Harbour Street Ann Cleeves, 2015-12-01 From Ann Cleeves—New York Times bestselling and award-winning author of the Vera and Shetland series, both of which are hit TV shows—comes Harbour Street. “Ann Cleeves is one of my favorite mystery writers.”—Louise Penny As the snow falls thickly on Newcastle, the shouts and laughter of Christmas revelers break the muffled silence. Detective Joe Ashworth and his daughter Jessie are swept along in the jostling crowd onto the Metro. But when the train is stopped due to the bad weather, and the other passengers fade into the swirling snow, Jessie notices that one lady hasn't left the train: Margaret Krukowski has been fatally stabbed. Arriving at the scene, DI Vera Stanhope is relieved to have an excuse to escape the holiday festivities. As she stands on the silent, snow-covered station platform, Vera feels a familiar buzz of anticipation, sensing that this will be a complex and unusual case. Then, just days later, a second woman is murdered. Vera knows that to find the key to this new killing she needs to understand what had been troubling Margaret so deeply before she died - before another life is lost. She can feel in her bones that there's a link. Retracing Margaret's final steps, Vera finds herself searching deep into the hidden past of this seemingly innocent neighborhood, led by clues that keep revolving around one street...Harbour Street. Told with piercing prose and a forensic eye, Ann Cleeves' gripping novel explores what happens when a community closes ranks to protect their own—and at what point silent witnesses become complicit.

A New York Times and USA Today Bestseller — Soon to be an episode of the hit TV show Vera Ann Cleeves is one of my favorite mystery writers.—Louise Penny For fifty years a group of friends have been meeting regularly for reunions on Holy Island, celebrating the school trip where they met, and the friend that they lost to the rising causeway tide five years later. Now, when one of them is found hanged, Vera is called in. Learning that the dead man had recently been fired after misconduct allegations, Vera knows she must discover what the friends are hiding, and whether the events of many years before could have led to murder then, and now . . . But with the tide rising, secrets long-hidden are finding their way to the surface, and Vera and the team may find themselves in more danger than they could have believed possible . . .

The Healers Ann Cleeves, 2025-03-25 Before *Shetland* and *Vera*, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. News of the murder came to Inspector Stephen Ramsay early on Monday morning: isolated farmer Ernie Bowles was found lying on his kitchen floor, gruesomely strangled. Ramsey fears this case will not be simple. In his experience, most murders are straightforward: an explosion of family pressure, the loss of control in a fight. But Bowles seems to have kept himself to himself and had lived alone since his mother's death. A seemingly unconnected woman is then found strangled too—surely two such killings in the same locality are more than just chilling coincidence? When Ramsay hears of a third suspicious death, a very tenuous link between the victims takes on a new importance, for all were connected in some way to the Alternative Therapy Center in Mittingford. Could one of the healers be a killer?

The Darkest Evening Ann Cleeves, 2020-09-08 AN INSTANT NEW YORK TIMES BESTSELLER! From Ann Cleeves—New York Times bestselling and award-winning author of the *Vera* and *Shetland* series, both of which are hit TV shows—comes the stunning new *Vera Stanhope* novel, *The Darkest Evening*. Ann Cleeves is one of my favorite mystery writers.—Louise Penny As a huge fan of both the *Shetland* and *Vera* series of books, I had high expectations for Cleeves' latest. . . . A stunning debut for Cleeves' latest crimefighter.—David Baldacci on *The Long Call* On the first snowy night of

winter, Detective Inspector Vera Stanhope sets off for her home in the hills. Though the road is familiar, she misses a turning and soon becomes lost and disorientated. A car has skidded off the narrow road in front of her, its door left open, and she stops to help. There is no driver to be seen, so Vera assumes that the owner has gone to find help. But a cry calls her back: a toddler is strapped in the back seat. Vera takes the child and, driving on, she arrives at a place she knows well. Brockburn is a large, grand house in the wilds of Northumberland, now a little shabby and run down. It's also where her father, Hector, grew up. Inside, there's a party in full swing: music, Christmas lights and laughter. Outside, unbeknownst to the revelers, a woman lies dead in the snow. As the blizzard traps the group deep in the freezing Northumberland countryside, Brockburn begins to give up its secrets, and as Vera digs deeper into her investigation, she also begins to uncover her family's complicated past.

