PICADOR SHOTS - 'The Unrequited' Niall Williams, 2013-07-11 In June, 2006, Picador launch Picador Shots, a new series of pocket-sized books priced at £1. The Shots aim to promote the short story as well as the work of some Picador's greatest authors. They will be contemporarily packaged but ultimately disposable books that are the ideal literary alternative to a magazine. The Unrequited by Niall Williams is to be one of the first. 'The Unrequited' opens with the arrival in Oslo of Raphael Newell, a Dublin accountant. Someone who has always previously lived on the margins of life, Ray has come to Norway find the married woman he has fallen in love with. Rejuvenated and invigorated by the experience of being in love, Ray sees the world differently; everything and everyone around him is transformed, and he feels for the first time that he has really come alive. Recounting the couple's first meeting alongside Ray's Norwegian quest, The Unrequited is both love story and fable, both a story for our times and -- in the themes of love, life and loss it explores -- one that is timeless; a story for all ages, in all senses of the word.

John Niall Williams, 2008-12-06 At a time when Americans remain skeptical about religion but still thirst for spiritual fulfillment, Niall Williams's extraordinary and masterful new novel reveals a universally appealing message of hope and love. In the years following the death of Jesus Christ, John the Apostle, now a frail, blind old man, lives in forced exile on the desolate island of Patmos with a small group of his disciples. Together, the group has endured their banishment, but after years awaiting Christ's return, fissures form within their faith, and, inevitably, one of John's followers disavows Christ's divinity and breaks away from the community, threatening to change the course of Christianity. When the Roman emperor lifts the banishment of Christians, John and his followers are permitted to return to Ephesus, a chaotic world of competing religious sects where Christianity is in danger of vanishing. It is against this turbulent background-and inspired by Jesus's radical message of love and forgiveness-that John comes to dictate his Gospel. Immensely impressive-and based on actual historical events-John is at once an ambitious and provocative reimagining of the last surviving apostle and a powerful look at

faith and how it lives and dies in the hearts of men.

History of the Rain Niall Williams, 2014-05-06 Longlisted for the Man Booker Prize. Beautiful and enchanting, a novel that weaves a love of literature into its own moving tale. --The Guardian

The Fall of Light Niall Williams, 2025-05-01 Beginning in Ireland in the early years of the 19th century, the four Foley brothers flee across the country with their father and the large telescope he has stolen. Soon forced apart by the violence of the Irish wilderness, the potato famine, and the promise of America, the brothers find themselves scattered across the world. Their separate adventures unfold in passionate and vivid scenes with gypsies, horse races, sea voyages, and beautiful women. An epic narrative on the meaning of love and home and family, *The Fall of Light* is a dazzling novel by one of the most promising novelists writing today.

Four Letters of Love Niall Williams, 2015-11-03 Niall Williams's internationally bestselling "delicate and graceful love story . . . a magical work of fiction" (NYTBR), now a major motion picture starring Pierce Brosnan, Helena Bonham Carter, and Gabriel Byrne. Nicholas Coughlan is twelve years old when his father, an Irish civil servant, announces that God has commanded him to become a painter. He abandons the family and a wife who is driven to despair. Years later, Nicholas's own civil-service career is disrupted by tragic news: his father has burned down the house, with all his paintings and himself in it. Isabel Gore is the daughter of a poet. She's a passionate girl, but her brother is the real prodigy, a musician. And yet this family, too, is struck by tragedy: a seizure leaves the boy mute and unable to play. Years later, Isabel will continue to somehow blame herself, casting off her own chances for happiness. And then, the day after Isabel's wedding to man she doesn't love, Nicholas arrives on her western isle, seeking his father's last surviving painting. Suddenly the winds of fortune begin to shift, sweeping both these souls up with them. Nicholas and Isabel, it seems, were always meant to meet. But it will take a series of chance events-and perhaps, a proper miracle-to convince both to follow their hearts to where they're meant to be.

