Arranged Marriage Chitra Banerjee Divakaruni,2009-09-15 Although Chitra Divakaruni's poetry has won praise and awards for many years, it is her luminous, exquisitely crafted prose (Ms.) that is quickly making her one of the brightest rising stars in the changing face of American literature. Arranged Marriage, her first collection of stories, spent five weeks on the San Francisco Chronicle bestseller list and garnered critical acclaim that would have been extraordinary for even a more established author. For the young girls and women brought to life in these stories, the possibility of change, of starting anew, is both as terrifying and filled with promise as the ocean that separates them from their homes in India. From the story of a young bride whose fairy-tale vision of California is shattered when her husband is murdered and she must face the future on her own, to a proud middle-aged divorced woman determined to succeed in San Francisco, Divakaruni's award-winning poetry fuses here with prose for the first time to create eleven devastating portraits of women on the verge of an unforgettable transformation.

Black British Literature Mark Stein, 2004 In this fascinating book, Mark Stein examines black British literature, centering on a body of work created by British-based writers with African, South Asian, or Caribbean cultural backgrounds. Linking black British literature to the bildungsroman genre, this study examines the transformative potential inscribed in and induced by a heterogeneous body of texts. Capitalizing on their plural cultural attachments, these texts portray and purvey the transformation of post-imperial Britain. Stein locates his wide-ranging analysis in both a historical and a literary context. He argues that a cross-cultural and interdisciplinary approach is essential to understanding post-colonial culture and society. The book relates black British literature to ongoing debates about cultural diversity, and thereby offers a way of reading a highly popular but as yet relatively uncharted field of cultural production. With the collapse of its empire, with large-scale immigration from former colonies, and with ever-increasing cultural diversity, Britain underwent a fundamental makeover in the second half of the twentieth century. This volume cogently argues that black British literature is not only a commentator on and a reflector of this makeover, but that it is simultaneously an agent that is integral to the processes of cultural and social change. Conceptualizing the novel of transformation, this comprehensive study of British black literature provides a compelling analytic framework for charting these processes.

An Arranged Marriage (The Company of Rogues Series, Book 1) Jo Beverley, 2013-07-11 Jo Beverley strains the boundaries of political correctness . . . There is no denying Ms. Beverley is a master storyteller and perhaps because of this political incorrectness she delivers a powerfully fresh stage for her story. ~Tara A. Green Ruined through her vile brother's schemes, Eleanor Chivenham is offered rescue by marriage to a rake with an infamous French mistress. Eleanor accepts, determined to treat the arranged marriage with cool dignity. Then she meets Nicholas Delaney. Not only does he stir her

senses, but the trouble and pain beneath his smooth exterior reaches her heart. Nicholas is indeed troubled. While serving his country by seducing secrets out of a French spy, he is persuaded to marry Eleanor to protect his family's honor. But such chivalry runs counter to his carefully wrought rogue image, and extends the life-threatening plots shadowing him to Eleanor. To assist, Nicholas re-assembles the Company of Rogues, a schoolboy group he started years before. But not even they can dampen Eleanor's fighting wit that is quickly unmasking their enemy and testing Nicholas' formidable will. From The Publisher: Author Jo Beverley is known for her consummate attention to historical detail that wisks the reader back in time to a near first-hand experience. Fans of Regency romance and historical British fiction set in the 19th century, as well as readers of Jess Michaels, Mary Balogh, Christi Caldwell, Stephanie Laurens, Madeline Hunter and Mary Jo Putney will want to read every book by Jo Beverley. Best Regency Novel, Romantic Times Bookrak Bestseller RITA, finalist A splendid love story... a veritable feast of delight. Bravo! ~Romantic Times

Arranged Marriage Péter Berta,2023-03-17 Arranged Marriage: The Politics of Tradition, Resistance, and Change shows how arranged marriage practices have been undergoing transformation as a result of global and other processes such as the revolution of digital technology, democratization of transnational mobility, or shifting significance of patriarchal power structures. The ethnographically informed chapters not only highlight how the gendered and intergenerational politics of agency, autonomy, choice, consent, and intimacy work in the contexts of partner choice and management of marriage, but also point out that arranged marriages are increasingly varied and they can be reshaped, reinvented, and reinterpreted flexibly in response to individual, family, religious, class, ethnic, and other desires, needs, and constraints. The authors convincingly demonstrate that a nuanced investigation of the reasons, complex dynamics, and consequences of arranged marriages offers a refreshing analytical lens that can significantly contribute to a deeper understanding of other phenomena such as globalization, modernization, and international migration as well as patriarchal value regimes, intergenerational power imbalances, and gendered subordination and vulnerability of women.

