Opinions on Remo Coated P3 tom heads | [DFO] Drum Forum Jul 24, 2023 · So for Remo I see they have a coated P3 head (Single ply 10mil coated head with 3mm damping ring). It's a bit thinner than the Evans G12, but it has the damping ring that could provide some high end tonal restraint (Remo's are always a bit pitchy IMO) but not choke the small drums like the coated Evans G2's do. On paper it looks like the type of ... **Remo vs. Evans heads | [DFO] Drum Forum** Oct 1, 2016 · I agree Remo coatings for batter heads don't seem to have much of a life-span. I seldom use coated heads, prefer textured heads for snares so have limited experience. To my ears, Evans heads seem to fit a more modern sound that emphasizes attack at the expense of resonance. i would rather have the resonance, ergo i use mostly Remo heads. 1 2 3 ... *Amba. vs. diplomat tom reso head | [DFO] Drum Forum* Nov 28, 2006 · Hello to all from germany, i do not post a lot the last time, but i enjoy the forum very much. Now, i have one question about tom reso heads. I have a gretsch 18/12/14 bebop kit with high tuning. Remo coated ambassador on the batter AND on the bottom. Now, I think the coated amba. on the reso... Remo Ambassador X vs Vintage Ambassador - [DFO] Drum Forum Apr 13, 2018 · I am a long time Aquarian user and I have been dabbling back in the Remo pool lately. Does anyone have any experience with the Ambassador X and Vintage Ambassador head models ? Can you explain the differences please ? Remo Gold Crown Drums | Page 2 | [DFO] Drum Forum Sep 18, 2010 · The problems with Remo drums in the past were real, and in the drum history timeline are recent, so that everytime the subject comes up the quality problems from 15 to 25 years ago are brought up like they happened last week. The "glorified cardboard" line has gotten old - how come nobody refers to wood shelled ply drums as being made of "glorified plywood"? The other synthetic shell materials ... **Moving away from Aquarian and back to REMO | [DFO] Drum ...** Feb 24, 2025 · Remo for probably 20 years now with my favorite combo being clear Ambassadors over Diplomats, except for snares which is always a coated ambassador. Completely agree with your description - if I walk into a venue and hear muffled wet cardboard, the heads are either cooked or are Evans. Click to expand... **Powerstroke 3 vs Controlled Sound on snare? | [DFO] Drum Forum** Jun 2, 2014 · Are we talking about a clear CS-dot head for a snare or the coated CS "reverse" dot with the center ply reinforcing the head underneath? Though I haven't put Remo heads on my batter sides for years, I do like the latter head for its sound. I recall getting pretty good response and crack with respectable durability. **Coated Ambassador VS. Ambassador X | [DFO] Drum Forum** Jun 7, 2024 · I am very late to the drum head game and just found

out about the Remo X line. For those of you who have used them, how do the coated ambassadors X compare to standard coated ambassadors? Thanks! **The *ultimate* drumhead comparison/equivalency chart for ...** May 30, 2017 · The *ultimate* drumhead comparison/equivalency chart for Aquarian, Evans, Remo... And it's searchabl DHA May 30, 2017 aquarian chart comparison drumhead drumheads evans remo [Snare side head | \[DFO\] Drum Forum](#) Mar 15, 2024 · I like the Remo Hazy Ambassador Snare Side Drumhead, No Collar head. The Clear Ambassador heads are medium-weight heads made with a single-ply 3-mil Mylar film to produce an open, bright, and resonant sound with plenty of attack. Hazy Ambassador heads accentuate snare drum response and give a classic look to snare drums. Click to expand...

Thank you for downloading **Remo Bodei Geometria De Las Pasiones**.
