The Silencing of the Lambs Michael L. Brown, 2022-03-01 How long will the church's voice be drowned out by the roar of the enemy? After reading this book, you will understand the critical issues threatening the spread of the gospel in America,

and how you can play a part and no longer be a silent lamb drowned out by the voices of secularism, liberalism, and pagan thinking in America. If you are a conservative living in America today, there is a target on your back. If you are a Christian conservative, that target is even bigger. If you are a Christian conservative who refuses to bow down to the spirit of the age, the spirit of political correctness, that target is so big that you are a marked man or woman. A person like that—like you!—must be silenced. So says today's cultural elite, who are making it increasingly difficult for Christians to stand up and live out their faith. In *The Silencing of the Lambs*, Dr. Michael L. Brown lays out what is happening in the world around us—from the assault on children in schools and on college campuses to the unprecedented censorship of Christians and conservatives through Big Tech. He then maps out strategies for how we can turn the pitfalls into platforms and find courage in the midst of opposition. The Word of God cannot be bound. The church cannot be cancelled. This book sounds the alarm, alerting Christians to the increasing censorship, opposition, and even persecution believers are facing today, and calls them to remove the muzzle, take their place as the church in this nation, and turn the tide.

Out in Time Perry N. Halkitis, 2019-05-01 The civil rights of LGBTQ people have slowly yet steadily strengthened since the Stonewall Riots of June, 1969. Despite enormous opposition from some political segments and the catastrophic effects of the AIDS crisis, the last five decades have witnessed improvement in the conditions of the lives of LGBTQ individuals in the United States. As such, the realities and challenges faced by a young gay man coming of age and coming out in the 1960s is, in many profound ways, different from the experiences of a young gay man coming of age and coming out today. *Out in Time* explores the life experiences of three generations of gay men --the Stonewall, AIDS, and Queer generations-- arguing that while there are generational differences in the lived experiences of young gay men, each one confronts its own unique historical events, realities, and socio-political conditions, there are consistencies across time that define and unify the identity formation of gay men. Guided by the vast research literature on gay identity formation and coming out, the ideas and themes explored here are seen through the oral histories of a diverse set of fifteen gay men, five from each generation. *Out in Time* demonstrates how early life challenges define and shape the life courses of gay men, demarcating both the specific time-bound challenges encountered by each generation, and the universal challenges encountered by gay men coming of age across all generations and the conditions that define their lives.

Attract Hotter Guys Woody Miller, 2018-05-31 *Attract Hotter Guys With Irresistible Body Language* Are you subconsciously sending “go away” signals to cute guys? Learn how gestures, postures, stances, and handshakes make you more approachable with the first body language guide for gay men. *Attract Hotter Guys* is Book #2 of 3 Books In The Gay Dating Series. Look In The Mirror. Your Body Language Is All Wrong Can I tell you a story? Going out to bars and parties destroyed my self-esteem. I felt like a complete loser. How many times can you come home without meeting anybody before you feel like there’s something wrong with you? Seriously, have you ever come home from parties, events, clubs and bars

more depressed than when you left? If you're like me, you've tried everything. Different bars, different people, different events. You changed your look, your clothes, your style. The result? Nada, nothing, zip. You may as well go straight. Well one day, I met a body language expert. He told me something that would change my life: Half the Guys You Like Are Turned Off By Your Body Language. You know what my reaction was? "Bullsh_t." I mean, come on! Body language? I'm not meeting good looking guys because of my body language? Puh-leeze. Stay with me because this is where it gets interesting. The body language expert (a psychologist, actually) took me under his wing and coached me in the art of using body language to attract the kind of guys I liked. He wanted a guinea pig—ME—to prove that the sexual body language principles that work for straight couples could, with some adaptation, work for gay men. Yes, body language for gay men. Here's a partial list of what he changed: * The way I shook hands. * The way I leaned in (or away). * How I pointed with my feet (yes, feet, long story). * The angle that I talked to people. * The direction that I approached guys I wanted to meet. * The way I looked at guys I was interested in. * The way I used my body to catch their eye. * The way I used my hands to gesture. The result? In less than an hour, two good-looking guys struck up a conversation with me! After that profound revelation I was determined to make this knowledge available to all other gay guys who couldn't figure out why their love life sucked. So here it is and here's what you'll learn: MAKE YOURSELF MORE APPROACHABLE 1. Wear certain types of shirts and pants. Research shows men are far more attracted to clothes that... Well, it's on Page 23. 2. Wear a certain type of jewelry and accessories. I'll give away one of the secrets right now: Shoes! Find out why on Page 25. 3. Open your "Territory Line." I show you how to do it on Page 26. 4. Create "Invisible Hallways" between the two of you by using your hands and arms while you're talking to friends. 5. Point with your hands, your feet and your head. This is a little known secret among communication researchers. Pointing is an "invitation" (it also reveals how he feels about you). Where should you point and how? It's all on Page 28. 6. Use Inviting Postures. Whether you're standing, sitting (even slouching), there are do's and don'ts to show your interest. They're all on Page 29. 7. Make it easy for him to touch you. See Page 30 for inventive things you can wear or do to make touching you irresistible. They work like a charm! Fed Up With Feeling Invisible At Bars & Parties? Not meeting the type of guys you like? Frustrated you always have to make the first move? Use this guide to change your body language and watch how many more attractive guys approach you.

