Dramatic Dance Darren Royston,2014-04-24 Dance is part of the art of theatre, a part which connects to movement, to communication, to improvisation, and to performance. It cannot exist on its own in the context of dramatic performance, but works in conjunction with other elements to enable meanings to be created in performance. Dramatic Dance sets a programme for actors to perform dance as part of the drama, offering several approaches which can contribute to developing this understanding, to training this skill, and always ensuring that the whole active and thinking body and mind are fully engaged with the task of making dance an integral and vital part of theatre. To study dance in this way allows students to develop further their understanding of logic and structure in a dramatic text. Many books deal with one aspect of dance or another: some on dance training, some on dance history, some on Rudolf Laban's ideas, some as dance manuals, and some as academic papers. Dramatic Dance is the first book to act as a comprehensive guide for theatre practice, bringing together these different, complementary disciplines.

Women's Place in Pope's World Valerie Rumbold,1989-09-29 How was Alexander Pope's personal experience of women transformed into poetry? How characteristic of his age was Pope's attitude toward women? What was the influence of individual women such as his mother, Patty Blount and Lady Mary Montagu on his life and work? Valerie Rumbold's is the first full-length study to address these issues. Referring to previously unexploited manuscripts, she focuses both on Pope's own life and art, and on early eighteenth-century assumptions about women and gender. She offers readings of some of the well-known poems in which women feature prominently, and follows Pope's response throughout his writings in general. The poet's own alienation from the dominant culture (through religion, politics and physical handicap), and his troubled fascination with certain kinds of women, make this subject complex and compelling, with wide implications. Dr. Rumbold provides new insight, and shows how women with whom Pope dealt can themselves be seen as individuals with presence and

dignity.

Ungrounded Empires Aihwa Ong, Donald Nonini, 2003-12-16 This book examines Chinese transnationalism as a distinctive domain within the new 'flexible' capitalism emerging in the Asia-Pacific region. It is based on new ethnographic research and interweaves anthropology, culture and politics.

Muhammad's Grave Leor Halevi, 2011-07-05 Winner, 2007 Albert Hourani Book Award, Middle East Studies Association Winner, 2008 Award for Excellence in the Study of Religion in Analytical-Descriptive Studies, American Academy of Religion Winner, 2011 John Nicholas Brown Prize, Medieval Academy of America Winner, 2008 Ralph Waldo Emerson Award, Phi Beta Kappa Shortlisted, 2008 Best First Book in the History of Religions, American Academy of Religion Longlisted, 2008 Cundill International Prize and Lecture in History at McGill University In his probing study of the role of death rites in the making of Islamic society, Leor Halevi imaginatively plays prescriptive texts against material culture and advances new ways of interpreting highly contested sources. His original research reveals that religious scholars of the early Islamic period produced codes of funerary law not only to define the handling of a Muslim corpse but also to transform everyday urban practices. Relying on oral traditions, these scholars established new social patterns in the cities of Arabia, Mesopotamia, and the eastern Mediterranean. They distinguished Islamic rites from Christian, Jewish, and Zoroastrian rites and changed the way men and women interacted publicly and privately. In each chapter Halevi explores a different layer of human interaction, following the movement of the corpse from the deathbed to the grave. In the process he analyzes the real and imaginary relationships between husbands and wives, prayer leaders and mourners, and even dreamers and the dead. He describes how Muslims wailed for the deceased, prepared corpses for burial, marched in funerary processions, and prayed for the dead, highlighting the specific economic and political factors involved in these rituals as well as key religious and sexual divisions. Offering a unique perspective on the making of Islamic social and religious ideals during this early period, Halevi forges a fascinating link between the development of funerary rites and the efforts of an emerging religion to carve out its own, distinct identity. *Muhammad's Grave* is a groundbreaking history of the rise of Islam and the roots of contemporary Muslim attitudes toward the body and society.

Reel Gender Sa'ed Atshan, Katharina Galor, 2022-10-20 *Reel Gender* is a groundbreaking collection that addresses the collective realities and the filmic representations of Palestinian and Israeli societies. The eight essays, by leading scholars, demonstrate how Palestinian and Israeli film production—despite obvious overlaps and similarities and while keeping in mind the inherent asymmetry of power dynamics—are at the forefront of engaging gender and sexuality. The scholars of this volume construct and deconstruct still and moving images, characters, and stories that create an entanglement of Palestinian and

Israeli cinema. Together they portray the region's diverse but unexpectedly intermingled ethnic, religious, and national communities, framed or countered by various societal norms, laws, and expectations, while also defined by colonial realities. The essays draw methodologically from the fields of media and cultural studies, critical and postcolonial theory, feminism, post-feminism, and queer theory.