Time of the Child Niall Williams, 2024-11-19 The writing in this book is lyrical . . . a beautiful book that you will love." - Good Morning America's #1 Favorite Book of the Year I am utterly obsessed with Niall Williams. -Ann Patchett, New York Times bestselling author of *Tom Lake* Made me laugh out loud and remember how to love." -Margaret Renkl, The New York Times From the author of *This Is Happiness*, a compassionate, life-affirming novel about the Christmas season that transforms the small Irish town of Faha. Doctor Jack Troy was born and raised in Faha, but his responsibilities for the sick

and his care for the dying mean he has always been set apart from the town. His eldest daughter, Ronnie, has grown up in her father's shadow, and remains there, having missed one chance at love – and passed up another offer of marriage from an unsuitable man. But in the Advent season of 1962, as the town readies itself for Christmas, Ronnie and Doctor Troy's lives are turned upside down when a baby is left in their care. As the winter passes, father and daughter's lives, the understanding of their family, and their role in their community are changed forever. Set over the course of one December in the same village as Williams' beloved *This Is Happiness*, *Time of the Child* is a tender return to Faha for readers who know its charms, and a heartwarming welcome to new readers entering for the very first time.

Four Letters of Love Niall Williams, 1998-11-01 A tale of destiny, acceptance, & the tragedies & miracles of everyday life.

This Is Happiness Niall Williams, 2019-12-03 Niall Williams's new novel, *Time of the Child*, is available now! NAMED A BEST BOOK OF THE YEAR BY THE WASHINGTON POST and REAL SIMPLE A profound and enchanting new novel from Booker Prize-longlisted author Niall Williams about the loves of our lives and the joys of reminiscing. You don't see rain stop, but you sense it. You sense something has changed in the frequency you've been living and you hear the quietness you thought was silence get quieter still, and you raise your head so your eyes can make sense of what your ears have already told you, which at first is only: something has changed. The rain is stopping. Nobody in the small, forgotten village of Faha remembers when it started; rain on the western seaboard was a condition of living. Now--just as Father Coffey proclaims the coming of electricity--it is stopping. Seventeen-year-old Noel Crowe is standing outside his grandparents' house shortly after the rain has stopped when he encounters Christy for the first time. Though he can't explain it, Noel knows right then: something has changed. This is the story of all that was to follow: Christy's long-lost love and why he had come to Faha, Noel's own experiences falling in and out of love, and the endlessly postponed arrival of electricity--a development that, once complete, would leave behind a world that had not changed for centuries. Niall Williams' latest novel is an intricately observed portrait of a community, its idiosyncrasies and its traditions, its paradoxes and its inanities, its failures and its triumphs. Luminous and otherworldly, and yet anchored with deep-running roots into the earthy and the everyday, *This Is Happiness* is about stories as the very stuff of life: the ways they make the texture and matter of our world, and the ways they write and rewrite us.

When Summer's in the Meadow Niall Williams, Christine Breen, 1989 This book continues Niall and Christine's account of their life on the farm in Ireland and the desolating discovery that they couldn't have children.

As It Is in Heaven Niall Williams, 2000-06-01 A man content to let life pass him by, schoolteacher Stephen Griffin is about to experience a miracle. For a string quartet from Venice has arrived in County Clare and, with it, worldly and beautiful violinist Gabriella Castoldi, who inspires love in the awkward Stephen. Although the town's blind musician senses its coming, the greengrocer welcomes its sheer joy, and Stephen's ailing father fears its power, none could have foreseen how the magical force of passion would change not only Stephen's life but, in the most profound and startling ways, the lives of everyone around them. A tale of dreams, life, and love, *AS IT IS IN HEAVEN* affirms the acclaimed author of *Four Letters of Love* as one of today's master storytellers.

John Niall Williams, 2008 John stands in the storm. He has no fear of any kind. He has outlived all manner of pain and been near enough to death to kiss its face and walk away. He has lived for a purpose and believes he knows what it is. Niall Williams' new novel is a prodigious feat of imagination, written with poetic vision. Set among the followers of John the Divine in their years of exile on Patmos, it finds them divided and bewildered, anxiously awaiting signs that never came, ravaged by doubt and schism, their leader old and seemingly defeated. Intensely written, it is a highly unusual and utterly mesmerising novel about courage, loyalty, persecution and the wild romance of belief.

Four Letters of Love Niall Williams, Gerry O'Brien, 2007 Nicholas Coughlan and Isabel Gore were made for each other, but fate doesn't always take the easiest or most obvious route to true love, and as God, ghosts and a series of chance events conspire to bring the couple together, other forces may yet keep them apart. This is a glorious, uplifting story about faith, about seizing the moment, believing in your instincts and acting on impulse - and about following your heart, no matter where it may lead.