The Crow Trap Ann Cleeves, 2017-02-21 From Ann Cleeves—New York Times bestselling and award-winning author of the Vera and Shetland series, both of which are hit TV shows—comes *The Crow Trap*, the first in the Vera Stanhope series. “Ann Cleeves is one of my favorite mystery writers.”—Louise Penny Three very different women come together to complete an environmental survey on the Northumberland countryside. Three women who, in some way or another, know the meaning of betrayal.... For team leader Rachael Lambert the project is the perfect opportunity to rebuild her confidence after a double-betrayal by her lover and boss, Peter Kemp. Botanist Anne Preece, on the other hand, sees it as a chance to indulge in a little deception of her own. And then there is Grace Fulwell, a strange, uncommunicative young woman with plenty of her own secrets to hide... When Rachael arrives at the cottage, however, she is horrified to discover the body of her friend Bella Furness. Bella, it appears, has committed suicide—a verdict Rachael finds impossible to accept. Only when the next death occurs does a fourth woman enter the picture—the unconventional Detective Inspector Vera Stanhope, who must piece together the truth from these women's tangled lives in *The Crow Trap*.

Dirt Creek Hayley Scrivenor, 2022-08-02 A NATIONAL BESTSELLER Who's lying about what happened at Dirt Creek? “Blends a taut psychological thriller with a suspenseful police procedural... Fans of Liane Moriarty and Jane Harper won't want to miss this page-turner.” —Publishers Weekly, starred review “A novel of sharp-edged tempers, accidents waiting to happen and dark inheritances.” —New York Times Book Review When twelve-year-old Esther disappears on the way home from school in a small town in rural Australia, the community is thrown into a maelstrom of suspicion and grief. As Detective Sergeant Sarah Michaels arrives in town during the hottest spring in decades and begins her investigation, Esther's tenacious best friend, Ronnie, is determined to find Esther and bring her home. When schoolfriend Lewis tells Ronnie that he saw Esther with a strange man at the creek the afternoon she went missing, Ronnie feels she is one step closer to finding her. But why is Lewis refusing to speak to the police? And who else is lying about how much they know about what has happened to Esther? Punctuated by a Greek chorus, which gives voice to the remaining children of the small, dying town, this

novel explores the ties that bind, what we try and leave behind us, and what we can never outrun, while never losing sight of the question of what happened to Esther, and what her loss does to a whole town. In Hayley Scrivenor's *Dirt Creek*, a small-town debut mystery described as *The Dry* meets *Everything I Never Told You*, a girl goes missing and a community falls apart and comes together.

Murder in Paradise Ann Cleeves, 2025-01-28 Before *Shetland* and *Vera*, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Newlyweds Jim and Sarah are welcomed home from their honeymoon to the Scottish island of Kinness with a huge celebration. But the cheerful festivities take a dark turn when the groom's sister slips and tumbles to the perilous rocks below . . . and the whole island is present to witness the bitter end. But did Jim's younger sister Mary fall? Or was she pushed? George Palmer-Jones, retired birdwatcher and amateur detective, suspects the latter. But proving it will be difficult—no one wants to upset the balance of the island's ancient relationships. Kinness is a paradise lost, filled with hidden secrets, and it's George's job to piece together the unravelling threads.

The Rising Tide: a Vera Stanhope Novel 10 Ann Cleeves, Sam Lloyd, 2022-08-09 Vera Stanhope, star of ITV's *Vera*, returns in the tenth novel in number one bestseller Ann Cleeves' acclaimed series. Fifty years ago, a group of teenagers spent a weekend on Holy Island, forging a bond that has lasted a lifetime. Now, they still return every five years to celebrate their friendship, and remember the friend they lost to the rising waters of the causeway at the first reunion. Now, when one of them is found hanged, Vera is called in. Learning that the dead man had recently been fired after misconduct allegations, Vera knows she must discover what the friends are hiding, and whether the events of many years before could have led to murder then, and now . . . But with the tide rising, secrets long-hidden are finding their way to the surface, and Vera and the

team may find themselves in more danger than they could have believed possible . . .