A Companion to Aristophanes Matthew C. Farmer, Jeremy B. Lefkowitz, 2024-03-01 Provides a comprehensive and systematic treatment of the life and work of Aristophanes A Companion to Aristophanes provides an invaluable set of foundational resources for undergraduates, graduate students, and scholars alike. More than a basic reference text, this innovative volume situates each of Aristophanes' surviving plays within discussion of key themes relevant to the study of the Aristophanic corpus. Throughout the Companion, an international panel of contributors incorporates material culture and performance context, offers methodological and theoretical insights into the study of Aristophanes, demonstrates the relevance of Aristophanes to modern life, and more. Each chapter focused on a particular play is paired with a theme that is exemplified by that play, such as gender, sexuality, religion, ritual, and satire. With an emphasis on understanding Greek comedy and its ancient Athenian context, the text includes approaches to Aristophanes through criticism, performance, translation, and teaching to encourage and inform future work on Greek comedy. Illustrating the vitality of contemporary engagement with one of the world's great literary figures, this comprehensive volume: Helps new readers and teachers of Aristophanes appreciate the broader importance of each play within the study of antiquity Offers sophisticated analyses of the Aristophanic corpus and its place in literary and cultural history Includes chapters focused on teaching Aristophanes, including one emphasizing performance Provides detailed syllabi and lesson plans for integrating the material into high school and college curricula A Companion to Aristophanes is an essential resource for advanced students and instructors in Classics, Ancient Literature, Comparative Literature, and Ancient Drama and Theater. It is also a must-have reference for academic scholars, university libraries, non-specialist Classicists and other literary critics researching ancient drama, and sophisticated general readers interested in Aristophanes, Greek drama, classical Athens, or the ancient Mediterranean world.

Perfidia James Ellroy, 2014-09-09 NATIONAL BESTSELLER AN NPR BEST BOOK OF THE YEAR It is December 6, 1941. America stands at the brink of World War II. Last hopes for peace are shattered when Japanese squadrons bomb Pearl Harbor. Los Angeles has been a haven for loyal Japanese-Americans—but now, war fever and race hate grip the city and the Japanese internment begins. The hellish murder of a Japanese family summons three men and one woman. William H. Parker is a captain on the Los Angeles Police Department. He's superbly gifted, corrosively ambitious, liquored-up, and consumed by dubious ideology. He is bitterly at odds with Sergeant Dudley Smith—Irish émigré, ex-IRA killer, fledgling war profiteer. Hideo Ashida is a police chemist and the only Japanese on the L.A. cop payroll. Kay Lake is a twenty-one-year-old dilettante looking for adventure. The investigation throws them together and rips them apart. The crime becomes a political storm

center that brilliantly illuminates these four driven souls—comrades, rivals, lovers, history’s pawns. *Perfidia* is a novel of astonishments. It is World War II as you have never seen it, and Los Angeles as James Ellroy has never written it before. Here, he gives us the party at the edge of the abyss and the precipice of America’s ascendance. *Perfidia* is that moment, spellbindingly captured. It beckons us to solve a great crime that, in its turn, explicates the crime of war itself. It is a great American novel.

Thanksgiving Blessing Marta Perry, 2023-10-24 When Promise Glen is struck by a vandalism spree around the Thanksgiving holiday, a community’s values—and two weathered hearts—are put to the test. As a widow with two-year-old twins and a struggling orchard, Rebecca King’s dreams of expanding her business seem near impossible. To make matters worse, a troublesome string of destructive acts around Promise Glen threatens her roadside fruit and vegetable stand, forcing Rebecca to accept the help of her condescending new neighbor, Nathan Mueller. Nathan didn’t intend to offend Rebecca with his offer to share the stand, especially since he’s a widower and single parent himself. He admires Rebecca’s strength and kindness in the face of adversity. If only they hadn’t started off on the wrong foot... Despite their best efforts to shield their hearts, working side by side through the busy harvest plants the seeds of a budding friendship. But when the vandalism spreading through Promise Glen escalates to arson and rumors blaze through the town, they’ll have to learn to rely on each other more than ever. As Thanksgiving approaches, Rebecca and Nathan are forced to reconcile with their own grief, forgive what can’t be changed, and come to truly understand the core values of the holiday: love and gratitude.

The North American Indian: The Tiwa. The Keres Edward S. Curtis, 1926 [A] comprehensive and permanent record of all the important tribes of the United States and Alaska that still retain to a considerable degree their primitive customs and traditions. The value of such a work, in great measure, will lie in the breadth of its treatment, in its wealth of illustration, and in the fact that it represents the result of personal study of a people who are rapidly losing the traces of their aboriginal character and who are destined ultimately to become assimilated with the 'superior race.' It has been the aim to picture all features of the Indian life and environment—types of the young and the old, with their habitations, industries, ceremonies, games, and everyday customs ... Though the treatment accorded the Indians by those who lay claim to civilization and