My Cowboy Freedom Z.A. Maxfield, 2016-11-15 The author of *My Cowboy Promises* and *My Cowboy Homecoming* returns once again to the Rocking C Ranch in this sweet, steamy gay M/M cowboy romance. After doing time, Skyler is used to fighting for everything he wants, and what he wants most is a job at the Rocking C. But Sky's boss Sterling Chandler is a vocal homophobe and his men don't necessarily trust an ex-con. Sky plans to mind his own business and put his past behind him; hopefully, the men he works with will do the same. That doesn't mean he wouldn't like a friend—especially one like shy giant Rock Evans. But Rock has a permanent disability from an accident he had when he was young, which comes with

expensive bills, and a hyper-protective family that won't hesitate to intervene if Sky gets too close. He can either fall in line with his family's beliefs, or lose what little independence he has. Can Sky's hard work and Rock's Texas-sized heart overcome the obstacles between them? INCLUDES A PREVIEW OF THE NEXT NOVELS BY Z. A. MAXFIELD! Praise for Z. A. Maxfield's books "Well written, with a solid story and plot, as well as very likable characters. My Cowboy Promises is the kind of story I want more of!"—Unconventional Book Reviews "No matter what your sexual orientation, any romance reader can relate to the journey of the relationship."—Harlequin Junkie "I loved this book. It's sweet and fun and adorable. I have loved this series from the beginning, but this story...is my favorite. I highly recommend My Cowboy Promises."—Joyfully Jay

Racial Erotics C. Winter Han, 2021-07-16 Finalist for the 2022 Lambda Literary Award for LGBTQ Studies Finalist for the 2022 Randy Shilts Award, sponsored by The Publishing Triangle Honorable Mention for the 2024 John Leo and Dana Heller Award for Best Single Work, Anthology, Multi-Authored, or Edited Book in LGBTQ Studies, sponsored by the Popular Culture Association Exposes a racial hierarchy of desire that centers whiteness in queer social worlds Sexual desire, often understood as personal erotic preference, is frequently seen as neutral, natural, or inevitable. Countering these commonplace assumptions, *Racial Erotics* shows how sexual partnering within communities of gay men is deeply embedded within larger social structures that define whiteness as desirable and normative while othering men of color. In queer erotic economies this othering may take the form of sexual rejection or fetishization of men of color, but C. Winter Han argues that the real danger of sexual racism is that it creates a hierarchy of racial worth that extends outside of erotic encounters into the everyday lives of gay men of color. In this way, sexual racism perpetuates a larger project of racial erasing that equates gayness with whiteness to secure acceptance for gay white men at the expense of queers of color. With vivid examples from interviews, media representations, and online dating sites, Han highlights the creative means through which gay men of color, cordoned off in spaces both gay and straight, produce alternative frameworks to combat dominant narratives. *Racial Erotics* offers a new paradigm for understanding the connection of race and queer desire, demonstrating how race profoundly shapes sexual desires among men while racialized notions of desire construct beliefs about belonging.

