Cave of Bones Anne Hillerman, 2018-04-03 Don't miss the TV series, *Dark Winds*, based on the Leaphorn, Chee, & Manuelito novels, now on AMC and AMC+! A New York Times Bestseller Anne Hillerman brings together modern mystery, Navajo traditions, and the evocative landscape of the desert Southwest in this intriguing entry in the Leaphorn, Chee, and Manuelito series. When Tribal Police Officer Bernadette Manuelito arrives to speak at an outdoor character-building program for at-risk teens, she discovers chaos. Annie, a young participant on a solo experience due back hours before, has just returned and is traumatized. Gently questioning the girl, Bernie learns that Annie stumbled upon a human skeleton on her trek. While everyone is relieved that Annie is back, they're concerned about a beloved instructor who went out into the wilds of the rugged lava wilderness bordering Ramah Navajo Reservation to find the missing girl. The instructor vanished somewhere in the volcanic landscape known as El Malpais. In Navajo lore, the lava caves and tubes are believed to be the solidified blood of a terrible monster killed by superhuman twin warriors. Solving the twin mysteries will expose Bernie to the chilling face of human evil. The instructor's disappearance mirrors a long-ago search that may be connected to a case in which the legendary Joe Leaphorn played a crucial role. But before Bernie can find the truth, an unexpected blizzard, a suspicious accidental drowning, and the arrival of a new FBI agent complicate the investigation. While Bernie searches for answers in her case, her husband, Sergeant Jim Chee juggles trouble closer to home. A vengeful man he sent to prison for domestic violence is back—and involved with Bernie's sister Darleen. Their relationship creates a dilemma that puts Chee in uncomfortable emotional territory that challenges him as family man, a police officer, and as a one-time medicine man in

training. Anne Hillerman takes us deep into the heart of the deserts, mountains, and forests of New Mexico and once again explores the lore and rituals of Navajo culture in this gripping entry in her atmospheric crime series.

Skinwalkers Tony Hillerman, 2019-07-30 New York Times Bestseller From New York Times bestselling author Tony Hillerman comes the seventh novel featuring Leaphorn and Chee—a riveting tale of sorcery, secrets, and murder. “Hillerman is unique, and *Skinwalkers* is one of his best works yet.”—Los Angeles Times Three shotgun blasts rip through the side of Officer Jim Chee’s trailer as the Navajo Tribal Policeman sleeps. He survives, but the inexplicable attack has raised disturbing questions about a lawman once beyond reproach. Lieutenant Joe Leaphorn wonders why Chee was a target and what connection the assault has to a series of gruesome murders that has been plaguing the reservation. But the investigation is leading them both into a nightmare of ritual, witchcraft, and blood . . . and into the dark and mystical domain of evil beings of Navajo legend, the “skinwalkers.”

The Blessing Way Tony Hillerman, 2009-03-17 Don’t miss the TV series, *Dark Winds*, based on the Leaphorn, Chee, & Manuelito novels, now on AMC and AMC+! “Brilliant...as fascinating as it is original.”—St. Louis Post-Dispatch From New York Times bestselling author Tony Hillerman, the first novel in his series featuring Lieutenant Joe Leaphorn & Officer Jim Chee who encounter a bizarre case that borders between the supernatural and murder Homicide is always an abomination, but there is something exceptionally disturbing about the victim discovered in a high, lonely place—a corpse with a mouth full of sand—abandoned at a crime scene seemingly devoid of tracks or useful clues. Though it goes against his better judgment, Navajo Tribal Police Lieutenant Joe Leaphorn cannot help but suspect the hand of a supernatural killer. There is palpable evil in the air, and Leaphorn's pursuit of a Wolf-Witch leads him where even the bravest men fear, on a chilling trail that winds perilously between mysticism and murder.

The Tale Teller Anne Hillerman, 2019-04-09 Don’t miss the TV series, *Dark Winds*, based on the Leaphorn, Chee, & Manuelito novels, now on AMC and AMC+! NEW YORK TIMES BESTSELLER Legendary Navajo policeman Lieutenant Joe Leaphorn takes center stage in this riveting atmospheric mystery from New York Times bestselling author Anne Hillerman that combines crime, superstition, and tradition and brings the desert Southwest vividly alive. Joe Leaphorn may have retired from the Tribal Police, but he finds himself knee-deep in a perplexing case involving a priceless artifact—a reminder of a dark

time in Navajo history. Joe's been hired to find a missing *biil*, a traditional dress that had been donated to the Navajo Nation. His investigation takes a sinister turn when the leading suspect dies under mysterious circumstances and Leaphorn himself receives anonymous warnings to beware—witchcraft is afoot. While the veteran detective is busy working to untangle his strange case, his former colleague Jim Chee and Officer Bernie Manuelito are collecting evidence they hope will lead to a cunning criminal behind a rash of burglaries. Their case takes a complicated turn when Bernie finds a body near a popular running trail. The situation grows more complicated when the death is ruled a homicide, and the Tribal cops are thrust into a turf battle because the murder involves the FBI. As Leaphorn, Chee, and Bernie draw closer to solving these crimes, their parallel investigations begin to merge . . . and offer an unexpected opportunity that opens a new chapter in Bernie's life.

