But it's not enough to want to write. You must need to write. Now, after more than seventy years of scribbling - he wrote for the school newspaper at Lord Byng High School in Vancouver, British Columbia - Eric holds forth on dangling participles, punctuation, and literary jargon. What's more, he answers the burning question: How much should creative writers depend on editors to correct their grammar? Then Eric provides a wide selection of essays to demonstrate how it's done. These include a dramatic demonstration of the chutzpah of a big Tom wild turkey and its harem on a B.C. Gulf Island, the discovery that Eric's one-way-view window in the bathroom has been installed incorrectly, the trials and tribulations of computers and the creative process, and a riposte to the query, Are nipples really necessary on guys? Pure Nicol. Minted in Canada. Priceless!

**The Gingerbread House** Kate Beaufoy,2017-03-02 'Moving, honest, and darkly comic.' - Marian Keyes 'Gripping, heartbreaking, funny, surprising.' - Roddy Doyle 'Beautiful, heartbreaking, original, honest, unique.' - Cecelia Ahern Life in the Gingerbread House is no fairy tale... When Tess agrees to move into her aged mother-in-law's idyllic country cottage, she sees it as the perfect opportunity to escape the distractions of the city and start work on a novel. However, life in the Gingerbread House is no fairy tale. Tess is utterly unprepared for the reality of caring for Eleanor, who suffers from dementia. Feeling increasingly isolated, she struggles to cope as Eleanor fluctuates between violent mood swings, child-like dependency and moments of heart-wrenching lucidity. Meanwhile, Tess's teenage daughter Katia is helpless to intercede; in the end she can only watch as things fall apart and a tragedy even closer to home surfaces. Heart-breaking and hopeful in equal measure, The Gingerbread House addresses a struggle that many families face with compassion, honesty and a gentle humour that becomes so necessary when coping with the impact of dementia. What readers are saying about The Gingerbread House: 'A small novel, with a huge heart ... Beaufoy has created a stunning and sensual read, which may just break even the hardest of hearts. Highly recommended.' - Margaret Madden, Sunday Independent 'You won't see the final, heart-rending twist in this taboo-tackling novel until it hits you. And it hits hard.' - The Sunday Post 'Darkly funny.' - Woman's Own 'A triumph. Darkly moving, beautifully written. A counterpoint to the disturbing them is the deft and beautifully readable prose. Couldn't put it down.' - Pippa James, author of The Secret Life of Lucy Lovecake 'Charming, funny, tender and sad, and devastatingly readable. I will never forget it.' - Hilary Mortz 'Frank and incredibly moving.' - Book-Drunk Blog 'A most original, thought-provoking and all too real story.' - Amazon Reviewer

*Human Rights and Human Wrongs* Colin Tatz,2015-04-01 Racism crushes bodies and souls. In Human Rights and Human Wrongs Colin Tatz – a world authority on racial conflict and abuse, a key figure in Aboriginal Studies in Australia and an author of major works on genocide, Aboriginal youth suicide, and Aboriginal and Islander sporting achievements – tells his personal story. Born and educated in South Africa, Tatz worked to expose and oppose that nation's centuries-old apartheid regimes before leaving for what he thought would be a more enlightened nation, only to find in Australia striking parallels of that other dismal universe. As a researcher, writer and activist he has dedicated his life to confronting what people do to other people on the basis of their race or ethnicity. Here he also relates how alienation, his Jewishness and an intriguing problem with food have been, for him, propelling forces. Tatz's story, ranging from Southern Africa to Australia, New Zealand, Canada and Israel, is an important one for anyone genuinely interested in the struggle to achieve social justice for

minorities and marginalised peoples.

*A Belfast Child* John Chambers, 2020-09-03 John Chambers was brought up on Belfast's notorious Loyalist Glencairn estate, during the height of the Troubles. From an early age he witnessed violence, hatred and horror as Northern Ireland tore itself apart in civil strife. Kneecapping, brutal murders, and even public tarring-and-feathering were simply a fact of life for the children on the estate. He thought he knew which side he was on, but although raised as a Loyalist, he was hiding a troubling secret: that his disappeared mother - whom he'd always been told was dead - was a Roman Catholic, 'the enemy'. In a memoir of rare power, John explores the dark heart of Northern Irish sectarianism in the seventies and eighties. With searing honesty and native Belfast wit, he describes the light and darkness of his unique childhood, and his teenage journey through mod culture and ultra-Loyalism, before an escape from Belfast to London - where, still haunted by the shadow of his fractured family history - he began a turbulent and hedonistic adulthood. *A Belfast Child* is a tale of divided loyalties, dark secrets and the scars left by hatred and violence on a proud city - but also a story of hope, healing and ultimate redemption for a family caught in the rising tide of the Troubles.

