The Cottage Life Tiffany Francis-Baker, 2023-04-25 *The Cottage Life* reflects our collective desire to escape the chaos of modern existence; to live with more purpose, more compassion and more joy. *The Cottage Life* is an essential guide to slow and simple living, inspired by the magical world of cottagecore. To follow the cottagecore aesthetic is to wear secondhand clothes that tell their own stories; to bake fresh bread and cakes, no matter how wonky the outcome; to spend time in nature, to observe and draw the plants, to breathe fresh air and to connect with species beyond our own. It is taking the time to notice the seasons change, or to turn off your screen mindfully and pick up an old novel instead. It is lighting a fire on the first cool night of autumn and sipping a fresh cup of tea by the fireplace, or watching the first spring leaves unfurl after the long, dark winter. Celebrating the small joys in life, from the first birdsong of the morning to the taste of ripe plums on a summer afternoon. And, above all else, it is learning to slow down, connect with the world around you and be a more compassionate, conscientious citizen of the earth. Each chapter explores different ways of embracing the cottagecore lifestyle, such as interacting with nature, eating seasonally and getting creative. Inherently low-impact and green, cottagecore embraces reuse and recycling and celebrates an old-fashioned no-waste ethic. Fortunately for most, possession of a country cottage is not essential to embody the cottagecore spirit. With guidance on nurturing your home and small touches for interior decoration, *The Cottage Life* brings country living ideals to any space. Cottagecore is much more than a

fashion trend or social media bandwagon. It is a peaceful protest against the darker elements of modern life—The Cottage Life is a gentle embrace with the past, encouraging you to truly enjoy the present and nurture a brighter future.

The Red House Mary Morris, 2025-05-13 Award-winning novelist Mary Morris weaves together an unsolved family mystery, a poignant coming-of-age story, and a little-known corner of World War II history in this lyrical novel of family, loss and, ultimately, love. Thirty years ago, Laura's mother, Viola, went missing. She left behind her purse, her keys and her mysterious paintings of a red house. Viola was never found, and her family never recovered. Laura, an artist herself, held on

to the paintings. On the back of each work, her mother scrawled in Italian, “I will not be here forever.” The family never understood what Viola meant. Decades later, at a crossroads in her marriage and her life, Laura returns to Italy, where her parents met after World War II. Laura spent the earliest years of her childhood there before the family moved to New Jersey and settled into an American dream that eventually became a nightmare. Viola, who claimed to be an orphan, staunchly refused to speak of her life before marriage. In Italy, Laura finds herself on a strange scavenger hunt to solve the puzzle of her mother’s lost years. She is certain that the paintings of the red house hold the answer to her mother’s past and her search takes her from her hometown of Brindisi, deep into Puglia where she encounters a man who knew her mother and who illuminates little-known secrets of Italy’s Second World War. Blending elements of true crime with settings that evoke Elena Ferrante, Laura follows her mother’s trajectory as she ventures north to Naples, Turin and finally home. Along the way, she confronts the dark truth of her mother’s story and at last makes sense of her own.
