martin, Iñaki Martín Viso, Amy G. Remensnyder, Maya Soifer Irish, -Teresa Tinsley, Sonia Vital Fernández, Alun Williams, Teresa Witcombe, and Jamie Wood. See inside the book

Jaime I y su reinado Belenguer Cebrià, Ernest, 2008-01-01 Del rey Jaime I se puede hablar como el soberano que dio un gran impulso a la Corona de Aragón. Antes había solamente una unión dinástica del reino de Aragón con los condados catalanes, el de Barcelona sobre todo. Más tarde, las conquistas de las islas –especialmente Mallorca– y de Valencia, transformada en un reino propio, facilitaron la creación de aquella corona tan compleja. En 2008 celebramos el octavo centenario del nacimiento, en 1208, del Rey Conquistador en Montpellier. Este libro, de un historiador que ya trabaja sobre Jaime I desde 1984, no se puede considerar cualquier biografía o unos simples comentarios de la crónica del rei, es decir, del *Llibre des feits*. Con una síntesis de ágil prosa, Ernest Belenguer presenta la historia del rey y de su reinado en todas sus vertientes, con un libro que no cansa al lector, un libro riguroso, completo y gratificante en su lectura. Jaime I y su reinado no es una novela del pasado, afortunadamente es un libro de historia, en el cual el autor ha conseguido una narración tan estimulante como verdadera, sin traicionar, inventar o manipular los hechos. El texto se acompaña de cinco planos y treinta-y-cuatro imágenes en color sobre la vida de Jaime I.

Jews in the Notarial Culture Robert I. Burns, 2021-01-08 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1996.