Slough House Mick Herron,2021-02-09 In his best and most ambitious novel yet, Mick Herron, “the le Carré of the future” (BBC), offers an unsparing look at the corrupt web of media, global finance, spycraft, and politics that power our modern world. “This is a darker, scarier Herron. The gags are still there but the satire's more biting. The privatization of a secret service op and the manipulation of news is relevant and horribly credible.”—Ann Cleeves, author of the Vera Stanhope series At Slough House—MI5’s London depository for demoted spies—Brexit has taken a toll. The “slow horses” have been pushed further into the cold, Slough House has been erased from official records, and its members are dying in unusual circumstances, at an unusual clip. No wonder Jackson Lamb's crew is feeling paranoid. But are they actually targets? With a new populist movement taking hold of London's streets and the old order ensuring that everything's for sale to the highest bidder, the world's a dangerous place for those deemed surplus. Jackson Lamb and the slow horses are in a fight for their lives as they navigate dizzying layers of lies, power, and death.

Another Man’s Poison Ann Cleeves,2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. Landlord and politician Marcus Grenville wants to convert Ursula Ottway’s beautiful cottage into a holiday residence. So when Ursula discovers that the illegal use of poisoned bait on Grenville’s land has killed not only a rare bird of prey but her two beloved cats, she storms to his house and threatens revenge. The next morning, Molly Palmer-Jones arrives at her Aunt Ursula’s house only to find her body slumped lifeless on the sofa. Shocked and saddened, Molly and her husband George decide to piece together a picture of Ursula’s last days. And it soon becomes clear that, for many people on the estate, hers was a very convenient death. The Palmer-Joneses embark on a murder investigation but even their professional expertise doesn’t prepare them for what is to follow. A lifetime’s worth of secrets must surface before a killer can finally be brought to justice . . .

Come Death and High Water Ann Cleeves,2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. The picturesque privately owned island of Gillibry off the North Devon coast turns out to be the perfect site for a murder . . . A routine weekend visit by the Gillibry Bird Observatory Trust is made memorable by the owner’s announcement that he is going to sell the island. A sale would mean the end of the Observatory, which makes life worth living for many of the birders on the island. Then a fire in Charlie Todd’s cottage adds to their distress, followed by a fierce storm. The next morning, the birders find Charlie dead in a bird hide. Suddenly their pleasant September weekend assumes a dangerous new face. Charlie Todd’s murder could have been the deed of any member of the Trust. And it falls to one of their own, George Palmer-Jones, to unravel the identity of a killer within their midst.

A Bird in the Hand Ann Cleeves, 2025-01-28 Before Shetland and Vera, Ann Cleeves wrote the George and Molly Palmer-Jones series following remarkable mysteries in a birdwatching community—now in print for the first time in the US. In England’s birdwatching paradise, a new breed has been sighted—a murderer . . . Young Tom French is found dead, lying in a marsh on the Norfolk coast, with his head bashed in and his binoculars still around his neck. One of the best birders in England, Tom had put the village of Rushy on the birdwatching map. Everyone liked him. Or did they? George Palmer-Jones, an elderly birdwatcher who decides quietly to look into the brutal crime, discovers mixed feelings aplenty. Still, he remains baffled by a deed that could have been motivated by thwarted love, pure envy, or something else altogether. But as he and his fellow ‘twitchers’ flock from Norfolk to Scotland to the Scilly Isles in response to rumors of rare sightings, George—with help from his lovely wife, Molly—gradually discerns the true markings of a killer. All he has to do is prove it . . . before the murderer strikes again.

A Lesson in Dying Ann Cleeves, 2025-03-25 Before Shetland and Vera, Ann Cleeves wrote the Inspector Ramsay series featuring a talented, brilliant detective—now in print for the first time in the US. Who hung the headmaster in the playground on the night of the school Halloween Party? Almost everyone in Heppleburn either hated or feared the viper-tongued Harold Medburn. Inspector Ramsay is convinced it was the headmaster’s enigmatic wife but Jack Robson, school governor and caretaker, is determined to prove her innocence. With the help of his restless daughter Patty, Jack digs into the secrets of Heppleburn, and uncovers a cesspit of lies, adultery, blackmail and madness . . .