Bruises Louise Lindley, 2014-09-12 Dr. Frances Robertson is confident, beautiful, single, independent and going on 40. When family circumstances beyond her control force her to temporarily suspend her career and her great lifestyle in Vancouver, to return to her childhood home in England, she finds herself resentful and apprehensive about spending 6 months in the city she had thought she'd left for good. Staying in her cousin's flat, Frankie takes on an interim position at the local hospital to make ends meet while she is occupied with clearing out the home of her father, a man who never showed her any love. The thankless task weighs heavily on her mind - until she is thrust into working with Jack at the hospital. Gorgeous, young, and virile, Jack harbours a painful past and insecurities under that handsome exterior. The sparks fly and Frankie soon finds herself teaching Jack a thing or two in the bedroom. The intense sexual heat between Frankie and Jack soon turns into more, and both simultaneously worry about and pretend to ignore the looming date for her return to Vancouver. The seemingly perfect, steamy romance becomes strained as neither wants to admit their feelings or face reality. Hot and torrid, their passion flares and tensions mount as Frankie and Jack have to decide whether love will be enough to heal their

bruises....

Guarding Her (Volume One) Anna Brooks, 2022-09-26 They will risk it all to protect what's theirs. Nobody gets in their way and nothing will stop them. These are the men of Royal Ace Security. If you like protective alphas, you'll love this collection of bodyguard romances featuring books 1-4 in the Guarding Her series! Surface (Royce & Paisley - book 1) She was off limits. Too young. The boss's daughter. Forbidden. I knew it all along, but it didn't change the absolute possession I felt when it came to her... nothing would change how I felt about her. So I did what I had to; I waited until the time was right to make her mine, only to find out there is one thing that could ruin it all. Drift (Carter & Billie - book 2) I could tell this girl was lost. She was also scared and alone. This life was going to destroy her... If I let it. She refuses my help and protection until she realizes the audition she's attending isn't an audition at all. It's an auction. And she's about to be sold to the highest bidder. I've got the money to buy her, but better than that, I've got the power to save her. Edge (Wes & Quinn - book 3) It was supposed to be a normal job. Another tour with another superficial singer. But the first time I put my hand on her lower back, it was over. Leave it to a five foot nothing, blonde haired, blue eyed pop princess to knock me on my ass. I'm not the only one who wants her though. But in the end, I'll be the only one who gets all of her. Because while everyone else is screaming her name, she's moaning mine. Closer (Gio & Whitney - book 4) We were inseparable from the moment we met, but it only took one night to destroy it all. Lies were spoken, truths were revealed, and mistakes were made. For years, I took that anger out in the ring, but no matter how much time has passed, I still love to hate her... even when she storms back into my life almost a decade later. But when I see the fear hiding behind her captivating brown eyes, I'll fight to make her safe again. Then I won't ever let her go. Steady (Erik & Polly - bonus book!) We couldn't be any more opposite. He comes from a life of wealth and fame while I grew up in the system and am one step away from living in my car again. I see the pain he's trying to hide, and he knows the hell I've lived through, but that didn't stop us. One night was what I needed, but he wanted more, and men like him always get what they want. ***** Every Guarding Her book can be read as a standalone. Each romance will pull at your heart strings and leave you with a guaranteed happily ever after. These action packed romantic suspense novels feature super protective alphas who will do anything to keep the woman they love safe. They will risk it all to protect what's theirs. Nobody gets in their way and nothing will stop them. A View from the Bottom Tan Hoang Nguyen, 2014-07-29 A View from the Bottom offers a major critical reassessment of male effeminacy and its racialization in visual culture. Examining portrayals of Asian and Asian American men in Hollywood cinema, European art film, gay pornography, and experimental documentary, Nguyen Tan Hoang explores the cultural

meanings that accrue to sexual positions. He shows how cultural fantasies around the position of the sexual bottom overdetermine and refract the meanings of race, gender, sexuality, and nationality in American culture in ways that both enable and constrain Asian masculinity. Challenging the association of bottoming with passivity and abjection, Nguyen suggests ways of thinking about the bottom position that afford agency and pleasure. A more capacious conception of bottomhood—as a sexual position, a social alliance, an affective bond, and an aesthetic form—has the potential to destabilize sexual, gender, and racial norms, suggesting an ethical mode of relation organized not around dominance and mastery but around the risk of vulnerability and shame. Thus reconceived, bottomhood as a critical category creates new possibilities for arousal, receptiveness, and recognition, and offers a new framework for analyzing sexual representations in cinema as well as understanding their relation to oppositional political projects.