*A Haunting On Mephisto Drive* Steve Conoboy, Cherry's heart crammed into her throat. She was alone with Mr. Pliers. He resembled a grotesque ill-fitting door carved into the shape of a black-suited golem. The top of his head brushed the ceiling. Suddenly the bedroom didn't seem anywhere near big enough. 'It's the view, isn't it?' He chuckled then, a sound which made the ends of Cherry's bones grind together. Phlegm and rust and sparks: these are the things she thought of when she heard that laugh. 'I would gaze out of the window for hours, imagined I could pick up the little people as they went about their days and place them anywhere else if I wanted to. Drop them from a great height if it pleased me.' He mimed the action with nimble pinching fingers, plucking a distant imaginary figure from a sidewalk and flinging them off towards the horizon. In Cherry's mind there was a tiny scream. 'I think you're going to have quite a time in this house, Cherry. Don't you?' Macadamian Pliers is an unpleasant man with a hideous plan. He's just sold a house to Emmet's Peak's newest family, and they're about to find out it's haunted. He made it that way. In the first volume of a trilogy, Cherry and Frank Raine find themselves in a battle of wits and nerves against both the ghosts in their new home and the man who put them there. Cherry, physically and emotionally scarred by a car crash, must draw from within herself the strength to confront her fears and save her family. Frank must choose between taking responsibility for once or being led astray by firebug Jack, a local boy with a dark sense of fun. As the haunting escalates, Cherry discovers that other homes have been affected by the strange-shaped and evil-hearted Pliers, but what chance do a couple of kids have against such a man?

Just when I thought it was safe to go back in the water, here I am again, drowning for all to see. Not waving, as the troubled swimmer once famously said. I busied myself with any household task I could find . . . Recently

widowed but putting a brave face on it all (thanks to a not insignificant windfall) Helen's only problem, it seems, is the imminent arrival of her fortieth birthday. A beautiful new flat, gorgeous hospitable neighbours and a delicious sense of freedom that only money can buy. Until, that is, money becomes the one big fat problem in Helen's life and she becomes part of the unwilling army of the employed. But it is no ordinary job that Helen is qualified for, in fact she is qualified for precious little, which leads to her first ever encounter with 'the boss from hell' . . .

**Cuckoo Club** Cairns Clery, 2011-06-14 Description Cuckoo Club is a compelling, epic novel spanning twenty years in the lives of five people with mental and physical health issues. In a readable and accessible manner it addresses grief and suicidality, not to mention anorexia, self-harm, gender-dysphoria, schizophrenia and alcoholism! Despite this apparently grim subject matter Cuckoo Club is life-affirming, joyful and funny. It presents strange and extreme people as normal and everyday and the normal and everyday as often strange and extreme. Above all Cuckoo Club tells an immediately involving story about people you will want to know more about. About the Author Cairns Clery is a registered psychotherapist who has written two previous novels and has published papers and chapters in professional journals and books. Cairns was once admitted as an in-patient to a psychiatric hospital and treated with ECT. Cairns has felt lucky and privileged ever since trying to help other people become a little less troubled. Still uncertain about what exactly makes us who we are, Cairns long ago decided it is really relationships with others, with everyone, but with family and friends in particular, which gives a person her or his truest sense of self.

*To Kill The Pope* Tad Szulc, 2014-11-11 From the author of Pope John Paul II: A Biography comes a chillingly authentic conspiracy thriller based on actual, never-before-revealed facts surrounding the assassination attempt against Pope John Paul II. "One moment, the white-clad figure, holding on to the iron bar at the back seat of the white Jeep with the left hand, was blessing the faithful in a slow, circular motion of the right hand as the vehicle advanced gently through the human mass filling St. Peter's Square in the Vatican under the azure-blue sky of the May afternoon. The next moment, the figure in white was slumped, seemingly lifeless, in a pool of crimson blood sloshing in the rear of the Jeep..." In May 1981, in the middle of

the slow tour among pilgrims on St. Peter's Square, Gregory XVII, the beloved but often controversial French pope, is shot at close range. The would-be assassin is quickly caught and identifies himself as Agca Circlic, a Turk belonging to a terrorist group. But the recovering Gregory XVII—who has both deep faith and a philosophical turn of mind—is not satisfied with Circlic's arrest and sets out to discover who really wants him dead. He arranges to recruit Tim Savage, an American Jesuit and former CIA case officer, who soon discovers that the plot to kill the Pope originated not in the Middle East but very close to home. *To Kill the Pope* is a fictional treatment of the real-life assassination attempt on Pope John Paul II. In the course of researching his acclaimed biography of the Pope, Tad Szulc uncovered the truth about the conspiracy. The fictional format was chosen because, out of deference to his top-level sources, he could not reveal real names or disclose specific details. This information—including actual CIA testimony before United States Senate committees, the Agency's internal reports, French Secret Service involvements, and findings by Italian courts and Interpol—forms the basis for a shocking thriller that sheds new light on a key event in recent history.
