

Amma N. Srinivasa Raghavan, 2020-07-24 Amma is a tribute to my mother, who passed away earlier this year. The book traces her influence through successive years of my life, shaping my values, my convictions, and my world view. Once I got my father's blessing to start my maiden literary venture, I set about writing the book. This book is a heartfelt and tearful tribute to my mother; the loveliest woman I ever knew. It is also a deep, reverential tribute to all mothers and to motherhood in general. May you continue to be God's best representative on earth and inspire your children to aspire for something

higher and something ennobling. I hope every son and every daughter picking up this book will find it resonating with their love and affection for their own mothers. Pranaams.

Brahmins In Tamil And Sanskrit Literature London Swaminathan,2024-01-21 This book contains my essays on Brahmins written over a period of ten years. I have given proof for my views from Tamil and Sanskrit literature and other sources. The reason Brahmins were held in high esteem in olden days was their spotless character and honesty. But in course of time, it decreased or disappeared completely in some areas. And they lost the original credibility.

Embracing the Best of East and West Geeta Rao, Interested in meditations that immediately bring peace of mind and relief from stress and anxiety? Would you like lasting forgiveness for yourself or others? Discover within this book methods of spiritual alchemy to heal yourself of past anger, pain and unforgiveness and ways to transform all that negative energy into love. Just like in Quantum Physics where there are many possible states of existence, so also can you internally shift from a state of fear to one of love. You will discover how inside this book! The author, a highly sensitive person and empath, had experiences from growing up that left 'holes in her being', so to speak. Right from her 20s, due to intense inner emotional and mental turmoil, she was filled with a burning desire to find lasting inner peace and forgiveness. This book contains methods that work from 11 years of her search for, and practice of, inner healing techniques. These have left her carefree and glowing from the inside-out! These methods are especially powerful if you find words to be healing and transforming. Just as one can utilize the Akashic Records for healing, one can use the techniques contained within for healing as well. The author has had the experience of all of these healing modalities and speaks from experience. This is a guidebook to spiritual healing methods based on the principle of oneness, that there is only one of us. You will discover: How to apply an ancient Hawai'ian forgiveness method called Ho'oponopono to forgive yourself or others. New Age meditations for lasting inner peace. These are non-denominational in nature, so they fit into the context of any religion you might be practicing (or not). Affirmations and methods such as Cutting the Ties that Bind to heal yourself of difficult and painful relationships. Along with New Age practices, the book also seamlessly discusses Hinduism and its practices as well as Hindu deities. It clearly explains the essence of the various philosophies behind Hinduism. It focuses on Advaita, the non-dualistic philosophy of the East which finds parallels with A Course in Miracles in the West and discusses the meaning and purpose of life according to Advaita or non-duality. Bonus: There is also a charming description of life in a real ancient orthodox Hindu village, in which

the author's mother grew up. It still exists today, and such villages are exceedingly rare to find even in India these days. You will be transported to another time and era! Buy this book to experience more peace, love and happiness today!

Vishnu Sahasranama V. Ravi, 2012-11-30 Vishnu means all pervading. Vishnu is the administrator of the universe. He puts in place, the laws of the universe and administers the universe strictly according to the law. He is a strict disciplinarian, yet highly compassionate in nature. He presides over all the seven planes of the universe. The abode of Vishnu is supposed to be the Supreme one. He has prescribed various paths through which one has to travel to reach His abode, the point of no return for a soul, known as liberation. He has been referred to in Vedas. Without Vishnu, no fire ritual is complete. He is quite often referred to as Purusha, the Supreme Soul. His famous sleeping posture on Ananta, the snake, who floats on the ocean of milk, is very well known. This posture is not merely a gross description, but has got subtle meaning. Ananta means infinite and the milk of ocean refers to the eternal bliss. He lies in the ocean of eternal bliss. Those who seek Him also enter the state of bliss at some point of time. He incarnates in different forms to destroy evil doers. His avatars occur whenever there is imbalance between morality and immorality. When immorality begins to dominate over morality He incarnates. His notable incarnations are Lord Rama and Lord Krishna. The scene of unfolding this great Sahasranama happened in the great epic Mahabharata authored by sage, Veda Vyasa. Bhishma was lying on a bed made of arrows awaiting his death. At that time, he was meditating on Krishna. Knowing this, Krishna asked Yudhishtira (eldest among Pandava brothers and known for his righteousness) to seek spiritual initiation from Bhishma and also told Bhishma to initiate Yudhishtira. Yudhishtira asks Bhishma kimekam daivatam loke meaning who is the Supreme Lord of the world. Bhishma replies by saying, that the purest, the most auspicious, the chief among the gods and the father of all the beings is the One who is Supreme, referring to Lord

Vishnu. This conversation appears in the prrvabhag of this Sahasranama. The spiritual initiation of Yudhishtira by Bhisma is Vishnu Sahasranama. Krishna was also present when this happened and this Sahasranama was blessed by the Lord Himself. Vishnu is also known as Narayana. Garuda Purana (III.24.54, 55) explains the etymological meaning of Narayana. As He is the resort of merits and demerits and as He abides in the waters of ocean, He is called Narayana. Water is also called nara (probably meaning cosmic water); as His Abode is water, He is called Narayana. Vishnu is the most auspicious form of the Brahman. He is not only invoked during auspicious occasions, but also while performing funeral rites. At the time of conclusion of all rituals, the effect of the rituals are surrendered to Vishnu. Vishnu Sahasranama consists of three parts - purvabhag or the first part; stotrabhag or the main part from which one thousand names or nama-s are composed; and uttarabhag or the concluding part. The main part consists of 108 couplets from which all the 1000 nama-s are derived. Apart from these three parts, this Sahasranama has seven dhyana verses by which one can meditate upon His auspicious form. All the one thousand nama-s have been interpreted based on ancient Scriptures like Upanishad-s. Wherever possible, quantitation from Upanishad-s and other Scriptures have been used. Many of the nama-s are interpreted from the point of view of attaining Him to get liberation. Wherever needed, Sanskrit verses have been used along with IAST, for the sake of proper pronunciation.