Stargazer Anne Hillerman, 2021-04-13 Don't miss the TV series, *Dark Winds*, based on the Leaphorn, Chee, & Manuelito novels, now on AMC and AMC+! Murder, deception, Navajo tradition, and the stars collide in this enthralling entry in New York Times bestselling author Anne Hillerman's Leaphorn, Chee & Manuelito series, set amid the beautiful landscape of the American Southwest. What begins as a typical day for Officer Bernadette Manuelito—serving a bench warrant, dealing with a herd of cattle obstructing traffic, and stumbling across a crime scene—takes an unexpected twist when she's called to help find an old friend. Years ago, Bernie and Maya were roommates, but time and Maya's struggles with addiction drove them apart. Now Maya's brother asks Bernie to find out what happened to his sister. Tracing Maya's whereabouts, Bernie learns that her old friend had confessed to the murder of her estranged husband, a prominent astronomer. But the details don't align. Suspicious, Bernie takes a closer look at the case only to find that nothing is as it seems. Uncovering new information about the astronomer's work leads Bernie to a remote spot on the Navajo Nation and a calculating killer. The investigation causes an unexpected rift with her husband and new acting boss, Jim Chee, who's sure Bernie's headed for trouble. While she's caught between present and past, Chee is at a crossroads of his own. Burdened with new responsibilities he didn't ask for and doesn't want, he must decide what the future holds for him and act accordingly. Can their mentor Joe Leaphorn—a man also looking at the past for answers to the future—provide the guidance both Bernie and Chee need? And will the Navajo heroes that stud the starry sky help them find justice—and the truth they seek?

Tony Hillerman James McGrath Morris, 2021-10-14 2022 Mystery Writers of America Edgar Award Finalist The author of eighteen spellbinding detective novels set on the Navajo Nation, Tony Hillerman simultaneously transformed a traditional genre and unlocked the mysteries of the Navajo culture to an audience of millions. His best-selling novels added Navajo Tribal Police detectives Joe Leaphorn and Jim Chee to the pantheon of American fictional detectives. Morris offers a balanced portrait of Hillerman's personal and professional life and provides a timely appreciation of his work. In intimate detail, Morris captures the author's early years in Depression-era Oklahoma; his near-death experience in World War II; his sixty-year marriage to Marie; his family life, including six children, five of them adopted; his work in the trenches of journalism; his

affliction with PTSD and its connection to his enchantment with Navajo spirituality; and his ascension as one of America's best-known writers of mysteries. Further, Morris uncovers the almost accidental invention of Hillerman's iconic detective Joe Leaphorn and the circumstances that led to the addition of Jim Chee as his partner. Hillerman's novels were not without controversy. Morris examines the charges of cultural appropriation leveled at the author toward the end of his life. Yet, for many readers, including many Native Americans, Hillerman deserves critical acclaim for his knowledgeable and sensitive portrayal of Diné (Navajo) history, culture, and identity. At the time of Hillerman's death, more than 20 million copies of his books were in print, and his novels inspired Robert Redford to adapt several of them to film. In weaving together all the elements of Hillerman's life, Morris drew on the untapped collection of the author's papers, extensive archival research, interviews with friends, colleagues, and family, as well as travel in the Navajo Nation. Filled with never-before-told anecdotes and fresh insights, Tony Hillerman will thrill the author's fans and awaken new interest in his life and literary legacy.

The Blessing Way Tony Hillerman, 2019-10-08 From New York Times bestselling author Tony Hillerman comes another thrilling mystery featuring Leaphorn & Chee who encounter a bizarre case that borders between the supernatural and murder—now available in a limited Olive Edition. “Brilliant...as fascinating as it is original.”—St. Louis Post-Dispatch Homicide is always an abomination, but there is something exceptionally disturbing about the victim discovered in a high, lonely place—a corpse with a mouth full of sand—abandoned at a crime scene seemingly devoid of tracks or useful clues. Though it goes against his better judgment, Navajo Tribal Police Lieutenant Joe Leaphorn cannot help but suspect the hand of a supernatural killer. There is palpable evil in the air, and Leaphorn's pursuit of a Wolf-Witch leads him where even the bravest men fear, on a chilling trail that winds perilously between mysticism and murder.

People of Darkness Tony Hillerman, 1991-02-04 Who would murder a dying man? Why would someone steal a box of rocks? And why would a rich man's wife pay \$3,000 to get them back? These questions haunt Sgt. Jim Chee of the Navajo Tribal Police as he journeys into the scorching Southwest. But there, out in the Bad Country, a lone assassin waits for Chee to come seeking answers, waits ready and willing to protect a vision of death that for thirty years has been fed by greed and washed in blood.