The Full Moon Bride Shobhan Bantwal,2014 I've had it with your attitude, Siya. Go ahead, get on your high horse and stay there. I refuse to beg anymore. Goodbye. What makes a marriage? Love or compatibility? Passion or pragmatism? Shobhan Bantwal's compelling new novel explores the fascinating subject of arranged marriage, as a young Indian-American woman navigates the gulf between desire and tradition. To Siya Giri, arranged marriages have always seemed absurd. But while her career as an environmental lawyer has flourished, she remains a virgin, living with her parents in suburban New

Jersey. However, she now wants to get married and for that she is finally ready to do the unthinkable! Siya's first few bridal-viewings are as awkward as she anticipated. But then she's introduced to Roger Vadepalli and things seem to change. or do they? In choosing between two very different men, Siya must reconcile her burgeoning independence and her conservative background. And she must decide what matters most to her not just in a husband, but also in a family, a culture and a life.

An Arranged Marriage C M Bryden,2019-07-31 An arranged marriage is not for everyone. It's a risk many would not consider. Will this be one that fails, or will it be successful? Only time will tell...

Encyclopedia of Romance Fiction Kristin Ramsdell,2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre, this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year, and contrary to popular belief, not all of its readers are women: roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure, and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors along with works, themes, and other topics. The articles are written by scholars, librarians, and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries, and bibliographies at the end of each entry, a general bibliography, and a suggested romance reading list allow for further study of the genre.

The Swahili Novels of Tanzanian Women Izabela Romańczuk,2024-09-11 This book provides a rich and full analysis of female Swahili novelists from a feminist perspective, highlighting their important contributions to the living Swahili literary and intellectual tradition. Compared to the diverse and centuries-old oral literature, or religious-philosophical poetry tradition developing since at least the 17th century, the novel is a relatively young phenomenon in the rich body of Swahili literary output, emerging only in the last hundred years. Since then, academia has focused primarily on male novelists, largely disregarding important female writers such as Ndyanao Balisidya, Zainab Burhani, Martha Mvungi Mlangala, Zainab Mwanga, Lucy Nyasulu, and Zainab Alwi Baharoon. This book traces the evolution of women's writing in Tanzania, highlighting emancipatory and feminist discourses, as well as intersectional themes of class, education, and urbanisation. The author demonstrates how concepts such as utu 'the essence of humanity', aibu 'shame', 'disgrace' and heshima 'honor', 'social respectability' are used in the novels to articulate the value systems and social norms in Swahili communities,

including the gendered perceptions of women that they create. Grounded throughout in the historical and socio-political contexts of the authors it discusses, this book will be an important read for researchers of African literature and women's studies.

Arranged Catherine McKenzie, 2012-05-15 A writer reconsiders her approach to love when she mistakenly calls an arranged marriage service in this offbeat romance by the author of *Spin*. "Arranged is a rare book: smart, funny, honest, and absorbing." —Therese Walsh, author of *The Last Will of Moira Leahy* Anne Blythe has a great life: a good job, close friends, and a potential book deal for her first novel. When it comes to finding someone to share her life with, however, she just can't seem to get it right. After her latest relationship implodes, and her best friend announces she's engaged, Anne impulsively calls what she thinks is a dating service—only to discover that it's actually an exclusive, and pricey, arranged marriage service. Anne initially rejects the idea, but the more she learns about the service, the more she thinks: Why not? After all, arranged marriages are the norm for millions of women around the world; maybe it could work for her. A few months later, Anne is traveling to a Mexican resort, where, over the course of a weekend, she meets and then marries Jack. And initially, everything seems to be working out . . . "A satisfying and entertaining romantic tale that puts a contemporary twist on old-fashioned ideas about marriage. I inhaled it in an afternoon, rooting for its heroine to find the love she longs for." —Leah Stewart, author of *Husband and Wife* "This is chick lit for real women, featuring a smart, competent heroine with a hopeless romantic streak . . . The humor ranges from biting sarcasm to slapstick, and the narrative voice is compulsively readable . . . Fans of Jennifer Weiner and Jennifer Crusie have found a new author to watch." —Booklist (starred review)

Heroic Disobedience: The Forced Marriage Plot and the British Novel, 1747-1880 Leah Grisham, 2023-10-10 'Heroic Disobedience: The Forced Marriage Plot and the British Novel, 1747-1880' shows the ways in which eighteenth- and nineteenth-century novels used what the author terms the forced marriage plot - a plot arc in which a greedy father tries to force his daughter into a marriage she does not want but that would be financially expedient to himself - to explore capitalism's detrimental impacts on women's right to autonomy. As capitalist economic practices replaced mercantilism, a woman's value was seen primarily in the economic sense. That is, men came to recognize that women - especially young, marriageable women - could be used as objects of exchange between men. Recognizing this phenomenon, the novelists considered in 'Heroic Disobedience' - Samuel Richardson, Charlotte Lennox, Mary Robinson, Charlotte Smith, Jane Austen, Charles Dickens, Elizabeth Stone, and Anthony Trollope - depict the very specific ways in which women were raised to become willing pawns in this system. Religious discourse, conduct guides, marriage and property laws, wages, lack of meaningful education, and inheritance practices combined to leave women with no other options besides dependence on their patriarchs. Importantly, authors who use the forced marriage plot go beyond exposing women's subjugation by creating

- and celebrating - heroically disobedient heroines who believe, above all else, that they have the right to determine their own futures: futures in which they are autonomous agents, not subjected objects.
