Sophie Flynn

Chosen Boy Hannah Gray,2023-10 When my parents took me to a hockey camp as a kid, they never dreamed it would take me off the path of becoming a doctor, like everyone else in the family. Unfortunately for them, the moment I stepped into that arena and onto that ice, there was no going back. Fast-forward to my junior year at Brooks University, and I've got one shot to make it to the pros. It's now or never. Because if I don't? Hello, medical school. Good-bye, skates. The season gets even harder when the hockey team is forced to work with the dance team for a fundraiser, and I'm paired with the daughter of my family's sworn enemy. As much as I hate to admit it, Sutton Savage is hard not to notice with her dark hair, big blue eyes, and angelic face to go along with those mouthy lips. Soon, it's damn near impossible for me to hate her. And before I know it, I'm striking up a deal with her for her to be my girlfriend. My fake girlfriend. Since we were kids, I've found Sutton to be an entitled brat, someone I couldn't stand, but suddenly, I'm looking at her differently. And when no one is around, I still want to kiss her ... and I realize things are becoming a lot more complicated than I ever imagined they would. Romeo and Juliet were forbidden to be together, and look how well that turned out for them. The thing is, I'm beginning to see Sutton is worth drinking the poison for. She might not be the one I've always wanted. But now, she's the only one I see.

End in Tears Ruth Rendell,2010-07-30 The award-winning author of *Babes in the Woods* and *The Rottweiler* brings us another gripping Inspector Wexford novel. A lump of concrete dropped deliberately from a little stone bridge over a relatively unfrequented road kills the wrong person. The driver behind is spared. But only for a while... One particular member of the local press is gunning for the Chief Inspector, distinctly unimpressed with what he regards as old-fashioned police methods. But Wexford, with his old friend and partner, Mike Burden, along with two new recruits to the Kingsmarkham team, pursue their inquiries with a diligence and humanity that make Ruth Rendell's detective stories enthralling, exciting and very touching.

Tarry This Night Kristyn Dunnion,2017-10-16 As a new civil war rages, a polygamist cult leader and his followers living in a bunker are running out of food. Terrified that Cousin Paul, sent topside to scavenge, may return with proof of the war's end, young Ruth, afraid of becoming the cult leader's next wife, must choose between obedience to her faith and fighting for survival.

If They Knew Sophie Flynn,2022-11-17 Grips from the first page. An emotive thriller which I couldn't put down.' Carys Jones, author of *We Are All Liars* What would you hide to get everything you ever wanted? After years of infertility and heartbreak, Hannah and Charlie are finally going to get their dream family. Two-year-old Isabelle is a week away from being theirs; they just have to get through the final adoption approval process. But when a global popstar is found murdered at the celebrity members' club in their sleepy Oxfordshire village, Hannah fears her past is finally catching up with her. Exposing the truth could see her lose everything... her husband, Isabelle - perhaps even her life. But Hannah doesn't realise that Charlie has his own secrets, and, in trying to save her, has put them more at risk than she ever thought possible. As the couple get drawn in further to the murky world of celebrity and murder, they soon find themselves caught in a nightmare, forced to make terrible choices.
