

Why Is Alchemy No Longer Accepted

Mike Jess

Why is 'c*nt' so much more derogatory in the US than the UK? 5 That's a very good question. It certainly is offensive here in the US, and I'm not sure why it's considered so much worse than other "Anglo-Saxon" words. I've used all of the other ones on occasion. But in 52 years, I've used "cunt" anatomically only a handful of times, and I can't recall ever using it as a slang reference for a woman. *etymology - Why is B.C. (Before Christ) in English, but A.D. (anno ...* May 7, 2015 · Why the terminology changed from Latin to English is a matter of speculation. In non-English speaking countries, they tended to use the local language: in French, "avant J.C." (before Jesus Christ); in German, "v. Chr. Geb.", an abbreviation of ... **indefinite articles - Is it 'a usual' or 'an usual'? Why? - English ...** As Jimi Oke points out, it doesn't matter what letter the word starts with, but what sound it starts with. Since "usual" starts with a 'y' sound, it should take 'a' instead of 'an'. Also, If you say "today was an usual day", unless your pronunciation is extremely clear, you risk being misunderstood as "today was unusual day", which will only confuse your listeners. *writing - Why are numbers sometimes spelled out and then ...* Why are numbers sometimes spelled out and then numerals specified as well? [closed] Ask Question Asked 14 years, 4 months ago Modified 12 years, 11 months ago *Where does the use of "why" as an interjection come from?* Mar 18, 2011 · "why" can be compared to an old Latin form qui, an ablative form, meaning how. Today "why" is used as a question word to ask the reason or purpose of something. **Why was "Spook" a slur used to refer to African Americans?** Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos... *terminology - Why use BCE/CE instead of BC/AD? - English ...* Why do people use the latter terminology? For one thing, I find it confusing. It doesn't help that BCE is similar to BC. But moreover, there is only one letter of difference between the two terms, whereas with BC and AD, the terms are clearly different and I find it easier to distinguish! Were BCE/CE established earlier than BC/AD? **"Why ...?" vs. "Why is it that ...?" - English Language & Usage ...** Why is it that everybody wants to help me whenever I need someone's help? Why does everybody want to help me whenever I need someone's help? Can you please explain to me the difference in mean... *etymology - Why is "number" abbreviated as "No."? - English ...* Apr 6, 2016 · The spelling of number is number, but the abbreviation is No (№). There is no letter o in number, so where does this spelling come from? **Do you need the "why" in "That's the reason why"? [duplicate]** Relative why can be freely substituted with that, like any restrictive relative

marker. I.e, substituting that for why in the sentences above produces exactly the same pattern of grammaticality and ungrammaticality: the reason that he did it * the cause that he did it * the intention that he did it * the effect that he did it * the thing that ...
